The world stands so  
dazzled by India's  
meteoric economic rise  
that we hesitate to  
acknowledge its  
consequences to the  
people and the  
environment. In  
Churning the Earth,  
Aseem Shrivastava and  
Ashish Kothari engage  
in a timely enquiry of  
this impressive growth  
story. They present  
incontrovertible  
evidence on how the  
nature of this recent  
growth has been  
predatory and question  
its sustainability.  
Unfettered  
development has  
damaged the  
ecological basis that  
makes life possible for

hundreds of millions resulting in conflicts over water, land and natural resources, and increasing the chasm between the rich and the poor, threatening the future of India as a civilization. Rich with data and stories, this eye-opening critique of India's development strategy argues for a radical ecological democracy based on the principles of environmental sustainability, social equity and livelihood security. Shrivastava and Kothari urge a fundamental shift towards such alternatives—already emerging from a range of grassroots movements—if we are to forestall the descent into socio-ecological chaos. Churning the Earth is unique in presenting not only

what is going wrong in India, but also the ways out of the crises that globalised growth has precipitated. *Full House* Popular Prakashan  
A 2015 William C. Morris YA Debut Award Finalist Magical realism, lyrical prose, and the pain and passion of human love haunt this hypnotic generational saga. Foolish love appears to be the Roux family birthright, an ominous forecast for its most recent progeny, Ava Lavender. Ava — in all other ways a normal girl — is born with the wings of a bird. In a quest to understand her peculiar disposition and a growing desire to fit in with her peers, sixteen-year old Ava ventures into the wider world, ill-prepared for what she might

discover and naive to the twisted motives of others. Others like the pious Nathaniel Sorrows, who mistakes Ava for an angel and whose obsession with her grows until the night of the summer solstice celebration. That night, the skies open up, rain and feathers fill the air, and Ava's quest and her family's saga build to a devastating crescendo. First-time author Leslye Walton has constructed a layered and unforgettable mythology of what it means to be born with hearts that are tragically, exquisitely human.

Spiritual Gems HMH Books For Young Readers

What would it feel like to never forget? Or to have a memory stolen? Seventeen-year-old Genesis Lee has never forgotten anything. As one of the Mementi—a small group of genetically enhanced humans—Gena remembers everything with the help of her Link bracelets, which preserve them perfectly. But Links can be stolen, and six people have already lost their lives to a memory thief, including Gena's best friend. Anyone could be next. That's why

Gena is less than pleased to meet a strange but charming boy named Kalan who claims not only that they have met before, but also that Gena knows who the thief is. The problem is that Gena doesn't remember Kalan, she doesn't remember seeing the thief, and she doesn't know why she's forgetting things—or how much else she might forget. As growing tensions between Mementi and ordinary humans drive the city of Havendale into chaos, Gena and Kalan team up to search for the thief. And as Gena loses more memories, they realize they have to solve the mystery fast...because Gena's life is unhappening around her. Sky Pony Press, with our Good

Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. Childrens Press  
Jake likes the back of  
the classroom.  
Amongst desks,  
diverse faces and  
decorated walls, he

can blend in, at least  
on most days. But  
today is not most days.  
Today is presentation  
day, and on  
presentation day, even  
the timid face the  
spotlight. Those like  
Jake, who are not only  
timid, but have  
something to hide,  
must be careful. One  
misstep could reveal  
his big secret- that he  
has a fin, a fin that he  
tapes down beneath  
his shirt every day to  
avoid public ridicule.  
Sadly, you can't plan  
for everything.  
Missteps occur, and  
when they do, Jake  
must either stand small  
or stand tall. By  
standing tall, he learns  
that confronting your  
insecurities shapes you  
more than any  
protruding back  
appendage ever  
could. It also shapes  
others. Inspired by

Jake's courage, fellow students follow his lead and share their own secrets. By the end of class, the fin that weighed Jake down lifts everyone up.

### Hiroshima

HarperCollins

A revealing and dramatic chronicle of the twelve months leading up to Dr. Martin Luther King, Jr.'s assassination. Martin Luther King, Jr. died in one of the most shocking assassinations the world has known, but little is remembered about the life he led in his final year. New York Times bestselling author and award-winning broadcaster Tavis Smiley recounts the final 365 days of King's life, revealing the minister's trials and tribulations -- denunciations by the

press, rejection from the president, dismissal by the country's black middle class and militants, assaults on his character, ideology, and political tactics, to name a few -- all of which he had to rise above in order to lead and address the racism, poverty, and militarism that threatened to destroy our democracy. Smiley's *Death of a King* paints a portrait of a leader and visionary in a narrative different from all that have come before. Here is an exceptional glimpse into King's life -- one that adds both nuance and gravitas to his legacy as an American hero.

