DANCE UPON THE AIR

St. Martin's
Paperbacks
New York
Times
bestselling
author Nora
Roberts
weaves
scandal,
celebrity
secrets, and
murder into
an explosive
novel of
Hollywood
almost too
wicked not to
be true: the
story of a

legendary
actress who
knows too
much—and
the woman
she's chosen
to reveal it all.
. . . Eve
Benedict is
the kind of
subject who
could make
any
biographer's
career. Last of
the movie
goddesses,
she has two
Oscars, four
ex-husbands,
and a legion
of lovers, both
famous and
infamous. Now
she is ready to
write a tell-all
memoir that
has even
Hollywood's

richest and
most powerful
worried. Julia
Summers
never
dreamed of
being chosen
to tell Eve's
story. But
even if it
means
transplanting
herself and
her ten-year-
old son from
their quiet life
in Connecticut
to the
withering
limelight of
Beverly Hills,
it's an
opportunity
too great to
pass up. But
Julia never
imagined how
far someone
would go to

keep Eve Benedict's book from being published . . . until she discovers just how dark Eve's secrets are. And the one man Julia hopes she can trust—Eve's stepson, Paul Winthrop—may have the most to gain if his stepmother's story is never told . . . and if Julia's life ends before she can write a word of the truth. "Roberts does a beautiful job weaving together the movie star's titillating tales

and the love story that develops."—USA Today
Shadow Spell St. Martin's Press #1 New York Times bestselling author Nora Roberts introduces an unforgettable thief in an unputdownable new novel... Greed. Desire. Obsession. Revenge . . . It's all in a night's work. Harry Booth started stealing at nine to keep a roof over his ailing mother's head, slipping into luxurious, empty homes

at night to find items he could trade for precious cash. When his mother finally succumbed to cancer, he left Chicago—but kept up his nightwork, developing into a master thief with a code of honor and an expertise in not attracting attention?or getting attached. Until he meets Miranda Emerson, and the powerful bond between them upends all his rules. But along the way, Booth has made some

dangerous associations, including the ruthless Carter LaPorte, who sees Booth as a tool he controls for his own profit. Knowing LaPorte will leverage any personal connection, Booth abandons Miranda for her own safety—cruelly, with no explanation—and disappears. But the bond between Miranda and Booth is too strong, pulling them inexorably back together.

Now Booth must face LaPorte, to truly free himself and Miranda once and for all.

Berkley And can Chase learn to trust God to help him demonstrate his love and affection for Quintin and for Rusty? Promise Me Tomorrow Penguin From “America’s favorite novelist” (The New Yorker), a young woman inherits a fortune—and an even

greater gift of love just in time for the holidays—in #1 New York Times bestselling author Nora Roberts’s *A Will and a Way*. When her beloved Uncle Jolley died, Pandora McVie couldn’t imagine her life without him—only to discover that he planned for her future by leaving her \$150 million. But to collect her inheritance, Pandora must spend six months in her uncle’s isolated Catskills

mansion with her co-beneficiary, Michael Donohue. If being set up on a half-year date that lasts through Christmas by a last will and testament isn't humiliating enough, Pandora finds living with Michael intolerable—even as she falls in love with him... *Promise Me Tomorrow* Penguin Katherine, nicknamed "Rusty", takes a position as a companion for Quintin. But when she

realizes how little time his father spends with the boy, how can she convince him that his son needs a father.

THE BLACK ROSE

Penguin Three women learn that the heart of their historic home holds a mystery of years gone by, as #1 New York Times bestselling author Nora Roberts brings her *In the Garden* trilogy to a captivating conclusion. A Harper has always lived

at Harper House, the centuries-old mansion just outside of Memphis. And for as long as anyone alive remembers, the ghostly Harper Bride has walked the halls, singing lullabies at night... Hayley Phillips came to Memphis hoping for a new start, for herself and her unborn child. She wasn't looking for a handout from her distant cousin Roz, just a job at her thriving *In the Garden* nursery. What she found was

a home surrounded by beauty and the best friends she's ever had—including Roz's son Harper. To Hayley's chagrin, she has begun to dream about Harper—as much more than a friend... If Hayley gives in to her desire, she's afraid the foundation she's built with Harper will come tumbling down. And that wouldn't be the only consequence, since her dreams are tangled up

with Roz and the nursery. Hayley will have to put the past behind her to know her own heart again—and to decide whether she's willing to risk it... Don't miss the other books in the In the Garden Trilogy Blue Dahlia Black Rose
Promises in Death
 Bantam
 #1 New York Times bestselling author Nora Roberts—hailed by Publishers Weekly as “a storyteller of immeasurable

diversity and talent”—presents the first book in a trilogy about friendship, fate, and the mysterious ways of the heart. When Nell Channing arrives on charming Three Sisters Island, she believes that she's finally found refuge from her abusive husband—and from the terrifying life she fled so desperately eight months ago... But even in this quiet, peaceful place, Nell never feels

entirely at ease. Careful to conceal her true identity, she takes a job as a cook at the local bookstore café—and begins to explore her feelings for the island sheriff, Zack Todd. But there is a part of herself she can never reveal to him, for she must continue to guard her secrets if she wants to keep the past at bay. One careless word, one misplaced confidence, and the new life she’s so carefully

