### SHANE GARRETT

The Conservative Futurist Snow Queen Publishing  
Do you dream of wicked rakes, gorgeous Highlanders, muscled Viking warriors and rugged Wild West cowboys? Harlequin® Historical brings you three new full-length titles in one collection! MARRIED TO CLAIM THE RANCHER'S HEIR by Lauri Robinson (Western) Janette Parker lands on Gabe Callaway's doorstep with her orphaned niece, and Gabe discovers little Ruby is heir to his ranch. Gabe soon learns the only way to legitimize her claim is to marry Janette! FORBIDDEN NIGHT WITH THE HIGHLANDER Warriors of the Night by Michelle Willingham (Medieval) To avoid a betrothal, Lianna MacKinnon gives herself to an intriguing stranger. But her lover is none other than Rhys de Laurent—her betrothed—in disguise! Now there's no escaping their marriage vows...

REDEEMING THE ROGUISH RAKE by Liz Tyner (Regency) When scandalous Fenton Foxworthy is beaten and left for dead, innocent Rebecca Whitelaw mistakes him for the new village vicar. Rebecca later realizes her error...once she's been compromised into a hasty marriage! Look for Harlequin® Historical's February 2018 Box set 1 of 2, filled with even more timeless love stories! Join HarlequinMyRewards.com to earn FREE books and more. Earn points for all your Harlequin purchases from wherever you shop.  
*This is OUR City* Wipf and Stock Publishers Welcome back to Withernsea in author Andie M. Long's next supernatural romcom, this time featuring demon Lucy who is looking for love in this hilarious story of paranormal dating life. My best friend made a deal with the Devil... I now run The Supernatural Dating Agency, a discreet section of Withernsea's finest matchmaking service. Yeah, I'll do all the work while Shelley makes babies with her

gorgeous vampire husband. It's not like I've anything better to do anyway. My ex is now a newly-turned vamp struggling to accept he can no longer admire his own reflection, and I don't care what Ebony 'sees', Kim is not about to date a wolf; he has better hair than I do. Then Lucy Fir, fresh from the gates of guarding Hell, decides she wants me to find her a boyfriend. He'll need to be a Knight in shining inflammable armour with her temper. Can I find her a date, or is my new career damned before it's even started? Welcome to Withernsea and the Supernatural Dating Agency, for readers who like their humour to have bite.

### **Big Fiction** The Girl

Why Didn't Evangelicals "See Him Coming"? is a hard-hitting, clear-eyed account of how American society, the political establishment, and the rule of law reacted to a sociopath president. After Donald Trump left office, Americans didn't "see him going" either. Trump came and went, yet millions of Americans were "clueless" about what happened because of his "gaslighting tornado." An evangelical Christian author explains why Bible-believing, church-going, Jesus-talking, America-loving evangelicals, along with other Americans, listened to, were enamored by, and elected an immoral sociopath. An unlikely combination of viewpoints--psychology, law, and biblical theology--provide a surprising, coherent picture of how Donald Trump deceived and inflicted devastation on democracy. His uncanny influence is chronicled by media reporting during his four years in office and afterwards in a "shadow presidency" at Mar-a-Lago. If Trump succeeded in anything, it was deceit. Psychologists rightly attribute this to his "gaslighting"; biblical theology probes deeper, to his corrupt human nature. An FBI search warrant at Mar-a-Lago revealed the inevitable truth: Donald Trump was a thief and traitor from the beginning; the law finally caught up with a long overdue, unaccountable serial criminal for crimes that America would not tolerate.

