Aristotle's Ethics (Stanford Encyclopedia of Philosophy) An ethical relationship, in most theories of ethics that employ the

term, is a basic and trustworthy relationship that one has to another human being, that cannot necessarily be characterized in terms of any abstraction other than trust and common protection of each other's body. Ethical relationship - Wikipedia

The main difference between Kantianism and Utilitarianism is that Kantianism is a deontological moral theory whereas utilitarianism is a teleological moral theory.. Both Kantianism and utilitarianism are ethical theories that express the ethical standard of an action. However, these two philosophies take on different standpoints on ethics.

What is the Difference Between Kantianism and ...divine command theory (DCT) of ethics, as I believe you can have ethics without God. The DCT proposes that

what is morally right is what God has commanded (for example, love thy neighbor), and what is forbidden by God is morally wrong (i.e. murder), yet there are many who agree that murder is wrong without reading the bible to recognize this.

In these cases, ethics serves as a personal code of conduct for people working in those fields, and the ethics themselves are often highly debated and contentious. These connotations have helped guide the distinctions between morality and ethics. Ethicists today, however, use the terms interchangeably.