created could shatter completely. Just as Nell starts to wonder if she’ll ever be able to break free of her fear, she realizes that the island suffers under a terrible curse—one that can only be broken by the descendants of the Three Sisters, the witches who settled the island back in 1692. And now, with the help of two other strong, gifted women—and the nightmares of

the past haunting her every step—she must find the power to save her home, her love, and herself. Don’t miss the other books in the Three Sisters Island Trilogy *Heaven and Earth Face the Fire* *Legacy* Penguin #1 New York Times bestselling author J. D. Robb takes us to the New York City of 2060, where Lieutenant Eve Dallas faces down a cop killer... *Amaryllis* Coltraine may

have recently transferred to the New York City police force from Atlanta, but she's been a cop long enough to know how to defend herself against an assailant. When she's taken down just steps away from her apartment, killed with her own weapon, for Eve the victim isn't just "one of us." Eve starts questioning everyone while her husband, Roarke, digs into computer data on the dead woman's

life back in Atlanta. To their shock, they discover a connection between this case and their own painful, shadowy pasts. The truth will need to be uncovered one layer at a time, starting with the box that arrives at Cop Central addressed to Eve, containing Coltraine's guns, badge, and a note from her killer: "You can have them back. Maybe someday soon, I'll be sending yours to somebody

else." But Eve Dallas doesn't take too kindly to personal threats, and she is going to break this case, whatever it takes. And that's a promise. **Corrupt St.** Martin's Paperbacks A new epic of love and war among gods and humans, from Nora Roberts—the #1 New York Times bestselling author of *The Awakening*. The world of magick and the world of man have long been estranged

from one another. But some can walk between the two—including Breen Siobhan Kelly. She has just returned to Talamh, with her friend, Marco, who’s dazzled and disoriented by this realm—a place filled with dragons and faeries and mermaids (but no WiFi, to his chagrin). In Talamh, Breen is not the ordinary young schoolteacher he knew her as. Here she is learning to embrace the powers of her

true identity. Marco is welcomed kindly by her people—and by Keegan, leader of the Fey. Keegan has trained Breen as a warrior, and his yearning for her has grown along with his admiration of her strength and skills. But one member of Breen’s bloodline is not there to embrace her. Her grandfather, the outcast god Odran, plots to destroy Talamh—and now all must unite to defeat

his dark forces. There will be losses and sorrows, betrayal and bloodshed. But through it, Breen Siobhan Kelly will take the next step on the journey to becoming all that she was born to be.

A Good Morning America Book Club Pick and New York Times Bestseller! From debut author Asha Lemmie, “a lovely, heartrending story about love and loss, prejudice and pain, and the sometimes dangerous, always durable ties that link a family together.” —Kristin Hannah, #1 New York Times–bestselling author of *The Nightingale* Kyoto, Japan, 1948. “Do not

question. Do not fight. Do not resist.” Such is eight-year-old Noriko “Nori” Kamiza’s first lesson. She will not question why her mother abandoned her with only these final words. She will not fight her confinement to the attic of her grandparents’ imperial estate. And she will not resist the scalding chemical baths she receives daily to lighten her skin. The child of a married

Japanese aristocrat and her African American GI lover, Nori is an outsider from birth. Her grandparents take her in, only to conceal her, fearful of a stain on the royal pedigree that they are desperate to uphold in a changing Japan. Obedient to a fault, Nori accepts her solitary life, despite her natural intellect and curiosity. But when chance brings her older half-brother, Akira, to the estate

that is his inheritance and destiny, Nori finds in him an unlikely ally with whom she forms a powerful bond—a bond their formidable grandparents cannot allow and that will irrevocably change the lives they were always meant to lead. Because now that Nori has glimpsed a world in which perhaps there is a place for her after all, she is ready to fight to be a part of it—a battle that just might cost her

everything. Spanning decades and continents, *Fifty Words for Rain* is a dazzling epic about the ties that bind, the ties that give you strength, and what it means to be free.

Black Rose
Penguin
#1 New York Times bestselling author Nora Roberts completes the *Inn BoonsBoro* trilogy with a novel of starting over and star-crossed love. Ryder is the hardest Montgomery brother to

figure out—with a tough-as-nails exterior and possibly nothing too soft underneath. He's surly and unsociable, but when he straps on a tool belt, no woman can resist his sexy swagger. Except, apparently, Hope Beaumont, the innkeeper of his own *Inn BoonsBoro*... The former manager of a D.C. hotel, Hope is now where she wants to be—except for in her love life. Her only

interaction with the opposite sex has been sparring with the infuriating Ryder, who always seems to get under her skin. Still, no one can deny the electricity that crackles between them...a spark that ignited with a New Year's Eve kiss. While the inn is running smoothly, thanks to Hope's experience and unerring instincts, her big-city past is about to make an unwelcome—and

embarrassing—appearance. Seeing Hope vulnerable stirs Ryder's emotions and makes him realize that while Hope may not be perfect, she just might be perfect for him...
