This text presents a perspective on the role that literature plays in our lives, shaping our feelings, thoughts and cultures. It encourages a variety of personal and analytic responses to literature and literary non-fiction with its thematic focus and its wide range of genres, cultures, disciplines and assignments. Two introductory chapters on reading, journal writing and writing as processes of discovery are followed by chapters on the four genres of literature that fully explain and illustrate the process of writing about literature within the context of student casebooks. Six thematic chapters provide a collection of readings and engaging writing topics.

HEARINGS

John Wiley & Sons Ignatius Critical Editions (ICE) Study Guides are constructed to aid the reader of ICE classics to achieve a level of critical and literary appreciation befitting the works themselves. They give introductions and summaries, followed up with in-depth considerations of key critical moments and themes, plus lists of points to ponder while reading. Finally, they include questions to test the students' knowledge of the text and ability to go from that knowledge to wider or higher conclusions about the works and their relation to reality. Ideally suited for students themselves and as a guide for teachers, the ICE Study Guides serve as a complement to the treasures of critical

appreciation already included in ICE titles.

Rosencrantz and Guildenstern Are Dead is a play which, as it were, takes place in the wings of Hamlet, and finds both humour and poignancy in the situation of the ill-fated attendant lords. The National Theatre production in April 1967 made Tom Stoppard's reputation virtually overnight. Its wit, stagecraft and verbal verve remain as exhilarating as they were then and the play has become a contemporary classic. 'One of the most original and engaging of post-war plays.' Daily Telegraph
