PAGE LOWERY

The Perfect Horse Da Capo Press
 The National Book Award-winning biography that tells the story of how young Teddy Roosevelt transformed himself from a sickly boy into the vigorous man who would become a war hero and ultimately president of the United States, told by master historian David McCullough. Mornings on Horseback is the brilliant biography of the young Theodore Roosevelt. Hailed as “a masterpiece” (John A. Gable, Newsday), it is the winner of the Los Angeles Times 1981 Book Prize for Biography and the National Book Award for Biography. Written by David McCullough, the author of Truman, this is the story of a remarkable little boy, seriously handicapped by recurrent and almost fatal asthma attacks, and his struggle to manhood: an amazing metamorphosis seen in the context of the very uncommon household in which he was raised. The father is the first Theodore Roosevelt, a figure of unbounded energy, enormously attractive and selfless, a god in the eyes of his small, frail namesake. The mother, Mittie Bulloch Roosevelt, is a Southerner and a celebrated beauty, but also considerably more, which the book

makes clear as never before. There are sisters Anna and Corinne, brother Elliott (who becomes the father of Eleanor Roosevelt), and the lovely, tragic Alice Lee, TR’s first love. All are brought to life to make “a beautifully told story, filled with fresh detail” (The New York Times Book Review). A book to be read on many levels, it is at once an enthralling story, a brilliant social history and a work of important scholarship which does away with several old myths and breaks entirely new ground. It is a book about life intensely lived, about family love and loyalty, about grief and courage, about “blessed” mornings on horseback beneath the wide blue skies of the Badlands.

Black Hearts Birlinn Publishers

“The story of what Dakota did . . . will be told for generations.”—President Barack Obama, from remarks given at Meyer’s Medal of Honor ceremony In the fall of 2009, Taliban insurgents ambushed a patrol of Afghan soldiers and Marine advisors in a mountain village called Ganjigal. Firing from entrenched positions, the enemy was positioned to wipe out one hundred men who were pinned down and were repeatedly refused artillery support. Ordered to remain behind with the vehicles, twenty-one year-old Marine corporal Dakota Meyer disobeyed orders and attacked to rescue his comrades. With a brave driver at the wheel, Meyer stood in the gun turret exposed

to withering fire, rallying Afghan troops to follow. Over the course of the five hours, he charged into the valley time and again. Employing a variety of machine guns, rifles, grenade launchers, and even a rock, Meyer repeatedly repulsed enemy attackers, carried wounded Afghan soldiers to safety, and provided cover for dozens of others to escape—supreme acts of valor and determination. In the end, Meyer and four stalwart comrades—an Army captain, an Afghan sergeant major, and two Marines—cleared the battlefield and came to grips with a tragedy they knew could have been avoided. For his actions on that day, Meyer became the first living Marine in three decades to be awarded the Medal of Honor. *Into the Fire* tells the full story of the chaotic battle of Ganjigal for the first time, in a compelling, human way that reveals it as a microcosm of our recent wars. Meyer takes us from his upbringing on a farm in Kentucky, through his Marine and sniper training, onto the battlefield, and into the vexed aftermath of his harrowing exploits in a battle that has become the stuff of legend. Investigations ensued, even as he was pitched back into battle alongside U.S. Army soldiers who embraced him as a fellow grunt. When it was over, he returned to the States to confront living with the loss of his closest friends. This is a tale of American values and upbringing, of stunning heroism, and of adjusting to loss and to civilian life. We see it all through Meyer's eyes, bullet by bullet, with raw honesty in telling of both the errors that resulted in tragedy and the resolve of American soldiers, U.S. Marines, and Afghan soldiers who'd been abandoned and faced certain death. Meticulously researched and thrillingly told, with nonstop pace and vivid detail, *Into the Fire* is the unvarnished story of a modern American hero. Praise for *Into the Fire* "A story of men at their best and at their worst . . . leaves you gaping in admiration at Medal of Honor winner Dakota Meyer's courage."—National Review "Meyer's dazzling bravery wasn't momentary or impulsive but deliberate and sustained."—The Wall Street Journal "[A] cathartic, heartfelt account . . . Combat memoirs don't get any more personal."—Kirkus Reviews "A great contribution to the discussion of an agonizingly complex subject."—The Virginian-Pilot "Black Hawk Down meets Lone Survivor."—Library Journal *Granite Mountain* Trafford Publishing

Imagine being told to leave your home... Imagine American soldiers occupying your house and land... Imagine being 12 and angry, with only a cat to tell your secrets to... Well it all happened (most of it anyway) in Slapton Sands, Devon, in 1944. Based on Michael Morpurgo's *The Amazing Story of Adolphus Tips*, this play explodes everything we thought we knew about the D-Day landings. With signature Kneehigh sorcery, 946 uses music, puppetry and foolishness to tell this tale of war, prejudice and love. Tender, political and surprisingly romantic, this story speaks to us all and will finally reveal the secrets the US and British governments tried to keep quiet.

