The House on Mango Street Penguin

In this “powerful personal story woven with a rich analysis of what we all seek” (Sergey Brin, cofounder of Google), Mo Gawdat, Chief Business Officer at Google’s [X], applies his superior logic and problem solving skills to understand how the brain processes joy and sadness—and then he solves for happy. In 2001 Mo Gawdat

realized that despite his incredible success, he was desperately unhappy. A lifelong learner, he attacked the problem as an engineer would: examining all the provable facts and scrupulously applying logic. Eventually, his countless hours of research and science proved successful, and he discovered the equation for permanent happiness. Thirteen years later, Mo’s algorithm would be put to the ultimate test. After the sudden death of his son, Ali, Mo and his family

turned to his equation—and it saved them from despair. In dealing with the horrible loss, Mo found his mission: he would pull off the type of “moonshot” goal that he and his colleagues were always aiming for—he would share his equation with the world and help as many people as possible become happier. In *Solve for Happy* Mo questions some of the most fundamental aspects of our existence, shares the underlying reasons for suffering, and plots out a step-by-step process for achieving lifelong happiness and enduring contentment. He shows us how to view life through a clear lens, teaching us how to dispel the illusions that cloud our thinking; overcome the

brain’s blind spots; and embrace five ultimate truths. No matter what obstacles we face, what burdens we bear, what trials we’ve experienced, we can all be content with our present situation and optimistic about the future.

Legendary leadership and elite performance expert Robin Sharma introduced *The 5am Club* concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you

will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5am Club* will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so

you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, *The 5am Club* is a work that will transform your life. Forever.

Now a musical! Matilda is a sweet, exceptional young girl, but her parents think she's just a nuisance. She expects school to be different but there she has to face Miss Trunchbull, a menacing, kid-hating headmistress. When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back. It'll take a

superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it! Here is Roald Dahl's original novel of a little girl with extraordinary powers. This much-loved story has recently been made into a wonderful new musical, adapted by Dennis Kelly with music and lyrics by Tim Minchin.

George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times.

Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the

"Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

Emociones:

“Dominadas por un alma que ha estado triste y vacía”, es un libro donde el autor expresa como ha sentido descontrol y logrado el mismo de alguna de sus emociones, indicando como fue su estado sentimental con estas. Como todo ocurre por algo, en el contexto donde se desenvuelven estas emociones el autor las sitúa en el momento después de haber tocado fondo a través de una depresión causada por una ruptura amorosa (aparentemente la más

importante que tuvo) y algunas ocasiones anteriores de su vida. Desde aquí narra cómo son, cómo se sintió haber estado en lo profundo de la mayoría de ellas, así mismo realiza algunas reflexiones de las mismas para salir y enfrentar estas.

Golding's iconic 1954 novel, now with a new foreword by Lois

Lowry, remains one of the greatest books

ever written for young adults and an

unforgettable classic for readers of any age.

This edition includes a new Suggestions for

Further Reading by

Jennifer Buehler. At the dawn of the next world

war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Lizzie Schütz es testigo de la magia

imperecedera que rige sobre toda Etsu Euria;

un mundo donde la imposibilidad no existe,

donde las mejores historias se cuentan en

las tabernas. Una tierra en la que se tejen los

conjuros, se baila en

los festivales y se acude a batalla cuando el corazón lo demanda. A través de peligros inauditos y en compañía de extraordinarias criaturas, una joven de aciago valor se aventura por tierra, cielo y mar, a la caza del destino que le es forjado; una profecía que la lleva donde nunca antes. Karel Hänisch presenta la primera obra de la saga literaria, Las crónicas de Etsu Euria. Un viaje inolvidable se desprende de la mente del autor, permitiendo conocer de norte a sur, los rincones mágicos del continente, junto a sus muchos reinos, razas y creencias. Un mundo que abre sus puertas para conocerlo en cada detalle, desde sus plantas, sus espíritus, sus dioses y

sus deslumbrantes paisajes.

All This Time Cosimo Reports

Un joven un día descubre el significado del Kleroterion, el antiguo modelo griego de elección de los gobernantes. A partir de ahí busca rearmar "El Kleroterion" en base de una Inteligencia Artificial. Para lograr su idea, intenta robar el código de I.A que estaban desarrollando en la red social más grande del mundo. En un intento por hackear los servidores, lo atrapan y lo encarcelan. Pasa 10 largos años en la prisión pero logra compartir lo robado con otros. Cuando sale

de la prisión encuentra a su nuevo amor y juntos vuelven de nuevo a intentar hackear los servidores. En el transcurso del tiempo, ve que algunas de sus ideas están materializadas. Vuelve, pero esta vez intenta hackear la realidad. Su plan es simple: Escribir un libro y usarlo como un virus para poder transmitirle a todos el olvidado Kleroterion. Su meta final es terminar con todos los partidos políticos, a partir de ese momento nadie va a poder votar por ningún candidato. Todos pueden ser posibles ganadores. El ganador va a ser elegido por "El Kleroterion". La necesidad de hacer política estará completamente aniquilada, no habiendo más

confrontaciones políticas. El libro se convierte en un best seller y pronto firma un contrato para hacer la película "El Kleroterion". En poco tiempo, todo el mundo tiene conocimiento sobre "El Kleroterion". Poco tiempo después, las elites del mundo deciden probar ese sistema en Argentina. En el Año 2027, las elecciones de Argentina se realizan bajo el control de la I.A y el programa "El Kleroterion", funcionando como él lo había programado: Los valores humanos valen más que los valores materiales. Ya nadie podría seguir gobernando para siempre. El verdadero cambio ha sucedido, habría que esperar a ver qué ocurre después de las elecciones.