### **WHY DIDN'T EVANGELICALS "SEE HIM COMING"?**

City Lights Publishers

Meet Renee, an up and coming professional in the world of loans and financing. She didn't come to this path easily, surviving a childhood in East Los Angeles in a single parent home with plenty of siblings to forge a less than successful path for her. But Renee saw something different out there for herself, a world full of opportunity and promise. The fact that she was a big girl never stopped her from pursuing a career, until the 10-year friendship with Robert bloomed into romance. Tall and rather lean, Robert was not at all what you would call a leading

man but Renee fell in love with Robert and he fell hard for her. Things looked promising until the Colonel, Roberts father, met Renee. All bets were off. Suddenly Renee's weight became the deal breaker. You will laugh, you will cry, but ultimately you will be fighting this battle right along with Renee, cheering her on, while she's putting on her big girl panties. Andrea M. Long

"Tim Wise is one of the great public moralists in America today. In his bracing new book, *Under the Affluence*, he brilliantly engages the roots and ramifications of radical inequality in our nation, carefully detailing the heartless war against the poor and the swooning addiction to the rich that exposes the moral sickness at the heart of our culture. Wise's stirring analysis of our predicament is more than a disinterested social scientific treatise; this book is a valiant call to arms against the vicious practices that undermine the best of the American ideals we claim to cherish. *Under the Affluence* is vintage Tim Wise: smart, sophisticated, conscientious, and righteously indignant at the betrayal of millions of citizens upon whose backs the American Dream rests. This searing testimony for the most vulnerable in our nation is also a courageous cry for justice that we must all heed."—Michael Eric Dyson, author of *The Black Presidency: Barack Obama and the Politics of Race in America* Tim Wise is one of America's most prolific public intellectuals. His critically acclaimed books, high-profile media interviews, and year-round speaking schedule have established him as an invaluable voice in any discussion on issues of race and multicultural democracy. In *Under the Affluence*, Wise discusses a related issue: economic inequality and the demonization of those in need. He reminds us that there was a time when the hardship of fellow Americans stirred feelings of sympathy, solidarity for struggling families, and support for policies and programs meant to alleviate poverty. Today, however, mainstream discourse blames people with low income for their own situation, and the notion of an intractable "culture of poverty" has pushed our country in an especially ugly direction. Tim Wise argues that far from any culture of poverty, it is the culture of predatory affluence that deserves the blame for America's simmering economic and social crises. He documents the increasing contempt for the nation's poor, and reveals the forces at work to create and perpetuate it. With clarity, passion and eloquence, he demonstrates how America's myth of personal entitlement based on merit is

inextricably linked to pernicious racial bigotry, and he points the way to greater compassion, fairness, and economic justice. Tim Wise is the author of many books, including *Dear White America* and *Colorblind*.

### **THE STREET OR ME**

Chelle Bliss

A brilliant pianist and notorious rake, Sebastian Hall indulges his passion for music and women with equal aplomb. But now that his elder brother has married, his father insists he pursue a respectable path and find a suitable wife. As a girl, Clara Whitmore quietly loved her piano teacher from afar. Yet her youthful crush cannot compare to the powerful desire she feels when she unexpectedly encounters Sebastian again. Could the man who once dominated her dreams become the husband she hopes for...and save her from the fate she most fears? \*An earlier edition of this book was published under the name Nina Rowan by Grand Central Publishing. With a dash of suspense added to the intriguing family dynamics throughout, this emotional, slow-burn love story is a great fit for fans of Lisa Kleypas and Sarah MacLean. "A beautifully written, heart-touching story about two very broken people who find a way to save each other." – Night Own Book Café "Sexy and emotionally driven...[this author] has a magical way with words that always leaves me in awe." – Sizzling Pages Book Blog The Daring Hearts Series - A Study in Seduction - A Passion for Pleasure - A Dream of Desire - 'Twas the Night Before Christmas keywords: regency romance, Victorian, marriage of convenience, London, scandal, family saga, Bridgerton, emotional romance, hot romance, top romance reads, best seller romance, for fans of: Eloisa James, Julie Garwood, Sarah M. *The New York Times Index* Center Street In the late 1950s, Random House editor Jason Epstein would talk jazz with Ralph Ellison or chat with Andy Warhol while pouring drinks in his office. By the 1970s, editors were poring over profit-and-loss statements. The electronics company RCA bought Random House in 1965, and then other large corporations purchased other formerly independent publishers. As multinational conglomerates consolidated the industry, the business of literature—and literature itself—transformed. Dan Sinykin explores how changes in the publishing industry have affected fiction, literary form, and what it means to be an author. Giving an inside look at the industry's daily routines, personal dramas, and institutional crises, he reveals how conglomeration has shaped what kinds of books and writers are published. Sinykin examines four different sectors of the publishing industry: mass-market books by brand-name authors like Danielle Steel; trade publishers that encouraged genre elements in literary fiction; nonprofits such as Graywolf that aspired to protect literature from market pressures; and the distinctive niche of employee-owned W. W. Norton. He emphasizes how women and people of color navigated shifts in publishing, arguing that writers such as Toni Morrison allegorized their experiences in their fiction. Big Fiction features dazzling readings of a vast range of novelists—including E. L. Doctorow, Judith Krantz, Renata Adler, Stephen King, Joan Didion, Cormac McCarthy, Chuck

