Sam Raimi's *The Evil Dead* (1982) is one of the most inventive and energetic horror movies of the last 40 years. Released during a period in which the stalk-and-slash cycle had blunted the horror genre of much of its creative edge, Raimi's debut feature transcends its small budget and limited resources to deliver a phantasmagoric roller-coaster ride, a wildly absurd and surreal assault on the senses. Still original enough to stand on its own and be considered as a genre classic, this book will explain its long-lasting appeal and impact. After detailing the unique circumstances of its

origin, Lloyd Haynes goes on to analyse key aspects of the film's abiding success. *The Evil Dead* is one of a number of horror films which locate their terrors in a single setting and limited time frame. Haynes argues that it creates a 'bad dream' effect in which the nightmare is never-ending and increasingly horrific, and how the cabin-in-the-woods location is also a fine example of the 'bad place' motif which stretches back to the Gothic novels of the 18th century. The book goes on to consider what character traits Ash Williams, *The Evil Dead*'s 'macho' male hero, shares with Carol Clover's 'Final Girl' model and how effective he is as a 'Final Guy'. Finally, it explores the critical approaches to the film, in particular its notorious reputation in Britain as a

'video nasty'.

How did Dana Scully become a skeptic? The X-Files Origins has the answers in this young adult, science-fiction origin story by New York Times-best-selling author Jonathan Maberry. In the spring of 1979, fifteen-year-old Dana Scully has bigger problems than being the new girl in school. Dana has always had dreams. Sometimes they've even come true. Until now, she tried to write this off as coincidence. But ever since her father's military career moved the family across the country to Craiger, Maryland, the dreams have been more like visions. Vivid, disturbing, and haunted by a shadowy figure who may be an angel . . . or the devil. When a classmate who recently died in a car accident appears

before Dana, her wounds look anything but accidental. Compelled by a force she can't name, Dana uncovers even more suspicious deaths—and must face the dangerous knowledge that evil is real. But when a betrayal of faith makes her question everything, she begins to put her faith in being a skeptic. An Imprint Book

Essential reading for business leaders and policymakers, an in-depth investigation of red teaming, the practice of inhabiting the perspective of

potential competitors to gain a strategic advantage Red teaming. The concept is as old as the Devil's Advocate, the eleventh-century Vatican official charged with discrediting candidates for sainthood. Today, red teams are used widely in both the public and the private sector by those seeking to better understand the interests, intentions, and capabilities of institutional rivals. In the right circumstances, red teams can yield impressive results, giving businesses an edge over their competition, poking holes in vital intelligence estimates, and troubleshooting dangerous military missions long before boots are on the ground. But not all red teams are created equal; indeed, some cause more damage than they prevent. Drawing on a fascinating range of case studies, Red

Team shows not only how to create and empower red teams, but also what to do with the information they produce. In this vivid, deeply-informed account, national security expert Micah Zenko provides the definitive book on this important strategy -- full of vital insights for decision makers of all kinds.

This book gives a peek into a world that has disappeared, of nonyas and babas, oriental potentates, White Judges and Red anarchists. Fans of 1930s crime fiction authors such as Agatha Christie

and Dorothy Sayers and those interested in legal stories will enjoy the intrigue and chuckle at the means, all legal, by which Dennis and his boss solve and win their cases. By virtue of its setting, the book also appeals to those interested in Singapore's colonial history and the cultural and race relations that prevailed at that time.

A revolution is waged against a totalitarian regime in this "courageous"

novel of a dystopian near-future America by a #1 New York Times–bestselling author (Chicago Tribune). In the heart of Philadelphia, insurgent Andrew Durant has been nursing a festering rage. And he’s not alone. Through underground networks, he’s found himself among a secret thousands, building an army called the Minute Men. They’re readying themselves for war to reclaim what was once America. In the nation now known as the Democracy, independent thought is a thing of the past. The Constitution is waste paper. A conscienceless president has been appointed by the military—for life. The government has co-opted farmland crops. Citizens are divided between two classes: wealthy corporations and the destitute. Areas of the country devastated by war or natural

disaster remain unchecked. On behalf of national security, neighbors are instructed to spy on one another. Exposing those who are undemocratic is law. And all dissenters are eliminated. Durant, the chosen agent for the poverty-stricken rural Democracy, finds himself increasingly isolated and afraid. Mobilizing revolutionaries has become a dangerous tactic; the Minute Men have their own traitors, infiltrators assigned to undo everything Durant and his men are fighting to conquer. Now, the rebels have only their beliefs left to trust. A stunning dystopian vision in the tradition of George Orwell’s 1984 and Ayn Rand’s Anthem, *The Devil’s Advocate* is author Taylor Caldwell’s “tour de force” (Kirkus Reviews). More than a half-century after its original publication, it is timelier than

ever. This ebook features an illustrated biography of Taylor Caldwell including rare images from the author's estate. The Devil's Advocate Hachette UK "A triumphantly moving book." —Kirkus Reviews, starred review Hannah dreads going to her family's Passover Seder—she's tired of hearing her relatives talk about the past. But when she opens the front door to symbolically welcome the prophet Elijah, she's transported to a Polish village in the year 1942. Why is she there, and who is this "Chaya" that everyone seems to think she is? Just as she begins to unravel the mystery, Nazi soldiers come to take everyone in the village away. And only Hannah knows the unspeakable horrors that await. A critically acclaimed novel from multi-award-winning author Jane

Hurst's much loved 1951 adaptation of A Christmas Carol, Scrooge, through the prism of horror cinema, arguing that the film has less in common with cosy festive tradition than it does with terror cinema like James Whale's Bride of Frankenstein, Robert Weine's The Cabinet of Dr. Caligari, and F.W. Murnau's Faust. Beginning with Charles Dickens himself, a prolific writer of ghost stories, with A Christmas Carol being but one of many, Colin Fleming then considers earlier cinematic adaptations including 1935's folk-horror-like Scrooge, before offering a full account of the Hurst/Sim version, stressing what must always be kept at the forefront of our minds: this is a ghost story.

John Mortimer was a promising barrister who married a successful novelist (Penelope Mortimer) and then started writing himself. At first he wrote plays, most famously the autobiographical A VOYAGE ROUND MY FATHER, about his blind barrister father. Alec Guinness, Laurence Olivier and Michael Redgrave were among those who played the role. But it was Mortimer's creation of Rumpole of the Bailey, the irascible

barrister created on TV by Leo McKern, which catapulted him to wider fame and fortune, as his career as a novelist and screenwriter took off. He is credited with the hugely successful TV adaptation of Evelyn Waugh's Brideshead Revisited (Olivier, Jeremy Irons, Anthony Andrews, Toyah Wilcox) and then Summers Lease (John Gielgud), based on his own story. Meanwhile he had become increasingly well-known as a lawyer. His most famous case was his (initially unsuccessful) defence of two of the three editors of the underground magazine Oz on a charge of obscenity in 1971.
