Margaret Thatcher
A Journey Faber & Faber
Not For Turning is the first

volume of Charles Moore's
authorized biography of
Margaret Thatcher, the
longest serving Prime
Minister of the twentieth
century and one of the
most influential political

figures of the postwar era. Charles Moore's biography of Margaret Thatcher, published after her death on 8 April 2013, immediately supercedes all earlier books written about her. At the moment when she becomes a historical figure, this book also makes her into a three dimensional one for the first time. It gives unparalleled insight into her early life and formation, especially through her extensive correspondence with her sister, which Moore is the first author to draw on. It

recreates brilliantly the atmosphere of British politics as she was making her way, and takes her up to what was arguably the zenith of her power, victory in the Falklands. (This volume ends with the Falklands Dinner in Downing Street in November 1982.) Moore is clearly an admirer of his subject, but he does not shy away from criticising her or identifying weaknesses and mistakes where he feels it is justified. Based on unrestricted access to all Lady Thatcher's

papers, unpublished interviews with her and all her major colleagues, this is the indispensable, fully rounded portrait of a towering figure of our times.

Harper Collins

In her international bestseller, *The Downing Street Years*, Margaret Thatcher provided an acclaimed account of her years as Prime Minister. This second volume reflects on the early years of her life and how they influenced her political career.

MARGARET THATCHER: THE AUTHORIZED BIOGRAPHY

Penguin UK

This inspirational and practical guide for conservatives combines stories from Lady Thatcher's life with principles and strategies conservatives can apply to their challenges today. Nile Gardiner and Stephen Thompson outline the critical lessons conservatives can learn from Lady Thatcher on articulating conservative principles to a broader

audience, cutting through bureaucratic messes to achieve goals, and standing up to aggressive regimes.

NOT FOR TURNING: THE LIFE OF MARGARET THATCHER

DigiCat Publishing presents to you this special edition of "As It Happened" by Clement R. Attlee. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for

republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Margaret Thatcher Harper Collins
The Iron Lady, the definitive Margaret Thatcher biography, is available just in time for the movie starring Meryl Streep as one of the most infamous figures in postwar politics. Whether you love her or hate her,

Margaret Thatcher's impact on twentieth-century history is undeniable. From her humble, small-town upbringing to her rise to power as the United Kingdom's first female prime minister, to her dramatic fall from grace after more than three decades of service, celebrated biographer John Campbell delves into the story of this fascinating woman's life as no one has before. The result of more than nine years of meticulous research, *The Iron Lady* is

the only balanced, unvarnished portrait of Margaret Thatcher, one of the most vital and controversial political figures of our time.

MARGARET THATCHER

Farrar Straus & Giroux
Published in a single volume for the first time, Margaret Thatcher is the story of her remarkable life told in her own words—the definitive account of an extraordinary woman and consummate politician, bringing together her bestselling memoirs *The Downing*

Street Years and *The Path to Power*. Margaret Thatcher is the towering political figure of late-twentieth-century Great Britain. No other prime minister in modern times sought to change the British nation and its place in the world as radically as she did. Writing candidly about her upbringing and early years and the formation of her character and values, she details the experiences that propelled her to the very top in a man's world. She offers a riveting firsthand

history of the major events, the crises and triumphs, during her eleven years as prime minister, including the Falklands War, the Brighton hotel bombing, the Westland affair, the final years of the Cold War, and her unprecedented three election victories. Thatcher's judgments of the men and women she encountered during her time in power—from statesmen, premiers, and presidents to Cabinet colleagues—are astonishingly frank, and

she recalls her dramatic final days in office with a gripping, hour-by-hour description from inside 10 Downing Street. Powerful, candid, and compelling, Margaret Thatcher stands as a testament to a great leader's significant legacy. **Margaret Thatcher: At Her Zenith** Knopf New details of the remarkable relationship between two leaders who teamed up to change history. It's well known that Ronald Reagan and Margaret Thatcher were close allies and kindred political spirits. During

their eight overlapping years as U.S. president and UK prime minister, they stood united for free markets, low taxes, and a strong defense against communism. But just how close they really were will surprise you. Nicholas Wapshott finds that the Reagan-Thatcher relationship was much deeper than an alliance of mutual interests. Drawing on extensive interviews and hundreds of recently declassified private letters and telephone calls, he depicts a more complex, intimate, and occasionally

combative relationship than has previously been revealed.

