

providers, Travel tips. Tamil Nadu The sprawling metro, Chennai, the famous Meenakshi Temple of Madurai, the world heritage site of Mammalapuram, the hills resorts of Ooty and Kodaikanal and the pilgrim sites of Rameswaram and Kanyakumari are the treasures to be discovered and cherished. The dominating towering gopurams and the architecture of its temples, music, and dance are indelible cultural treasures forming its soul.

Treasures of the Dragon Routledge

A study of the lives of popular theater artists, *Stigmas of the Tamil Stage* is the first in-depth analysis of Special Drama, a genre of performance unique to the southernmost Indian state of Tamilnadu. Held in towns and villages throughout the region, Special Drama performances last from 10 p.m. until dawn. There are no theatrical troupes in Special Drama; individual artists are contracted "specially" for each event. The first two hours of each performance are filled with the kind of bawdy, improvisational comedy that is the primary focus of this study; the remaining hours present more markedly staid dramatic treatments of myth and history. Special Drama artists themselves are of all ages, castes, and ethnic and religious affiliations; the one common denominator in their lives is their lower-class status. Artists regularly speak of how poverty compelled their entrance into the field. Special Drama is looked down upon by the middle- and upper-classes as too popular, too vulgar, and too "mixed." The artists are stigmatized: people insult them in public and landlords refuse to rent to them. Stigma falls most heavily, however, on actresses, who are marked as "public women" by their participation in Special Drama. As Susan Seizer's sensitive study shows, one of the primary ways the performers deal with such stigma is through humor and linguistic play. Their comedic performances in particular directly address questions of class, culture, and gender deviations—the very issues that so stigmatize them. Seizer draws on extensive interviews with performers, sponsors, audience members, and drama agents as well as on careful readings of live Special Drama performances in considering the complexities of performers' lives both on stage and off.

Plus it features hundreds of exciting new records that mark our nation's and its people's move towards always bettering the best! ONLY IN THE LIMCA BOOK OF RECORDS 2018. READ?AND LEAD!

RBS VISITORS GUIDE INDIA - TAMIL NADU

Duke University Press

Hitherto, the academic study of Indian cinema has focused primarily on Bollywood, despite the fact that the Tamil film industry, based in southern India, has overtaken Bollywood in terms of annual output. This book examines critically the cultural and cinematic representations in Tamil cinema. It

outlines its history and distinctive characteristics, and proceeds to consider a number of important themes such as gender, religion, class, caste, fandom, cinematic genre, the politics of identity and diaspora. Throughout, the book cogently links the analysis to wider social, political and cultural phenomena in Tamil and Indian society. Overall, it is an exciting and original contribution to an under-studied field, also facilitating a fresh consideration of the existing body of scholarship on Indian cinema.

Kala Kird, Art & Artists Directory Springer

This book presents the earliest South Indian inscriptions (ca. second century B.C. to sixth century A.D.), written in Tamil in local derivations of the Ashokan Brahmi script. The work includes texts, transliteration, translation, detailed commentary, inscriptional glossary, and indexes.

Includes Madurai, Chettinad, Thanjavur, Puducherry Hachette India

In today's image-saturated culture, the visual documentation of suffering around the world is more prevalent than ever. Yet instead of always deepening the knowledge or compassion of viewers, conflict photography can result in fatigue or even inspire apathy. Given this tension between the genre's ostensible goals and its effects, what is the purpose behind taking and showing images of war and crisis? *Conversations on Conflict Photography* invites readers to think through these issues via conversations with award-winning photographers, as well as leading photo editors and key representatives of the major human rights and humanitarian organizations. Framed by critical-historical essays, these dialogues explore the complexities and ethical dilemmas of this line of work. The practitioners relate the struggles of their craft, from brushes with death on the frontlines to the battles for space, resources, and attention in our media-driven culture. Despite these obstacles, they remain true to a purpose, one that is palpable as they celebrate remarkable success stories: from changing the life of a single individual to raising broad awareness about human rights issues. Opening with an insightful foreword by the renowned Sebastian Junger and richly illustrated with challenging, painful, and sometimes beautiful images, *Conversations* offers a uniquely rounded examination of the value of conflict photography in today's world.

The international creation of typefaces after 1950 was decisively influenced by the Swiss type designer Adrian Frutiger. His Univers typeface and the machine-readable font OCR-B, which was adopted as an ISO standard, are milestones, as is his type for the Paris airports, which set new standards for signage types and evolved into the Frutiger typeface. With his corporate types, he helped to define the public profiles of companies such as the Japanese Shiseido line of cosmetics. In all he created some fifty types, including Ondine, Méridien, Avenir, and Vectora. Based on conversations with Frutiger himself and on extensive research in France, England, Germany, and Switzerland, this publication provides a highly detailed and accurate account of the type designer's artistic development. For the first time, all of his types - from the design phase to the marketing stage - are illustrated and analyzed with reference to the technology and related types. Hitherto unpublished types that were never realized and more than one hundred logos complete the picture.
