Huckleberry Finn Study  
Guide Eye On Education  
Adventures of  
Huckleberry Finn (often  
shortened to Huck Finn) is  
a novel written by  
American humorist Mark  
Twain. It is commonly  
used and accounted as  
one of the first Great  
American Novels. It is also  
one of the first major  
American novels written  
using Local Color  
Regionalism, or  
vernacular, told in the first

person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the

time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.
