For Macallan and Levi, it
was friends at first sight.

Everyone says guys and girls can't be just friends, but these two are. They hang out after school, share tons of inside jokes, their families are super close, and Levi even starts dating one of

Macallan's friends. They are platonic and happy that way. Eventually they realize they're best friends -- which wouldn't be so bad if they didn't keep getting in each other's way. Guys won't

ask Macallan out because they think she's with Levi, and Levi spends too much time joking around with Macallan, and maybe not enough time with his date. They can't help but wonder . . . are they more than friends or are they better off without making it even more complicated? From romantic comedy superstar Elizabeth Eulberg comes a fresh, fun examination of a question for the ages: Can guys and girls ever really be just friends? Or are they always one fight away from not speaking

again -- and one kiss away from true love?

 You've probably heard about Bitcoin on the news or heard it being discussed by your friends or colleagues. How come the price keeps changing? Is Bitcoin a good investment? How does it even have value? Why do people keep talking about it like it's going to change the world? The Little Bitcoin Book tells the story of what's wrong with money today, and why Bitcoin was invented to provide an alternative to

the current system. It describes in simple terms what Bitcoin is, how it works, why it's valuable, and how it affects individual freedom and opportunities of people everywhere - from Nigeria to the Philippines to Venezuela to the United States. This book also includes a Q & A section with some of the most frequently asked questions about Bitcoin. If you want to learn more about this new form of money which continues to gain interest and adoption around the world, then

this book is for you.

The Giver Disney-Hyperion

When she arrives in the desert nation of Tarakhar, volunteer teacher Cassie is abducted by evil men and offered as a dancer to a strange man. She attacks them in an attempt to escape, but they restrain her with their powerful arms. The man she was given to is Sheikh Amir, a true king! When he learns of her situation, he promises to let her go, but she must pretend to be his mistress to ensure her safety. As

the two spend their nights alone together, Cassie finds herself drawn to the noble man, even though he already has a beautiful fiancée!

The Mexican Drug Lords And Their Godfathers Sourcebooks, Inc.

In the 1950s, tensions remain high in the border town of La Frontera. Penny loafers and sneakers clash with boots and huaraches. Bowling shirts and leather jackets compete with guayaberas. Convertibles fend with motorcycles. Yet amidst

the discord, young love blooms at first sight between Fulgencio Ramirez, the son of impoverished immigrants, and Carolina Mendelssohn, the local pharmacist's daughter. But as they'll soon find out, their bonds will be undone by a force more powerful than they could have known. Thirty years after their first fateful encounter, Fulgencio Ramirez, RPh, is conducting his daily ritual of reading the local obituaries in his cramped pharmacy office. After

nearly a quarter of a century of waiting, Fulgencio sees the news he's been hoping for: his nemesis, the husband of Carolina Mendelssohn, has died. A work of magical realism, *The Resurrection of Fulgencio Ramirez* weaves together the past and present as Fulgencio strives to succeed in America, break a mystical family curse, and win back Carolina's love after their doomed youthful romance. Through enchanting language and meditations about the porous nature

of borders—cultural, geographic, and otherworldly—*The Resurrection of Fulgencio Ramirez* offers a vision of how the past has divided us, and how the future could unite us. [Harry Potter and the Sorcerer's Stone](#) National Geographic Books Fred Neville, also known as Justin Groch, a lieutenant of cavalry and heir to the earldom of Scroope, woos and then seduces the beautiful Kate O'Hara. Kate lives with her mother in genteel poverty in an

isolated cottage near the cliffs of Moher in western Ireland. News of the romantic entanglement quickly reaches Scroope Manor, and Fred is summoned back to Dorsetshire where the earl extracts a firm undertaking that Fred will not marry Kate O'Hara under any circumstances, despite any promises he has made to the girl. Once back in Ireland, Fred is confronted at his barracks by Mrs. O'Hara, demanding to know when he intends to marry her daughter, who is carrying

his baby. He is shamed into agreeing to visit Kate, but that evening word arrives that the old Earl has died, and that Fred is now the Earl of Scroope. Fred realizes that marriage to Kate O'Hara is out of the question as her background would make her quite unacceptable in society. He resolves to confront Mrs. O'Hara and her unfortunate daughter. The climax of the novel takes place between the young earl and Mrs. O'Hara on the cliffs above the cottage. Whilst acknowledging the

promises he made to Kate, Fred steadfastly refuses to make her Countess of Scroope. A frenzied Mrs. O'Hara attacks the lord, driving him backwards over the cliff edge to his death. Realizing she has killed the man her daughter loves, she instantly falls insane. Fred Neville's brother, Jack, inherits the earldom and pays for Mrs. O'Hara's incarceration in an English mental asylum where she endlessly repeats the words "An eye for an eye, and a tooth for a tooth. Is it not the law?"

Thorn, an outlaw's son, wasn't supposed to be a slave. He never should have run away from home, leaving his mother and siblings to fend for themselves. Now he's been sold to Tyburn, an executioner, and they're headed to Castle Gloom in Gehenna, the land of undead, where Thorn will probably be fed to a vampire. Lilith Shadow wasn't supposed to be

ruler of Gehenna. But on the terrible day her father, mother, and brother were killed, young Lily became the last surviving member of House Shadow, a long line of dark sorcerers. Her country is surrounded by enemies and the only way she can save it is by embracing her heritage and practicing the magic of the undead. But how can she when, as a girl, magic is forbidden to her? Just when it looks like Lily will have to leave her home forever, Thorn arrives at Castle Gloom. A

sudden death brings them together, inspires them to break the rules, and leads them to soar to new heights in this fantasy with all the sparkle and luster of a starry night sky. Advance Praise:"If you are pining for that thrill you felt when you first discovered Harry Potter, let me recommend SHADOW MAGIC. Here is a fantasy world you will lose yourself in--with Six Great Families of magic, the nicest princess of darkness you've ever met, a peasant boy with skills to rival Robin Hood, and a

supporting cast of zombies, paladins, ghost puppies, executioners, minstrels, murderers, and a giant hero bat. I defy you not to love this story."--Rick Riordan "Zestful, dynamic and addictive, SHADOW MAGIC is storytelling at its most exuberant. Joshua Khan sweeps you up on the very first page and never lets you go. Close shaves, high adventure, wild fantasy, and giant bats--this book has it all. I haven't had this much fun in ages. Sit back and enjoy the ride!" --

