MELLENDEZ KENDRICK

Prepare the Way of the Lord Westminster John Knox Press

Rich rewards await readers who dig deep into the historical books of the Old Testament. Incredible events, amazing love stories, larger-than-life personalities and deep theological implications and themes are just part of the treasure that awaits readers of Joshua, Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah, Esther. These books tell the story of the nation of Israel and the God who loves her, punishes her, and always brings this recalcitrant people back to Himself.

It is really the story of all of us. David M. Howard Jr. provides an in-depth introduction to the Old Testament historical books, focusing first on the overarching themes of historical narrative in general. He then turns his attention to each book. From the conquest of Canaan to the fall of Jerusalem, from war to peace and back to war, from kings and queens to farmers and housewives--David Howard covers it all in this invaluable introduction to the Old Testament historical books.

AN INTRODUCTION

Moody Publishers

Lucidly written by leading biblical scholar Michael D. Coogan, this balanced, engaging, and up-to-date introduction to the Hebrew scriptures distills the best of current scholarship. Employing the

narrative chronology of the Bible itself and the history of the ancient Near East as a framework, Coogan covers all the books of the Hebrew Bible, along with the deuterocanonical books included in the Bible used by many Christians. He works from a primarily historical and critical methodology but also introduces students to literary analysis and other interpretive strategies. NEW TO THIS EDITION

- * Updates and revisions throughout, including new material on recent archaeological discoveries, new translations of many of the ancient texts, and new and revised maps and illustrations
- * A new Table of Weights and Measures that provides modern equivalents for biblical weights and measures
- * Expanded study aids at the end of each chapter, including additional "Important Terms," expanded "Questions for Review" sections, and updated bibliographies
- * An updated Instructor's Manual with Computerized Test Bank on CD
- * An updated Companion Website at www.oup.com/us/coogan containing numerous resources for students and instructors

The Old Testament Moody Publishers

The Old Testament is part of the canon of Christian Scripture and, as such, has continuing significance for the church. However, the writings are set within a different historical era, a different culture and a different religious context. To understand the Old Testament in a meaningful way, it must be read against its historical, cultural and theological background. Here, Robin Routledge enables readers to engage with the text. He discusses: ? date, authorship, the writers' intention and purpose, and significant textual issues ? key scholarly approaches to the text, including historical-critical and literary approaches To help us comprehend and interpret the Old Testament, and so apply it to current belief and praxis, Routledge includes an overview of exegetical and hermeneutical approaches. He also offers some guidance through the maze of new treatments and terminology. The volume provides specific introductions to the sections and books of the Old Testament, following the canonical order of the Hebrew text. In addition, Routledge notes key distinctive issues and points to sources for further study. The author's hope is that this volume will not only aid students but will also benefit others who want to take the Old Testament seriously, and to apply its message to the life and ministry of the church today. 'Scholarly and lucid, Old Testament Introduction is designed especially for those who want to understand how to read the Old Testament as Christian Scripture, while doing justice to its nuances and enormous diversity. I commend it warmly.' Gordon McConville, Professor of Old Testament Theology, University of Gloucestershire

A Historical, Theological, and Critical Introduction Oxford University Press

This new isagogics textbooks examines and explores each book of the Old Testament, preparing students of the Bible to read Israel's texts with understanding and insight. It helps answer questions such as What is helpful and what is detrimental to evangelical faith? And How do conservative scholars respond to critical views of the Old Testament? The book interacts with scholars in a respectful way while providing evangelical assessments that foster historical and theological

confidence in the Old Testament.

SACRED TEXTS AND IMPERIAL CONTEXTS OF THE HEBREW BIBLE

Fortress Press

In this updated edition of the popular textbook *An Introduction to the Old Testament*, Walter Brueggemann and Tod Linafelt introduce the reader to the broad theological scope of the Old Testament, treating some of the most important issues and methods in contemporary biblical interpretation. This clearly written textbook focuses on the literature of the Old Testament as it grew out of religious, political, and ideological contexts over many centuries in Israel's history. Covering every book in the Old Testament (arranged in canonical order), the authors demonstrate the development of theological concepts in biblical writings from the Torah through postexilic Judaism. Incorporating the most current scholarship, this new edition also includes concrete tips for doing close readings of the Old Testament text, and a chapter on ways to read Scripture and respond in light of pressing contemporary issues, such as economic inequality, racial and gender justice, and environmental degradation. This introduction invites readers to engage in the construction of meaning as they venture into these timeless texts.