Palahniuk, Patrick O'Brian, and Walter Mosley—as well as vivid portraits of industry figures. Written in gripping and lively prose, this deeply original book recasts the past six decades of American fiction.

### FORTHCOMING BOOKS

Orion Children's Books  
St. Louis has been the heartbeat of American soccer for years, dominating in club, high school, and college soccer. To this day, St. Louis University has the most NCAA Division I men's soccer national championship titles. Yet, in 1996, when Major League Soccer kicked off its inaugural season, there was no team to represent the Gateway to the West. How did this happen? Author Shane Stay guides you through St. Louis soccer's journey, from its past to the present, including the launch of St. Louis CITY SC. The story will start 100 years in the past and follow the major achievements—and setbacks—of St. Louis soccer. Shane recounts not only the history of soccer at the club, high school, college, and professional levels, but he also provides some helpful hints for which are the best local attractions for soccer fans, and he even goes so far as to predict the future successes of St. Louis CITY SC. This is one book soccer fans will want to have on their shelves!

The Street or Me is the true story of Judith Glynn, a divorcee who can barely make ends meet in New York City. Judith is drawn to befriend Michelle, a homeless drunk in her neighborhood. Previously a beauty queen in Italy, Michelle had come to the states when an American photographer convinced her that fame awaited. Drugs and alcohol got in the way of that dream. Putting her life aside and risking her own safety, Judith is determined to recover Michelle's dignity and return her to her family in Italy. But is Michelle too far gone, preferring street life and possible death in a gutter over Judith's guiding light back into society? Note: This book contains scenes and profanity relevant to street life, told by the author to create an authentic read and handled in good taste.

Eater, Outcast, Oath Breaker and the award-winning final volume, Ghost Hunter.

### A PASSION FOR PLEASURE

AuthorHouse

Discover the surprising case for how conservatism can help us achieve the epic sci-fi future we were promised. America was once the world's dream factory. We turned imagination into reality, from curing polio to landing on the Moon to creating the internet. And we were confident that more wonders lay just over the horizon: clean and infinite energy, a cure for cancer, computers and robots as humanity's great helpers, and space colonies. (Also, of course, flying cars.) Science fiction, from The Jetsons to Star Trek, would become fact. But as we moved into the late 20th century, we grew cautious, even cynical, about what the future held and our ability to shape it. Too many of us saw only the threats from rapid change. The year 2023 marks the 50th anniversary of the start of the Great Downshift in technological progress and economic growth, followed by decades of economic stagnation, downsized dreams, and a popular culture fixated on catastrophe: AI that will take all our jobs if it doesn't kill us first, nuclear war, climate chaos, plague and the zombie apocalypse. We are now at risk of another half-century of making the same mistakes and pushing a pro-progress future into the realm of impossibility. But American Enterprise Institute (AEI) economic policy expert and long-time CNBC contributor James Pethokoukis argues that there's still hope. We can absolutely turn things around—if we the people choose to dream and act. How dare we delay or fail to deliver for ourselves and our children. With groundbreaking ideas and sharp analysis, Pethokoukis provides a detailed roadmap to a fantastic future filled with incredible progress and prosperity that is both optimistic and realistic. Through an exploration of culture, economics, and history, The Conservative Futurist tells the fascinating story of what went wrong in the past and what we need to do today to finally get it right. Using the latest economic research and policy analysis, as well as insights from top economists, historians, and technologists, Pethokoukis reveals that the failed futuristic visions of the past were totally possible. And they still are. If America is to fully recover from the COVID-19 pandemic, take full advantage of emerging tech from generative AI to CRISPR to reusable rockets, and launch itself into a shining tomorrow, it must again become a fully risk-taking, future-oriented society. It's

time for America to embrace the future confidently, act boldly, and take that giant leap forward.