Jonathan Stroud "Great, in-depth, unusual world-building coupled with funny, down-to-earth writing. Just call me Joshua Khan's number one fan."-Sarah Rees Brennan "There's plenty of magic to be found in SHADOW MAGIC--necromancy, giant bats, ghosts!--but the real enchantment is the spell it weaves around the reader. I'd battle a whole army of the dead just to get to spend more time in Castle Gloom and the world Joshua Khan has created."--Rachel Hawkins "An executioner's

apprentice, an embattled queen of shadows, and a royal hostage join forces toward a common goal--survival in a treacherous world of monsters and magic. SHADOW MAGIC is like the best of haunted house adventures--a dark and twisty thrill ride with just the right amount of creepy humor."--Cinda Williams Chima

 ** NEW YORK TIMES
 BESTSELLER! ** Ready to take the next step toward living in alignment with the Universe? The #1 New

York Times best-selling author of The Universe Has Your Back shows you how. In Super Attractor, Gabrielle Bernstein lays out the essential steps for living in alignment with the Universe--more fully than you've ever done before. "I've always known that there is a nonphysical presence beyond my visible sight," Gabby writes. "All my life I've intuitively tuned in to it and used it as a source for good. . . . What we call it is irrelevant. Connecting to it is imperative." Super Attractor is a manifesto

for making that connection and marrying your spiritual life with your day-to-day experience. In these pages, you'll learn to: * Move beyond dabbling in your practice, when it's convenient, to living a spiritual life all the time * Take practical steps to create a life filled with purpose, happiness, and freedom * Feel a sense of awe each day as you witness miracles unfold * Release the past and live without fear of the future * Tap into the infinite source of abundance, joy,

and well-being that is your birthright * Bring more light to your own life and the world around you This book is a journey of remembering where your true power lies. You'll learn how to co-create the life you want. You'll accept that life can flow, that attracting is fun, and that you don't have to work so hard to get what you want. Most important, you'll feel good. And when you feel good, you'll give off a presence of joy that can elevate everyone around you. After reading this book, you will know

how to fulfill your function: to be a force of love in the world.

THE LITTLE BITCOIN BOOK

Simon and Schuster
Leo Tolstoy's classic story of doomed love is one of the most admired novels in world literature. Generations of readers have been enthralled by his magnificent heroine, the unhappily married Anna Karenina, and her tragic affair with dashing Count Vronsky.

The cowboys, strippers, labourers and magicians of Pilgrims are all on their way to being somewhere, or someone, else. Some are browbeaten and world-weary, others are deluded and naïve, yet all seek companionship as fiercely as they can. A tough East Coast girl dares a western cowboy to run off with her; a matronly bar owner falls in love with her nephew; an innocent teenager falls hopelessly for the local bully's sister. These are tough heroes and

heroines, hardened by their experiences, who struggle for their epiphanies. Yet hope is never far away and though they may act blindly, they always act bravely. Sharply drawn and tenderly observed, Pilgrims is filled with Gilbert's inimitable humour and warmth. Stories of the Dogs Who Changed My Life Harlequin

The Last Princess Penguin
Random House
Turning the envelope over, his hand trembling, Harry saw a purple wax seal bearing a coat of arms; a lion, an eagle, a badger and a snake

surrounding a large letter 'H'. Harry Potter has never even heard of Hogwarts when the letters start dropping on the doormat at number four, Privet Drive. Addressed in green ink on yellowish parchment with a purple seal, they are swiftly confiscated by his grisly aunt and uncle. Then, on Harry's eleventh birthday, a great beetle-eyed giant of a man called Rubeus Hagrid bursts in with some astonishing news: Harry Potter is a wizard, and he has a place at Hogwarts School of

Witchcraft and Wizardry. An incredible adventure is about to begin! Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

A Novel of the Coming Collapse Houghton Mifflin Harcourt

From the New York Times bestselling author of The

Giver of Stars, discover the love story that captured over 20 million hearts in *Me Before You*, *After You*, and *Still Me*. "You're going to feel uncomfortable in your new world for a bit. But I hope you feel a bit exhilarated too. Live boldly. Push yourself. Don't settle. Just live well. Just live. Love, Will." How do you move on after losing the person you loved? How do you build a life worth living? Louisa Clark is no longer just an ordinary girl living an ordinary life. After the

transformative six months spent with Will Traynor, she is struggling without him. When an extraordinary accident forces Lou to return home to her family, she can't help but feel she's right back where she started. Her body heals, but Lou herself knows that she needs to be kick-started back to life. Which is how she ends up in a church basement with the members of the Moving On support group, who share insights, laughter, frustrations, and terrible cookies. They will also

lead her to the strong, capable Sam Fielding—the paramedic, whose business is life and death, and the one man who might be able to understand her. Then a figure from Will's past appears and hijacks all her plans, propelling her into a very different future. . . . For Lou Clark, life after Will Traynor means learning to fall in love again, with all the risks that brings. But here Jojo Moyes gives us two families, as real as our own, whose joys and sorrows will touch you

deeply, and where both changes and surprises await.
