JOINED BY BLOOD. BOUND BY DESTINY.
Reeling from Cassiel's confession, Dyna struggles to understand what the Blood Bond means for them both, all the while trying to stay one step ahead of a new found enemy. When reuniting with a familiar sorceress, she realizes the only way to defeat Tarn is to find her Guardians-all of them. Cassiel never meant to tie himself to a human,

especially one that inexplicably draws him. But then the bond develops a startling change, and it puts into question everything he thought he knew. Zev straddles the line between human and wolf, unsure if his dark thoughts truly belong to the Madness. It's growing stronger, determined to take over-and he may just let it. The journey to get the answers they each need will test them all. But what Dyna doesn't know is that it comes with a price, and it may cost more than she bargained for.

The Disasters Berkley

A New York Times–bestselling trilogy about the ancient Greek kingdom of Macedon and its leader from an author hailed by Hilary Mantel as “a shining light.” *Fire from Heaven* is a gripping account of the formative years of Alexander’s life. The story tells of his complex relationship with his parents; of his two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaistion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great first takes someone’s life at age twelve and swiftly eliminates his rivals as soon as he comes to power, emerging in this novel as a captivating and complex figure. The iconic *Persian Boy* centers on the Macedon king as seen through the eyes of his lover and most faithful attendant, the eunuch Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted.

This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on his life abound. The result is a riveting account of a great conqueror’s years of triumph and, ultimately, heartbreak. In *Funeral Games*, a bloody struggle for power rages after the death of Alexander, leaving an empire that extends from the Adriatic Sea to the Indus River. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander’s disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us

through an alien landscape that moves and delights us.” —Hilary Mantel

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother’s estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he’s the type of man who’s best handled at a distance. Fortunately, space shouldn’t be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we’re left alone. We’re liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What’s worse? He knows it. They say you should keep your enemies

close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

If they're to see their way through, the pair must learn to share their secrets—and their hearts. ASHLEIGH | A FASHIONABLE INDULGENCE | A SEDITIOUS AFFAIR | A GENTLEMAN'S POSITION Praise for An Unseen Attraction "A particular pleasure of [K. J.] Charles's work is spending time with her articulate (and often scathing) protagonists, who skewer their interlocutors and make agonizing admissions with fluency that is a joy to behold. Now, in contrast, comes Clem. . . . Rowley has no problem with words; he simply chooses not to reveal his well-armored heart. What they see in each other is a generosity of spirit revealed in everyday gestures."—Publishers Weekly (starred review) "K. J. Charles is a superb storyteller and has once again crafted both an intriguing and engrossing story and a tender romance between two well-drawn protagonists whose unique personality traits inform their emotional and sexual relationships. Add to that the way she so thoroughly immerses the reader in the sights, sounds and smells of Victorian London, and the strong cast of secondary characters—some of whom will star in future books—and it's fair to say that she's got another winning series on her hands."—All About Romance Includes an excerpt from another Loveswept title.