Statecraft Biteback Publishing

In 1997, the biggest Labour victory in history swept England, ending eighteen years of Conservative government. Prime Minister Tony Blair — young, charismatic and complex — shaped the nation profoundly in the ten years that followed. From his work in Northern Ireland to the wars in Iraq and Afghanistan, few of his decisions were free from scrutiny and debate.

Alternately beloved and reviled, he was an international figure to a degree matched by few British leaders — a role he continues in to this day through the Tony Blair Faith Foundation and his work in the Middle East. Now, for the first time, we see the fascinating journey and difficult choices of the prime minister through his own eyes. Grippingly candid and deeply intimate, *A Journey* is a must-read political memoir, full of startling insights into a host of world leaders,

including George W. Bush and Bill Clinton. It is also a book that delves deeply and profoundly into what it means to be in a position of great power today, and its emotional and personal toll.

BIOGRAPHY

HarperPress
Great Britain in the 1970s appeared to be in terminal decline—ungovernable, an economic train wreck, and rapidly headed for global irrelevance. Three decades later, it is the richest and most influential country in Europe, and Margaret Thatcher is the reason. The preternaturally determined Thatcher rose from nothing, seized control of Britain's Conservative party, and

took a sledgehammer to the nation's postwar socialist consensus. She proved that socialism could be reversed, inspiring a global free-market revolution. Simultaneously exploiting every politically useful aspect of her femininity and defying every conventional expectation of women in power, Thatcher crushed her enemies with a calculated ruthlessness that stunned the British public and without doubt caused immense collateral damage. Ultimately,

however, Claire Berlinski agrees with Thatcher: There was no alternative. Berlinski explains what Thatcher did, why it matters, and how she got away with it in this vivid and immensely readable portrait of one of the towering figures of the twentieth century. *Margaret Thatcher on Leadership* Macmillan
Dengan gaya bercerita yang tak tertandingi dan detil yang dramatis, biografi resmi Margaret Thatcher karya Charles Moore mengungkapkan hal-hal yang belum

pernah diungkap sebelumnya tentang masa-masa awal kehidupan, kekuasaan, dan kepemimpinan sebagai perdana menteri dari seorang wanita yang mengubah inggris raya dan dunia di akhir abad kedua puluh. Moore memiliki akses unik ke semua dokumen pribadi dan pemerintahan Margaret Thatcher dan mewawancarainya dan keluarganya dengan leluasa saat menyusun buku ini. Banyak di antara teman baik dan kolega Margaret yang

menunjukkan dokumen-dokumen, buku harian, dan surat-surat yang belum pernah dilihat sebelumnya dan berbicara padanya (Moore) dengan terang-terangan, tahu bahwa apa yang mereka ungkapkan tidak akan diterbitkan sampai kematian (Thatcher). Buku ini seketika menggantikan biografi lain dan membuka perspektif baru tentang spektrum kehidupan politik Inggris secara luas dari sejak Margaret Thatcher masuk ke parlemen pada 1959

sampai pada puncak kekuasaannya ? kemenangan di Falkland pada 1982. Di antara fokus buku ini adalah surat-surat istimewa tersembunyi yang ditujukan ke saudara perempuannya, Muriel yang menjelaskan tentang masa mudanya: hubungannya dengan orang tuanya; kecintaannya pada pakaian; romansanya di masa muda; kesan pertamanya terhadap Denis Thatcher; masa pacaran dan pernikahan mereka. Buku ini dengan

brilian menggambarkan kemauan dan ketegasannya dari awal karir politiknya. Buku ini memberikan penjelasan lengkap dan menarik saat ia merebut kepemimpinan Tory dari Ted Heath saat tidak ada tokoh senior di partai yang mampu menantanginya. Belum berakhir, buku ini juga menjelaskan saat dua tahun masuk ke pemerintahan, ia dikepung dan hari-harinya dipercaya akan segera berakhir. Juga menjelaskan pengalamannya sebagai