Introduction to the Old Testament InterVarsity Press

Readers new to ancient epic are hampered in two ways: they do not know the ancient languages, and they are unfamiliar with the ancient world. This survey addresses the needs of these readers by offering guidance through the major classical writers of epic: it begins with Homer and concludes with an overview of the development of late ancient epic and of the interface between the epic and the novel.

AN INTRODUCTION TO THE OLD TESTAMENT

Xulon Press

When *Old Testament Wisdom* appeared in 1981, new perspectives on biblical theology, an increasing awareness of ancient Near Eastern texts resembling biblical wisdom, and an emerging interest in ethnic proverbs were mere intimations of what was to become a dramatic outpouring of scholarship on wisdom literature. In this expanded edition, James Crenshaw takes stock of the wealth of new material produced by contemporary interpreters. Liberation and feminists critics, scholars in comparative religion, specialists in devotional theology, and researchers exploring educational systems in the ancient Near East all have enriched our understanding of wisdom literature in recent years, and all receive insightful treatment in this new volume. Now as before, Crenshaw's *Old Testament Wisdom* is an invaluable asset for anyone wishing to understand the rich and complex legacy of wisdom literature.

AN INTRODUCTION TO THE OLD TESTAMENT

Xulon Press

Enter the classroom of John Goldingay, one of today's premier biblical interpreters, and begin the adventure of exploring the Bible's First Testament. More workbook than handbook, this refreshing introduction to the Old Testament outfits you with basic knowledge, points out the main approaches,

outlines the primary issues and then sets you loose to explore the terrain for yourself.

INTRODUCTION TO THE BIBLE

Yale University Press

The Old Testament Prophetic Books: An Introduction is a valuable reference tool designed for those students who want a comprehensive guide to the Old Testament prophetic books. The book serves primarily as an introduction, providing a thorough discussion of introductory matters such as authorship, date, historical background, purpose, structure, and outline. The book also functions as a sort of survey/handbook, providing a summary of the contents of each book accompanied by helpful background information such as the meaning of character's names and the dates of significant events. Finally, the book acts as a study guide, providing a series of study questions at the end of each chapter for review and discussion. Israel P. Loken is Chair and Professor of the Bible and Theology Departments at College of Biblical Studies. He is also Adjunct Professor of Bible Exposition at Dallas Theological Seminary. He previously taught at Dallas Christian College. Dr. Loken has earned degrees from Lancaster Bible College (B.S.) and Dallas Theological Seminary (Th.M. and Ph.D.). He is a frequent speaker at churches, conferences, and schools. He is the author of the Loken Expository Commentary series. Dr. Loken and his wife Kimberley live in Houston, TX.

THE GOSPEL PROMISED

Moody Publishers

In this updated edition of the popular textbook *An Introduction to the Old Testament*, Walter Brueggemann and Tod Linafelt introduce the reader to the broad theological scope of the Old Testament, treating some of the most important issues and methods in contemporary biblical interpretation. This clearly written textbook focuses on the literature of the Old Testament as it grew out of religious, political, and ideological contexts over many centuries in Israel's history. Covering every book in the Old Testament (arranged in canonical order), the authors demonstrate the development of theological concepts in biblical writings from the Torah through postexilic Judaism. Incorporating the most current scholarship, this new edition also includes concrete tips for doing close readings of the Old Testament text, and a chapter on ways to read Scripture and respond in light of pressing contemporary issues, such as economic inequality, racial and gender justice, and environmental degradation. This introduction invites readers to engage in the construction of meaning as they venture into these timeless texts.

