Sultan Chand & Sons present the 38th Revised and Enlarged Edition of the book entitled "Elements of Mercantile Law". This book is specially written for B. Com, M. Com, CA, CS, CMA, MBA, LLB and Other Commerce Courses of all Indian Universities. The book is divided into three Volumes. Volume I is Law of Contract, Volume II is Company Law and Volume III is Industrial Law The salient features of the present edition are as follows: A new chapter on 'Goods and Services Tax (GST)' has been included in this edition. In order to bring uniformity in Tax rates and to simplify the tax mechanism, Central Government rolled out Goods and Services Tax (GST) from 1st July, 2017. The Insolvency and Bankruptcy Code, 2016' is the Bankruptcy Law of India has been added. A chapter on 'Limited Liability Partnership' popularly known as LLP has been added in the present edition. LLP

combines the advantage of both the Company and Partnership into a single form of organization. Volume II of the book on Company Law with Schedules has been thoroughly updated and amended upto 2019.

LEGAL ASPECTS OF BUSINESS

S. Chand Publishing

The 14th Revised Edition of the book "Corporate Accounting" includes the provision of the Companies Act, 2013, SEBI rules and regulations and Accounting Standards, wherever applicable. The whole book has been updated and corrections made wherever required. Theory and accounting treatment has been revised as per Accounting Standards - 4 (Revised) and Companies (Amendment) Act, 2019. Each aspect of a chapter has been discussed in detail in order to meet the requirements of the syllabus prescribed by different universities and professional institutes. Salient Features of the Book The following features are worth nothing in the present text: • The illustrations and assignment material has been made to conform to the

requirements of Schedule III of the Companies Act, 2013. The relevant problems/ solutions has also been revised. • The revised revision of Paragraph 14 of Accounting Standards — 4 concerning Financial Statements regarding Proposed final dividend has been incorporated at relevant pages and the illustrations amended accordingly. • The relevant provisions of Ind AS — 7: Statements of Cash Flows dealing with Bank Overdraft and Proposed Dividend have also been taken care of in this book. • In the chapter of Redemption of Debentures, the treatment of interest on Debenture Redemption Funds Investments or Profit (or Loss) on the sale of DRFI have been also summerised in the chapter. • All chapters have been revised and udapted. Problem of each chapter have been suitably graded and edited to include questions of topical interest. We are confident that the book in its revised form will be more useful for B.Com (Pass and Hons.), M.Com, M.B.A., C.A., I.P.C.E, C.A.(Final), I.C.M.A. (Stage II) and Company Secretaries (Executive Programme) Examinations.

In a market environment where economic actors conduct themselves as diligent and conscientious managers, the regulation of related party transactions (RPTs) would be largely irrelevant. Unfortunately, the corporate reality is far from an ideal world that is innocent of market abuse and corporate fraud. It remains necessary to protect minority shareholders from the wrongdoings of majority shareholders and to protect all shareholders from opportunistic managerial behaviour. This timely book – the first on the subject since implementation of the European Union’s (EU’s) revised Shareholders’ Rights Directive – provides in-depth analysis of how and to what extent RPTs are covered by existing legal requirements on capital protection and corporate group regulation, highlighting experiences and strategies adopted in Germany, Poland, and the Netherlands as examples for Eastern European countries and in particular Ukraine. Beyond his comparative analysis of the current status, the author offers recommendations for more effective handling of RPTs, investigating such aspects as the following: what constitutes a corporate group and how group issues are regulated in the various legal systems; what constitutes a conflict of interest originating in ownership and control and what types of such conflicts occur; whether RPTs within corporate groups should receive special treatment relative to transactions outside groups; combatting corporate raiding, most often carried out through illegal seizure of corporate assets; approval and disclosure requirements for RPTs; and how information about RPTs is disclosed publicly. Drawing on resources including legislation, case law, scholarship, and intensive discussions with

practicing lawyers from several jurisdictions, the author underscores the imperative of establishing limitations and requirements that oblige a company's officers, shareholders, and other potential related parties to follow certain rules whenever they wish to enter into an RPT. As a contribution to the debate about the convergence between EU corporate law and that of major eastern European states, the book has no peers. Practitioners in both East and West who advise on compliance with regulations for RPTs or represent stakeholders' interests against abusive RPTs will ensure appropriate remedies and protection mechanisms for their clients.

