 Noemi Morales ... English. By (author)
 Kenneth A. Solen , By (author) John N.
 Harb. Share. Students will be led step-by-
 step through a chemical engineering
 project that illustrates important aspects
 of the discipline and how they are
 connected. At each step, they will be
 presented with a new aspect of chemical
 engineering and have the opportunity to
 use what they have learned to solve
 engineering problems and make
 engineering decisions. Introduction to
 Chemical Engineering : Kenneth A. Solen
 ... This concise book is a broad and highly
 motivational introduction for first-year
 engineering students to the exciting of
 field of chemical engineering. The material

in the text is meant to precede the
 traditional second-year topics. It provides
 students with, 1) materials to assist them
 in deciding whether to major in chemical
 engineering; and 2) help for future
 chemical engineering majors to