SGT. RECKLESS

Simon and Schuster

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Pale Horse at Plum Run Bloomsbury Publishing

Hailed by Eliot, Pound, Lawrence and Hemingway, and based on the author's own experiences, *The Middle Parts of Fortune* is a breathtaking account of the Great War and the men who fought it.

In Harm's Way (Young Readers Edition) Asiapac Books Pte Ltd

One of the most critical battles of the Afghan War is now revealed as never before. *Lions of Kandahar* is an inside account from the unique perspective of an active-duty U.S. Army Special Forces

commander. As then-Captain Rusty Bradley he began his third tour of duty in southern Afghanistan in 2006, the Taliban were poised to reclaim Kandahar Province, their strategically vital onetime capital. To stop them, the NATO coalition launched Operation Medusa, the largest offensive in its history. This is the story of a two-week battle that raged in scorching heat over a territory the size of Rhode Island.--From publisher description.

The Only Thing Worth Dying For Metropolitan Books

The award-winning combat historian and author of Washington's *Immortals* honors the Unknown Soldier with this "gripping story" of America's part in WWI (Washington Times). The Tomb of the Unknown Soldier is sacred ground at Arlington National Cemetery. Originally constructed in 1921 to hold one of the thousands of unidentified American soldiers lost in World War I, it now receives millions of visitors each year. "With exhaustive research and fluid prose," historian Patrick O'Donnell illuminates the saga behind the creation of the Tomb itself, and the stories of the soldiers who took part in its consecration (Wall Street Journal). When the first Unknown Soldier was laid to rest in Arlington, General John Pershing selected eight of America's most decorated veterans to serve as Body Bearers. These men appropriately spanned America's service branches and specialties. Their ranks include a cowboy who relived the charge of the light brigade, an American Indian who heroically breached mountains of German barbed wire, a salty New Englander who dueled a U-boat for hours in a fierce gunfight, a tough New Yorker who sacrificed his body to save his ship, and an indomitable gunner who, though blinded by gas, nonetheless overcame five machine-gun nests. In telling the stories of these brave men, O'Donnell shines a light on the service of all veterans, including the hero they brought home. Their stories present an intimate narrative of America's involvement in the Great War, transporting readers into the midst of dramatic battles that ultimately decided the conflict.

The Boy, the Mole, the Fox and the Horse Balzer & Bray

New York Times Bestseller! She wasn't a horse—she was a Marine. She might not have been much to look at—a small "Mongolian mare," they called her—but she came from racing stock, and had the blood of a champion. Much more than that, *Reckless* became a war hero—in fact, she became a combat Marine, earning staff sergeant's stripes before her retirement to Camp Pendleton. This once famous horse, recognized as late as 1997 by Life Magazine as one of America's greatest heroes—the greatest war horse in American history, in fact—has unfortunately now been largely forgotten. But author Robin Hutton is set to change all that. Not only has she been the force behind recognizing *Reckless* with a monument at the National Museum of the Marine Corps and at Camp Pendleton, but she has now recorded the full story of this four-legged war hero who hauled ammunition to embattled Marines and inspired them with her relentless, and reckless, courage.

The Odyssey of Echo Company Simon and Schuster

Streaming on Apple TV+ on Christmas Day #1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER "The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art."- Elizabeth Egan, The New York Times From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that explores life's universal lessons, featuring 100 color and black-and-white drawings. "What do you want to be when you grow up?" asked the mole. "Kind," said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book, following the tale of a curious boy, a greedy mole, a wary fox and a wise horse who find themselves together in sometimes difficult terrain, sharing their greatest

fears and biggest discoveries about vulnerability, kindness, hope, friendship and love. The shared adventures and important conversations between the four friends are full of life lessons that have connected with readers of all ages.

Simon and Schuster

This novel is a fictionalized account of one of the most daring cavalry raids of all time. Set during the American Civil War, it brings to life the Grierson Raid - the 17-day raid by a Union brigade through the heart of Confederate Mississippi.

Kabul in Winter Simon and Schuster

Describes the secret mission of a small band of U.S. soldiers who battled against Taliban forces on horseback and captured the Afghan city of Mazâr-i Sharâif, a critical location for further campaigns.

Pale Horse Harper Collins

From the bestselling author of "In Harm's Way" comes a spectacular, harrowing, true-life soldiers' tale of struggle and triumph in the wake of the September 11 attacks. b&w photographs.