Encyclopedia of Sustainable Management Business Law For Managers, 2006-07 Ed

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Circulars Gower Publishing, Ltd.

The developments during the period since the publication of the

last edition have been such that this thirteenth edition has involved the most substantial revisions. Among statutory changes, those with the most significant and immediate impact, flow from the Companies (Amendment) Act, 1988 and various Notifications issued by the Central Government from time to time, and some of the labour laws, more particularly, Factories Act, Workmen's Compensation Act, Industrial Disputes Act and Payment of Wages Act. These amendments and case law developments have necessitated thorough and extensive re-writing and updating. Case law has been updated to January, 1991.

Business Environment Pearson Education India

This Book lays particular emphasis on managerial uses of cost information. Although written mainly from the point of view of students taking up the university examinations to qualify themselves for a degree in commerce, the book will be highly useful to those interested in the various professional examinations, too. The practicing business manager will find the book to be very useful guide in his attempt at making efficient and economical use of the relatively scarce resources.

This comprehensive and student-friendly text discusses the various laws and Acts relating to business laws such as The Indian Contract Act, The Sale of Goods Act and The Companies Act. It presents the topics in a systematic and illustrative manner, providing many case laws with a view to making them more intelligible and authentic. Legal jargon has been completely avoided so that the students can understand these laws with ease. The book is primarily meant for the undergraduate and postgraduate students of law, management and the undergraduate students of commerce. Besides, students pursuing professional courses such as Company Secretaryship (CS), CA and ICWA would also find the book quite useful. *Proactive Law for Managers* Walter de Gruyter GmbH & Co KG

The book is divided into three parts comprised of overall 35 chapters. Part one contains Grammar, part two - Aids to Vocabulary, and part three - Writing Skills. • The section dealing with Grammar is in double color. The points given in pink color suggest importance or emphasis, so they need attention and will help you to understand quickly and easily. These points are further highlighted with arrows. • Text printed on-screen suggests points likely to misunderstand. Sometimes they explain subtle distinctions between two apparently similar points. • Grammar items are discussed very systematically - one at a time. Plentiful illustrations are followed by carefully designed exercises. • There is an exhaustive section dealing exclusively with Multiple choice questions covering all the areas of Grammar as well as Vocabulary. It will help to get familiar with the latest evaluation pattern. • The chapter on vocabulary is adequate and it has been kept within manageable proportions. • The chapter on Precis writing under the section Writing Skills contains a large number of solved examples, which fully explain how to analyze a passage, how to prepare a rough draft and then turn out a good

readable and adequate final precis. They are followed by passages provided with aids to vocabulary and detailed outlines. The passages selected for precis writing cover a wide range of interests and have been carefully graded. • There is a comprehensive section on letter writing covering personal, business, and official correspondence. While it explains the requisites of the good letter—its style, layout - it also provides a number of model letters for quick guidance

A MANUAL OF MERCANTILE LAW

Sultan Chand & Sons

This encyclopedia is the most comprehensive and up-to-date source of reference for sustainability in business and management. It covers both traditional and emerging concepts and terms and is fully international in its scope. More than 700 contributions of internationally renowned experts provide a definitive access to the knowledge in the area of sustainable and responsible management. All actors in the field will find reliable and up to date definitions and explanations of the key terms and concepts of management in this reference work. The Encyclopedia of Sustainable Management represents all aspects of management and business conduct. It takes sustainability as a management concept that gives due credit to the complexity and diverging constraints in which businesses and corporations act today, and it emphasizes and focuses approaches that help ensure that today's management decisions and actions will be the basis for tomorrow's prosperity.