A teen who feels guilty for her sister's death is sent by her parents to a remote island for what she thinks is a vacation retreat, but she soon finds herself at the mercy of a doctor's experimental treatment. After undergoing one bizarre experience after another, the teen gets lost on the haunted side of the island and wonders if her parents meant to help or to punish her. Some readers have compared this young adult psychological thriller by USA Today bestselling author Eva Pohler to *Shutter Island* and *Lost*. "Love that it kept me guessing the whole time!"--Jamie ★★★★★ "The story kept me guessing every turn. It also made me do a lot of thinking about my own situation. It was quite helpful in that regard. I would recommend this book to everyone. I will definitely be reading the rest of the series."--Roland Deshain ★★★★★ "Wow. This book blindsided me. When I first started reading it, my initial reaction was that it wasn't my cup of tea. After I got past the first couple of chapters

though, I was hooked. It's one of those books that lulls you into a false sense of predicting the outcome, and then, WHAM, it completely changes course and leaves you reeling. It's very well-written and every character makes you feel their pain and their emotions. I absolutely loved this book. Do I recommend? YES!! By all means, please read this book. You will not be sorry."--Michelle Westmoreland ★★★★★ "Definitely kept me guessing and wanting to know what would happen next. This story had me in a roller coaster of emotions and worries. I was constantly in edge thinking what will happen? Is this real or part of the therapy. Eva did a wonderful job keeping me on my toes and making my mind work on overdrive. So many references from studies I myself have looked into. I loved. Excited to see what Dr. Gray will do next and where Daphne is going."--Mariela B. ★★★★★ "Wow! This was so crazy. You really didn't know who to believe. Pohler really captures what goes through your head having been through something so traumatic and having survivor guilt."-- Goodreads Reviewer ★★★★★ "Love, Love & Love this book. It has a little of everything: mystery, secrecy & craziness, horror, twist & turns with a past mix with modern."--Masterl Gray ★★★★★ Grab your copy to begin the chilling adventure today! ### *A Devil of a Date*

With an in-depth look at the two most empowering years in the life of Marilyn Monroe, *The Girl* details how *The Seven Year Itch* created an icon and sent the star on an adventure of self-discovery and transformation from a controlled wife and contract player into a businesswoman and unlikely feminist whose power is still felt today. When Marilyn Monroe stepped over a subway grating as *The Girl* in *The Seven Year Itch* and let a gust of wind catch the skirt of her pleated white dress, an icon

was born. Before that, the actress was mainly known for a nude calendar and one-dimensional, albeit memorable, characters on the screen. Though she again played a "dumb blonde" in this film and was making headlines by revealing her enviable anatomy, the star was now every bit in control of her image, and ready for a personal revolution. Emboldened by her winning fight to land the role of The Girl, the making of The Seven Year Itch and the eighteen months

that followed was the period of greatest confidence, liberation, and career success that Monroe lived in her tumultuous life. It was a time in which, among other things, she: Ended her marriage to Joe DiMaggio and later began a relationship with Arthur Miller; Legally changed her name to Marilyn Monroe, divorcing herself from the troubled past of Norma Jeane; Started her own production company; Studied in private lessons with Lee and Paula

Strasberg of the Actors Studio and became a part of the acting revolution of the day. The ripple effects her personal rebellion had on Hollywood, and in trailblazing the way for women that followed, will both surprise and inspire readers to see the Marilyn Monroe in an entirely new light. *Chronicles of Ancient Darkness: Chronicles of Ancient Darkness Complete 6x EBook Collection*