12 STRONG

Atlantic Monthly Press

NATIONAL BESTSELLER • From the author of *Ghost Soldiers* comes a magnificent history of the American conquest of the West—"a story full of authority and color, truth and prophecy" (The New York Times Book Review). In the summer of 1846, the Army of the West marched through Santa Fe, en route to invade and occupy the Western territories claimed by Mexico. Fueled by the new ideology of "Manifest Destiny," this land grab would lead to a decades-long battle between the United States and the Navajos, the fiercely resistant rulers of a huge swath of mountainous desert wilderness. At the center of this sweeping tale is Kit Carson, the trapper, scout, and soldier whose adventures made him a legend. Sides shows us how this illiterate mountain man understood and respected the Western tribes better than any other American, yet willingly followed orders that would ultimately devastate the Navajo nation. Rich in detail and spanning more than three decades, this is an essential addition to our understanding of how the West was really won.

They Called Her Reckless Simon and Schuster

The first-person account of how a small band of Green Berets used horses and laser-guided missiles to overthrow the Taliban and al-Qaeda in Afghanistan after 9/11. They landed in a dust storm so thick the chopper pilot used dead reckoning and a guess to find the ground. They were met by a band of heavily armed militiamen who didn't understand a word they said. They climbed a mountain on horseback to meet the most ferocious warlord in Asia. They plotted a war of nineteenth-century maneuvers against a twenty-first-century foe. They saved babies and treated fevers, trekked through minefields, and waded through booby-trapped streams—sometimes past the mangled bodies of local tribesmen who'd shared food with them hours before. They found their enemy hiding in thick concrete bunkers, dodged bullets from machine-gun-laden pickup trucks, and survived ambushes launched with Russian tanks. They fought back with everything they had, from smart bombs to AK-47s. They overthrew a government, mediated blood feuds between rival commanders, and argued with generals and politicians thousands of miles away. The men they helped called them gods. One of their commanders called them devils. Hollywood called them the Horse Soldiers. They called themselves Green Berets—Special Forces ODA 595.

Swords of Lightning Random House

"This epic account is as thrilling and fast-paced as the raid itself and will quickly rival, if not surpass, Dee Brown's *Grierson's Raid*

as the standard." —Terrence J. Winschel, historian (ret.), Vicksburg National Military Park Winner, Operational/Battle History, Army Historical Foundation Distinguished Book Award Winner, Fletcher Pratt Literary Award, Civil War Round Table of New York There were other simultaneous operations to distract Confederate attention from the real threat posed by U. S. Grant's Army of the Tennessee. Benjamin Grierson's operation, however, mainly conducted with two Illinois cavalry regiments, has become the most famous, and for good reason: For 16 days (April 17 to May 2) Grierson led Confederate pursuers on a high-stakes chase through the entire state of Mississippi, entering the northern border with Tennessee and exiting its southern border with Louisiana. Throughout, he displayed outstanding leadership and cunning, destroyed railroad tracks, burned trestles and bridges, freed slaves, and created as much damage and chaos as possible. Grierson's Raid broke a vital Confederate rail line at Newton Station that supplied Vicksburg and, perhaps most importantly, consumed the attention of the Confederate high command. While Confederate Lt. Gen. John Pemberton at Vicksburg and other Southern leaders looked in the wrong directions, Grant moved his entire Army of the Tennessee across the Mississippi River below Vicksburg, spelling the doom of that city, the Confederate chances of holding the river, and perhaps the Confederacy itself. Based upon years of research and presented in gripping, fast-paced prose, Timothy B. Smith's *The Real Horse Soldiers* captures the high drama and tension of the 1863 horse soldiers in a modern, comprehensive, academic study. Readers will find it fills a wide void in Civil War literature.

Horse Soldiers Hachette Books

The bestselling *Journey to the West* comic book by artist Chang Boon Kiat is now back in a brand new fully coloured edition. *Journey to the West* is one of the greatest classics in Chinese literature. It tells the epic tale of the monk Xuanzang who journeys to the West in search of the Buddhist sutras with his disciples, Sun Wukong, Sandy and Pigsy. Along the way, Xuanzang's life was threatened by the diabolical White Bone Spirit, the menacing Red Child and his fearsome parents and, a host of evil spirits who sought to devour Xuanzang's flesh to attain immortality. Bear witness to the formidable Sun Wukong's (Monkey God) prowess as he takes them on, using his Fiery Eyes, Golden Cudgel, Somersault Cloud, and quick wits! Be prepared for a galloping read that will leave you breathless!

