BoneMan's Daughters Center Street  
New York Times bestselling author Ted Dekker brings an exotic tale of adventure and creates his most memorable character

ever. The story of how I, Julian Carter, and my precious two-year old son, Stephen, left Atlanta Georgia and found ourselves on a white sailboat, tossed about like a cork on a raging sea off of Australia's northern tip in 1963, is harrowing. But it pales in comparison to what happened deep in the jungle where I was taken as a slave by a savage tribe unknown to the world. Some places dwell in darkness so deep that even God seems to stay away. There, my mind was torn in two by the gods of the earth. There, one life ended so another could begin. Some will say I was a fool for making the choices I made. But they would have done the same. They, too, would have embraced death if they knew what I knew, and saw through my eyes. My name is Julian and this is my story. But more, it is the story of my son who was born to change the world. From deep in the impenetrable jungles where New York Times bestselling author Ted Dekker was born and raised, comes *OUTLAW*, an epic adventure of two worlds that perhaps only he could write. Full of harrowing twists, sweeping violence, and wild love, *Outlaw* takes us beyond the skin of this world to another unseen.

**A Novel** Thomas Nelson Inc

From the #1 best-selling fiction author comes a powerful story of good, evil, and all that lies between. Obsessed: A deadly tale of ultimate obsession. Stephen Friedman is making a good living in good times. He's just an ordinary guy. Or so he thinks. But one day an extraordinary piece of information tells him differently. It's a clue from the grave of a Holocaust survivor. A clue that makes him heir to an incredible fortune...a clue that only he and one other man can possibly understand.