Introduction to the Old Testament Fortress Press

Integrating the results of scholarly work from the past decade, the authors of *An Introduction to the Ancient World*, Lukas de Blois and R.J. van der Spek, have fully-updated and revised all sixteen chapters of this best-selling introductory textbook. Covering the history and culture of the ancient Near East, Greece and Rome within the framework of a short narrative history of events, this book offers an easily readable, integrated overview for students of history, classics, archaeology and philosophy, whether at college, at undergraduate level or among the wider reading public. This revised second edition offers a new section on early Christianity and more specific information on the religions, economies, and societies of the ancient Near East. There is extended coverage of

Greek, Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic. The consequences of Julius Caesar's violent death are covered in more detail, as are the history and society of Imperial Rome. This new edition is: comprehensive: covers 3,000 years of ancient history and provides the basis for a typical one-semester course lavishly illustrated: contains maps, line drawings and plates to support and supplement the text, with updated captions clearly and concisely written: two established and respected university teachers with thirty years' experience in the subject areas well-organized: traces the broad outline of political history but also concentrates on particular topics user-friendly: includes chapter menus, an extensive and expanded bibliography organized by subject area and three appendices, an improved introduction and the addition of an epilogue.

Second Edition Paulist Press

Daily life in Ancient Israel - Great prophets including, Hosea, Amos, Isaiah - People and lands of the Old Testament.

Old Testament Wisdom John Wiley & Sons

A Respected Scholar Introduces Students to the Discipline of Old Testament Studies Richard Hess, a trusted scholar of the Old Testament and the ancient Near East, offers a substantial introduction to the Old Testament that is accessibly written and informed by the latest biblical scholarship. Hess summarizes the contents of the Old Testament, introduces the academic study of the discipline, and helps readers understand the complex world of critical and interpretive issues, addressing major concerns in the critical interpretation of each Old Testament book and key texts. This volume provides a fulsome treatment for students preparing for ministry and assumes no prior knowledge of the Old Testament. Readers will learn how each book of the Old Testament was understood by its first readers, how it advances the larger message of the whole Bible, and what its message contributes to Christian belief and the Christian community. Twenty maps, ninety photos, sidebars, and recommendations for further study add to the book's usefulness for students. Resources for professors are available through Baker Academic's Textbook eSources.

A Concise Introduction B&H Publishing Group

This book examines the small library of 24 books common to all Jewish and Christian Bibles-books that preserve the efforts of diverse writers over a span of many centuries to make sense of their personal experiences and those of their people, the ancient Israelites. Professor Christine Hayes guides her readers through the complexities of this polyphonous literature that has served as a foundational pillar of Western civilization, underscoring the variety and even disparities among the voices that speak in the biblical texts.

An Introduction to the Old Testament Prophetic Books Oxford University Press, USA

This Introduction attempts to offer a different model for the discipline from that currently represented. It seeks to describe the form and function of the Hebrew Bible in its role as sacred scripture for Israel. It argues the case that the biblical literature has not been correctly understood or interpreted because its role as religious literature has not been correctly assessed.

Chronologically Arranged Routledge

The Old Testament prophets spoke to Israel in times of historical and moral crisis. They saw themselves as being a part of a story that God was weaving throughout history--a story of

repentance, encouragement, and a coming Messiah. In this updated introductory book, each major and minor prophet and his writing are clustered with the major historical events of their time. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In these pages, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them.

An Introduction to the Old Testament Historical Books Moody Publishers

The Old Testament is not just a collection of disparate stories, each with its own meaning and moral lessons. Rather, it's one cohesive story, tied together by the good news about Israel's coming Messiah, promised from the beginning. Covering each book in the Old Testament, this volume invites readers to teach the Bible from a Reformed, covenantal, and redemptive-historical perspective. Featuring contributions from twelve respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ.

AN INTRODUCTION TO THE OLD TESTAMENT POETIC BOOKS

OUP USA

The poetic books of the Old Testament--Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon--are often called humankind's reach toward God. The other books of the Old Testament picture God's reach toward man through the redemptive story. Yet these five books reveal the very heart of men and women struggling with monumental issues such as suffering, sin, forgiveness, joy, worship, and the passionate love between a man and woman. C. Hassell Bullock, a noted Old Testament scholar, delves deep into the hearts of the five poetic books, offering readers helpful details such as hermeneutical considerations for each book, theological content and themes, detailed analysis of each book, and cultural perspectives. Hebrew is a language of "intrinsic musical quality that naturally supports poetic expression," says Bullock in his introduction. That poetic expression comes from the heart of the Old Testament writers and reaches all of us exactly where we are in our own struggles and joys.

An Introduction to the Old Testament Fortress Press

This volume introduces the Old Testament and traces the legacy of monotheism first found in the pages of Israel's Scriptures.