wanita di dunia politik yang masih dianggap sebagai dunia lelaki. Charles Moore jelas-jelas mengagumi subjeknya tapi ini tidak membuat buku ini tanpa kritik. Dia menunjukkan apa saja yang mengagumkan tentang Thatcher dan apa yang bisa membuat geram, kekuatannya yang luar biasa dan kadang kerapuhannya yang mengejutkan, jauh lebih meyakinkan dari karya lainnya. Saat ini ketika Margaret Thatcher menjadi tokoh sejarah, biografi karya Moore

memberikan penilaian yang mengagumkan bagi subjeknya.[Mizan, Bentang Pustaka, Biografi, Indonesia, Inggris, Wanita]
Margaret Thatcher: From Grantham to the Falklands Vintage
First published in 1966, Robert Blake's biography of Disraeli is one of the supreme political biographies of the last hundred years. An outsider, a nationalist, a European, a Romantic and a Tory - Disraeli's story is an extraordinary one. Born in 1804, the

grandson of an immigrant Italian Jew, he became leader of the Conservative Party and was twice Prime Minister. Famous for the 1867 Reform Act, his purchasing of the Suez Canal and his diplomatic triumphs at the Congress of Berlin, he was also the creator of the political novel and, in *Sybil*, wrote the major 'Condition of England' work of fiction. 'An outstandingly successful biography . . . Disraeli has never been brought so vividly to life.' Sir Philip Magnus, *Daily Telegraph* 'A huge,

scholarly and remarkably readable work which makes us revise vast tracts of our assumptions about nineteenth-century politics.' Sir Michael Howard, *Sunday Times* 'A book that people will still be reading in fifty years' *Times Literary Supplement*

MARGARET THATCHER

Alfred a Knopf Incorporated
The third and climactic volume of Charles Moore's authorized biography gives the definitive

account of Margaret Thatcher's third term in office and her life after it. Three stories run through the whole book. The first is Mrs. Thatcher's dominance of her government in almost every domestic field, but also her growing intolerance of dissent, the increasing alienation of her most senior ministers over Europe and the fatal corrosion which followed. The second is her commanding presence on the world stage, her role in the ending of the Cold War, her central position

in the response to the invasion of Kuwait, and her increasing isolation as America's priorities in Europe changed. The third is how she, a woman, coped and led in political worlds almost entirely occupied by men.

Throughout, we see Mrs. Thatcher's astonishing capacity to articulate her principles in the clearest possible terms and to fashion policy from them.

-- From publisher's description.

I, Margaret Bloomsbury Publishing USA

Margaret Thatcher is one

of the most significant political figures of the twentieth century—a Prime Minister whose impact on modern English history is comparable only to Winston Churchill's.

Like them or not, her radical policies made Britain the country it is today. And like her or not, Margaret Thatcher's legacy remains a massive political force, responsible for laying the groundwork for New Labour, Tony Blair, and David Cameron, and for England's strong political allegiance to the United States throughout

the Cold War. Now Robin Harris, for many years Mrs. Thatcher's speechwriter, close adviser, and the draftsman of both volumes of her autobiography, has written the definitive book about this indomitable English woman. In this international bestseller, he tells the compelling story of her life, from humble beginnings above her father's grocery store in Grantham, her early days as one of the first women in Westminster (she became known as

"Thatcher Milk Snatcher" during her time in the Ministry of Education), and then on to her groundbreaking career as Prime Minister (by which time her reputation already demanded a more powerful epithet: "Iron Lady"). We follow Thatcher through hard-fought political battles and experience with her the tribulations of the English miners' strike and the Falklands War, of her sometimes troubled friendship with Ronald Reagan, and their shared staunch opposition to