Perfect for fans of Let It

Snow, this irresistible collection of wintry love stories is guaranteed to bring on the warm fuzzies. *Fame, Fate, and the First Kiss* Penguin UK #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new

and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love.  Picking Winning Lottery  
 Numbers can be hard.  
 Many people have  
 complicated  
 mathematical systems  
 that use historical data  
 (maybe a birthday, or  
 what they are lucky  
 numbers). Some  
 people use the same  
 numbers every time  
 they play. Others just  
 let the system spit out  
 random numbers. Very  
 often the results are

disappointing or totally  
 random. This book  
 goes back to the grand  
 tradition of fusing our  
 own dreams and  
 modern numerology--  
 coding this dream  
 imagery into usable,  
 meaningful numbers.  
 For instance, are you  
 dreaming of Pizza  
 every other night? Well  
 this could mean  
 something (apart from  
 waking up hungry  
 every morning!). Why  
 not use this in your  
 choice of number? The  
 tables in this Modern  
 Lottery Dream Book  
 will give you something  
 usable from that dream  
 to actually use in the  
 Lottery of your choice.  
 The number to choose  
 for Pizza would be 65 if  
 you are playing Power  
 Ball. In this book, you  
 will Learn how to  
 remember your  
 dreams Learn how to  
 Transcode Proper

Nouns Create complete sets of Lottery Numbers from your Dreams Over 1000 common items included - all with their own numbers \*\* While no Winning is Guaranteed, this book can make the numbers directly connect with your dreams. Tables and descriptions valid for Mega Millions (US), Powerball (US), Lotto 649 (Canada), UK National Lottery (UK), OZ Lotto (Australia), Euro Jackpot (EU) and Euro Millions (EU).

After reading Joyce Kilmer's poetry, farm boy Richard Knight begins a correspondance with the soldier-poet about his own writing, even as he worries about the war in Europe and the way people treat his German American neighbor, Hannah.

### **Grand-papa's Arithmetic** Midnight Sun

In an age of unbridled American enthusiasm and towering industrial might, the GM Motorama was a dazzling and elegant show that was unlike any automotive event before it or since. General Motors staged extravagant and

elaborate Motorama shows that rivaled some fashion shows. It showcased some of the most revolutionary and innovative prototype and dream cars ever built. And it captured the imagination of the car-buying public from 1950 to 1961.

Motorama expert and experienced author David Temple has comprehensively researched the show, the cars, and the personalities to create a fascinating new story with many new photos of these magnificent cars. Because television was in its infancy, GM's President Alfred Sloan believed that the Motorama was the most effective way to market GM products and design prowess. Legendary stylist Harley Earl led a talented group of

designers and engineers to dream up, style, and develop some of the most remarkable prototype cars of all time. While current production Buick, Chevy, Cadillac, and Pontiac cars were showcased, the bold, radical, awe-inspiring prototype and dream cars stole the show. These included the GM Le Sabre, replete with aerospace design and an aluminum engine; the fiberglass-bodied Corvette dream car, which went into production after overwhelmingly positive response; and the jet engine-powered Firebird. Temple goes into fascinating detail on the body, frame, engine, drivetrain, and all the special features of each model. He has also retraced the ownership histories of

some of these cars. Within the pages of this volume, you get to relive this glorious era of automotive history and revisit the advanced show cars that inspired so many new models. This book features fascinating period photography of Motorama cars at the show, in development, and at different locales. No other automotive show rivaled the Motorama for stunning productions and awe-inspiring cars, which makes this a must-have book.

**The Latter Being Entirely New** Little, Brown  
Beloved author Kasie West brings her signature witty banter

and rom-com fun to a bold, fresh format. Think *Four Weddings and a Funeral* for YA. One year. Nine events. Nine chances to . . . fall in love? Weddings. Funerals. Barbecues. New Year's Eve parties. Name the occasion, and Sophie Evans will be there. Well, she has to be there. Sophie works for the local florist, so she can be found at every big event in her small hometown, arranging bouquets and managing family dramas. Enter Andrew Hart. The son of the fancy new chef in town, Andrew is suddenly required to attend all the same events as Sophie. Entitled, arrogant, preppy Andrew. Sophie just wants to get her job done and finish up her sketches so she

can apply to design school. But every time she turns around, there is Andrew, getting in her way and making her life more complicated. Until one day she wonders if maybe complicated isn't so bad after all . . . Told over the course of one year and following Sophie from event to event, this delightful novel from master of romantic comedy Kasie West shows how love can blossom in unexpected places.

### **FOUR DAYS OF YOU AND ME**

Diamond Pocket Books Pvt Ltd  
- Evocative photographs of one of the world's most famous pilgrimages - All 88 temples illustrated and discussed - Includes accounts by

former pilgrims The Shikoku Pilgrimage on the island of the same name is one of the few circular pilgrimages in the world. At 1,200 kilometers in length, the trail includes 88 temples and passes through diverse countryside such as idyllic bamboo groves, deserted beaches and ordinary Japanese neighborhoods. There is a long tradition of pilgrimage in Japan, dating back at least to the time of the renowned monk, poet and philosopher Kobo Daishi (774-825) who is particularly associated with this trail. John Lander, long-time resident of Japan,

author and photographer, has visited and recorded every temple in evocative images, as well as providing fascinating details about the origin of the trail and what the pilgrimage means to the thousands who undertake it every year. The pilgrimage is undertaken for many reasons - to have a time of reflection away from everyday life, as a spiritual journey or as a healing period after a traumatic life experience. Along the way, pilgrims will encounter ordinary Japanese people and learn to understand the custom of o-settai, or charitable giving.
