In this remarkable

story, Anna Goldsworthy recalls her journey from childhood piano lessons with a local jazz muso to a successful career as a concert pianist. As she discovers passion and ambition, and confronts doubt and disappointment, she learns about much more than technique. Piano Lessons captures the hopes and uncertainties of youth, the fear and exhilaration of performing, and the complex bonds between teacher and student. An unforgettable cast of

characters joins her: her family; her friends and rivals; and her teacher, Mrs Sivan, who inspires and challenges her in equal measure, and who transforms what seems an impossible dream into something real and sustaining.
