People of the Wolf - Kathleen O'Neal Gear

People of the Wolf attempts to depict and understand the lives of humans struggling to survive the ice age. It does a good job of describing the battle of these early people against cold, hunger and each other.

People of the Wolf: A Novel of North America's Forgotten ...People of the Wolf attempts to depict and understand the lives of humans struggling to survive the ice age. It does a good job of describing the battle of these early people against cold, hunger and each other. However, the over-emphasis on mysticism and the portrayal of mystic occurrences as reality are unconvincing and undercut the realistic elements of the story. Dreams are shown to predict ...

People of the Wolf (North America's Forgotten Past): Gear ...The First North Americans series began in 1990 with People of the Wolf, which was quickly followed up by People of the Fire that very same year.
