### **CALLING ON THE COMPOSER**

Alfred Music

(Music Sales America). A compendium of the world's most beloved classical music presented in easy-to-read large print. A splendid collection of pieces that over the years have captured the heart of music lovers everywhere.

**Isaac Albéniz** Courier Corporation

In España: Six Album Leaves, Op. 165, Albéniz magically transports the listener to colorful locations, each with its own special Spanish flavor. These musical "postcards" are not particularly difficult to play, and are somewhere between the late intermediate and early advanced levels. This edition aids in interpretation through added fingerings, pedal and indications for subtle changes in tempo, which are integral to the performance of Spanish music. Dr. Kuehl-White studied in Barcelona with legendary Spanish pianist Alicia de Larrocha, who provided a tremendous legacy regarding the performance practice traditions of Albéniz's music. España was initially published with many errors and omissions. Over the years, editors have

produced new editions with some corrections, but little interpretive assistance. This edition not only contains numerous corrections, but also aids in interpretation through various additions in the score. Titles: \* Prélude \* Tango \* Malagueña \* Serenata \* Capricho Catalán \* Zortzico

*24 works* Hal Leonard Corporation  
 Across Europe, more than three hundred houses and museums commemorate the composers who lived and worked in them. In *Calling on the Composer*, two distinguished musicologists guide the musically curious traveler or reader to these sites and provide essential information on their content and significance. Whether lakeside hut or moated castle, clock tower or cave, village school or fine town house, the

physical context for musical genius and the artefacts of day-to-day existence have a powerful impact on how we perceive the figure behind the music we know and love. Julie and Stanley Sadie have journeyed to thirty-one countries to compile this unique travel companion and reference source. They offer practical information for the visitor, seasoned insights, and lively commentary. Richly illustrated and supported by thorough maps, the entries on individual composers trace their steps through the practicalities of life and reveal to us the context of creativity.

**For Solo Piano** Wise Publications (Piano Solo Sheets). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of

the piano part as well as in the vocal line.