EBONY HORSE SOLDIER

Henry Holt and Company (BYR)

A sharp and arresting people's-eye view of real life in Afghanistan after the Taliban. Soon after the bombing of Kabul ceased, award-winning journalist and women's rights activist Ann Jones set out for the shattered city, determined to bring help where her country had brought destruction. Here is her trenchant report from inside a city struggling to rise from the ruins. Working among the multitude of impoverished war widows, retraining Kabul's long-silenced English teachers, and investigating the city's prison for women, Jones enters a large community of female outcasts: runaway child brides, pariah prostitutes, cast-off wives, victims of rape. In the streets and markets, she hears the Afghan view of the supposed benefits brought by the fall of the Taliban, and learns that regarding women as less than human is the norm, not the aberration of one conspicuously repressive regime. Jones confronts the ways in which Afghan education, culture, and politics have repeatedly been hijacked—by Communists, Islamic fundamentalists, and the Western free marketeers—always with disastrous results. And she reveals, through small events, the big disjunctions: between U.S. promises and performance, between the new "democracy" and the still-

entrenched warlords, between what's boasted of and what is. At once angry, profound, and starkly beautiful, Kabul in Winter brings alive the people and day-to-day life of a place whose future depends so much upon our own.

The Battle for America Penguin

What makes 2nd Lieutenant Phil Larimore's story special is what happened in World War II's closing days and the people—and horses—he interacted with in this Forrest Gump-like tale that is emotional, heartbreaking, and inspiring. Growing up in the 1930s in Memphis, Tennessee, Phil Larimore is the ultimate Boy Scout—able to read maps, put a compass to good use, and traverse wild swamps and desolate canyons. His other great skill is riding horses. Phil does poorly in school, however, leading his parents send to him to a military academy. After Pearl Harbor, Phil realizes he is destined for war. Three weeks before his eighteenth birthday, he becomes the youngest candidate to ever graduate from Officer Candidate School (OCS) at Fort Benning, Georgia. Landing on the Anzio beachhead in February 1944, Phil is put in charge of an Ammunition Pioneer Platoon in the 3rd Infantry Division. Their job: deliver ammunition to the frontline foxholes—a dangerous assignment involving regular forays into No Man's Land. As Phil fights his way up the Italian boot, into Southern France and across the Rhine River into Germany, he is caught up in some of the most intense combat ever. But it's what happens in the final stages of the war and his homecoming that makes Phil's story incredibly special and heartwarming. An emotional tale of courage, daring, and heroism, *At First Light* will remind you of the indomitable human spirit that lives in all of us.

Warrior Penguin

On September 11th, 2001 the world watched in terror. On September 12th, 2001 they volunteered to fight. Twelve soldiers gave us a reason to hope. **THE DECLASSIFIED TRUE STORY OF THE HORSE SOLDIERS.** This is the dramatic account of a small band of Special Forces soldiers who entered Afghanistan

immediately following September 11, 2001 and, riding to war on horses, defeated the Taliban. Outnumbered 40 to 1, they capture the strategic Afghan city of Mazar-e Sharif, and thereby effectively defeat the Taliban throughout the rest of the country. They are welcomed as liberators as they ride on horses into the city, the streets thronged with Afghans overjoyed that the Taliban have been kicked out. The soldiers rest easy, as they feel they have accomplished their mission. And then, the action takes a wholly unexpected turn. During a surrender of Taliban troops, the Horse Soldiers are ambushed by the would-be P.O.W.s and, still dangerously outnumbered, they must fight for their lives in the city's ancient fortress known as Qala-I Janghi, or the House of War . . . Praise for Doug Stanton: 'A thrilling action ride of a book.' New York Times 'As gripping as the most intricately-plotted thriller.' Vince Flynn 'A riveting story of the brave and resourceful American warriors who rode into Afghanistan after 9/11 and waged war against Al Qaeda.' Tom Brokaw 'This reads like a cross between an old-fashioned Western and a modern spy thriller.' Parade Magazine 'Spellbinding...action-packed prose. The book reads more like a novel.' USA Today

Not a Good Day to Die Ballantine Books

The compelling and insightful account of a New York Times reporter's abduction by the Taliban, and his wife's struggle to free him. In November 2008, David Rohde, a Pulitzer Prize-winning correspondent for The New York Times, was kidnapped by the Taliban and held captive for seven months in the tribal areas of Pakistan. In the process, Rohde became the first American to witness how Pakistan's powerful military turns a blind eye toward a Taliban ministate thriving inside its borders. In New York, David's wife Kristen Mulvihill, together with his family, kept the kidnapping secret for David's safety and struggled to navigate a labyrinth of conflicting agendas, misinformation, and lies. Part memoir, part work of journalism, *A Rope and a Prayer* is a story of duplicity, faith, resilience, and love.