Communism. We learn of the political intrigue behind the scenes at Ten Downing Street. And how during one of the darkest hours of her premiership she refused to alter course and, adapting the words of an English play, declared to her enemies, inside and outside the Government, "You turn if you want to. The Lady's Not for Turning," summing up for admirers and detractors alike the defiance and consistency of Mrs. Thatcher's approach. Throughout Not for Turning we sense the

passionate intellect which fuelled her ambitions, drove her into and out of one of the highest offices in the English-speaking world, and has established a unique political legacy that continues even after her death... Not for Turning is an unforgettable portrait of Britain's first female Prime Minister, written by one of her most trusted advisers, and a fitting tribute to an extraordinary politician and leader. [May at 10 National Geographic Books](#)

It's 12 October 1984. An IRA bomb blows apart the Grand Hotel in Brighton. Miraculously, Margaret Thatcher survives. In small-town Scotland, eight-year-old Damian Barr watches in horror as his mum rips her wedding ring off and packs their bags. He knows he, too, must survive. Damian, his sister and his Catholic mum move in with her sinister new boyfriend while his Protestant dad shacks up with the glamorous Mary the Canary. Divided by sectarian suspicion, the

community is held together by the sprawling Ravenscraig Steelworks. But darkness threatens as Maggie takes hold: she snatches school milk, smashes the unions and makes greed good. Following Maggie's advice, Damian works hard and plans his escape. He discovers that stories can save your life and - in spite of violence, strikes, AIDS and Clause 28 - manages to fall in love dancing to Madonna in Glasgow's only gay club. *Maggie & Me* is a touching and darkly witty

memoir about surviving Thatcher's Britain; a story of growing up gay in a straight world and coming out the other side in spite of, and maybe because of, the iron lady. *Conflict of Loyalty* Simon and Schuster Margaret Thatcher, arguable the most significant figure of the late-twentieth-century British politics, died on 8 April 2013. Combining and abridging her memoirs 'The Path to Power' and 'The Downing Street Years', this definitive account of Margaret

Thatcher's life is published as a one volume commemorative edition.

As It Happened Algora Publishing

Presents the life of Britain's former Prime Minister, covering her humble beginnings as the daughter of a grocer, education at Oxford, rise in the Conservative party, election as Prime Minister in 1979, and major events in her term up to the Falklands War of 1982.

THE PATH TO POWER

National Geographic

Books

This first volume of Margaret Thatcher's memoirs encompasses the whole of her time as Prime Minister - the formation of her goals in the early 1980s, the Falklands, the General Election victories of 1983 and 1987 and, eventually, the circumstances of her fall from political power. She also gives frank accounts of her dealings with foreign statesmen and her own ministers.

THE AUTOBIOGRAPHY

Penguin

The complete life of Margaret Thatcher in one volume. As Britain's first woman Prime Minister Margaret Thatcher brought about the biggest social and political revolution in the nation's post-war history. She achieved this largely by the driving force of her personality - a subject of endless speculation among both her friends and her foes. Jonathan Aitken has an insider's view of Margaret Thatcher's story. He is well qualified to explore her strong and sometimes

difficult personality during half a century of political dramas. From first meeting her when she was a junior shadow minister in the mid 1960s, during her time as leader of the Opposition when he was a close family friend, and as a Member of Parliament throughout her years in power, Aitken had a ring side seat at many private and public spectacles in the Margaret Thatcher saga. From his unique vantage point, Aitken brings new light to

many crucial episodes of Thatcherism. They include her ousting of Ted Heath, her battles with her Cabinet, the Falklands War, the Miners' Strike, her relationships with world leaders such as Ronald Reagan, Mikhail Gorbachev and King Fahd of Saudi Arabia and the build up to the Shakespearian coup inside the Conservative Party which brought about her downfall. Drawing on his own diaries, and a

wealth of extensive research including some ninety interviews which range from international statesmen like Mikhail Gorbachev, Henry Kissinger and Lord Carrington to many of her No.10 private secretaries and personal friends, Jonathan Aitken's Margaret Thatcher - Power and Personality breaks new ground as a fresh and fascinating portrait of the most influential political leader of post-war Britain.
