

Development Goals (MDGs), followed by Sustainable Development Goals (SDGs), have been framed by the United Nations, suggesting the world to formulate the relevant developmental policies to achieve a sustainable future. Constraints in Achieving Sustainability of India gives an in-depth discussion on major issues and challenges India is facing towards realization of the sustainable development. Purpose of the book is to develop, contribute, and disseminate scientific knowledge pertaining to the issues related to sustainable development. The chapters are developed so that the contents can facilitate comprehension of the major constraints in achieving sustainability including but not limited to environmental, social, economic, and governance-related issues from local, regional, to national level. Resource management, climate change, agriculture, population, education, women, poverty, infrastructure, crime, corruption, governance, are the other relevant topics that have been both identified and suitably discussed. Constraints in Achieving Sustainability of India can be utilized as a guiding tool for realizing sustainability in development, especially, in the Indian context. The book covers environmental, social and economic dimensions of sustainability in Indian context with ample case studies from local communities to highlight impact of various dimensions. Table of Contents: Preface Contributors 1. Introduction and Overview 2. Sustainable Development: concept, components and history 3. THE ART OF BEING HUMAN

EduGorilla Community Pvt. Ltd.

This book provides a focused and comprehensive overview of the status of children across society, with special reference to emerging features and measures of child safety, welfare, and overall well-being. The book is arranged into four parts covering various dimensions of child welfare and well-being. In this second edition, highly experienced academics, researchers, child rights activities, and policymakers from both developed and developing countries have contributed chapters on topics such as status of children living under institutional care, sexual abuse of male children and tribal girl children, issues and challenges faced by children living in conflict zones, children living on the streets, COVID-19 and its impact on the education of children. The status of marginalized children gets special importance in the second edition. The new chapters include field-based experiences of researchers in protecting child rights and preventing child abuse. It also considers the promising strategies and promising future directions in enhancing effective prevention, intervention and responses to child abuse and neglect. This volume is essential for a wide range of professionals and researchers from the social sciences, law, medicine, and behavioral sciences. It is also beneficial for policymakers and law enforcement agencies working with children.

HSSC Haryana Canal Patwari Recruitment Exam 2022 | 1000+ Solved Questions (10 Mock Test + 2 Previous Year Papers) Allied Publishers

The Komagata Maru incident has become central to ongoing debates on Canadian racism, immigration, multiculturalism, citizenship and Indian nationalist resistance. The chapters presented in this book, written by established and emerging historians and scholars in literary, cultural, religious, immigration and diaspora studies, revisit the ship's ill-fated journey to throw new light on its impact on South Asian migration and surveillance, ethnic and race relations, anticolonial and postcolonial resistance, and citizenship. The book draws on archival resources to offer the first

multidisciplinary study of the historic event that views it through imperial, regional, national and transnational lenses and positions the journey both temporally and spatially within micro and macro histories of several regions in the British Empire. This volume contributes to the emerging literature on migration, mobilities, borders and surveillance, regionalism and transnationalism. Apart from its interest to scholars of diaspora and nationalism, this book will deeply resonate with those interested in imperialism, migration, transnationalism, Punjab and Sikh studies. This book was originally published as a special issue of the journal South Asian Diaspora.

The best country-by-country assessment of human rights. The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

The Wild East UCL Press

This handbook marks a key intervention in refugee studies in India—home to diverse groups of refugees, including an entire government in exile. It unravels the various socio-economic, political, and cultural dimensions of refugee issues in India. The volume examines the various legal, political, and policy frameworks for accommodating refugees or asylum seekers in India, including the Citizenship Amendment Act and the National Registry of Citizens. It evaluates the lack of uniformity in the Indian legal and political framework to deal with its refugee population and analyzes the grounds of inclusion or exclusion for different groups. Drawing from the experiences of Jewish, Tibetan, Pakistani, Bangladeshi, Sri Lankan, Afghan, and Rohingya refugees in India, it analyzes debates around marginalization, citizenship, and refugee rights. It also explores the spatial and gendered dimensions of forced migration and the cultural and social lives of displaced communities, including their quest for decent work, education, and health. The volume will be an indispensable reference for scholars, lawyers, researchers, and students of refugee studies, migration and diaspora studies, public policy, social policy and development studies.

BPSC Primary School Head Teacher Recruitment Exam 2022 | 1500+ Solved Questions [10 Full-Length Mock Tests] eBooks2go, Inc.

The Wild East bridges political economy and anthropology to examine a variety of il/legal economic sectors and businesses such as red sanders, coal, fire, oil, sand, air spectrum, land, water, real estate, procurement and industrial labour. The 11 case studies, based across India, Pakistan and Bangladesh, explore how state regulative law is often ignored and/or selectively manipulated. The emerging collective narrative shows the workings of regulated criminal economic systems where criminal formations, politicians, police, judges and bureaucrats are deeply intertwined. By pioneering the field-study of the politicisation of economic crime, and disrupting the wider literature on South Asia's informal economy, The Wild East aims to influence future research agendas through its case for the study of mafia-enterprises and their engagement with governance in South Asia and outside. Its empirical and theoretical contribution to debates about economic crimes in democratic regimes will be of critical value to researchers in Economics, Anthropology, Sociology, Comparative Politics, Political Science and International Relations, Criminologists and Development Studies, as well as to those inside and outside academia interested in current affairs and the relationship between crime, politics and mafia enterprises.

Child Safety, Welfare and Well-being Taylor & Francis
