Lake Como, Italy, New

Year's Eve. The perfect place to fall in love? Or the perfect place for everything to fall apart? 'Utterly romantic' Adele Parks Lucy may have suffered her fair share of bad men, but now she has Pete. Finally, a man worth sharing her favourite place with, Lake Como. That's if she can put mysterious phone calls and glamorous ex-girlfriends out of her mind. Taggie is rushed off her feet, but distraction is exactly what she needs to forget why she fled England and the sadness

she left behind. She certainly doesn't have time for infuriating stranger Marco. A man is the last thing she needs right now. Lucy and Taggie might not know it, but their lives are about to collide. The New Year might begin with fireworks - but how will it end? Praise for The Place We Met 'A writing powerhouse' Carrie Hope Fletcher 'Heart-warming and wonderfully romantic' Rosanna Ley 'The perfect getaway read' Red 'Fresh, intelligent, sparkingly escapist' Sunday Mirror 'A

beautiful and satisfying romantic book . . . I couldn't put it down' Netgalley Reviewer [Here Do We Meet Again](#) Awp Award for the Novel The brand-new novel from the bestselling author, Miranda Dickinson. "A spark of true joy. I adored every page" Josie Silver, author of One Day in December [Till We Meet Again](#) Penguin A darkly humorous, surprisingly poignant, and utterly gripping debut novel about a guy who works in Hell (literally)

and is on the cusp of a big promotion if only he can get one more member of the wealthy Harrison family to sell their soul. Peyote Trip has a pretty good gig in the deals department on the fifth floor of Hell. Sure, none of the pens work, the coffee machine has been out of order for a century, and the only drink on offer is Jägermeister, but Pey has a plan—and all he needs is one last member of the Harrison family to sell their soul. When the Harrisons retreat to the family lake house for the

summer, with their daughter Mickey's precocious new friend, Ruth, in tow, the opportunity Pey has waited a millennium for might finally be in his grasp. And with the help of his charismatic coworker Calamity, he sets a plan in motion. But things aren't always as they seem, on Earth or in Hell. And as old secrets and new dangers scrape away at the Harrisons' shiny surface, revealing the darkness beneath, everyone must face the consequences of their

choices.

One hot afternoon in Lisbon, the narrator finds his long-dead mother

seated on a park bench. "The dead don't stay where they are buried," she tells him. And so begins a remarkable odyssey, told in simple yet gorgeous prose, that carries us from the London Blitz in 1943, to a Polish market, to a Paleolithic cave, to the Ritz Hotel in Madrid. Here Is Where We Meet is a unique literary journey that moves freely through time and space but never loses its foothold in the sensuous present.

Emily thinks she's lost everything ... until a mysterious painting leads her to what she wants most in the world. Emily Emerson is used to being alone; her dad ran out on the family when she was a just a kid, her mom died when she was seventeen, and her beloved grandmother has just passed away as well. But when she's laid off from her reporting job, she finds herself completely at

sea...until the day she receives a beautiful, haunting painting of a young woman standing at the edge of a sugarcane field under a violet sky. That woman is recognizable as her grandmother -- and the painting arrived with no identification other than a handwritten note saying, "He always loved her." Emily is hungry for roots and family, so she begins to dig. And as she does, she uncovers a fascinating era in American history. Her trail leads her to the POW

internment camps of Florida, where German prisoners worked for American farmers...and sometimes fell in love with American women. But how does this all connect to the painting? The answer to that question will take Emily on a road that leads from the sweltering Everglades to Munich, Germany and back to the Atlanta art scene before she's done.--

author Matt de la Peña's *We Were Here* is a "fast, funny, smart, and heartbreaking" novel [Booklist]. When it happened, Miguel was sent to Juvi. The judge gave him a year in a group home—said he had to write in a journal so some counselor could try to figure out how he thinks. The judge had no idea that he actually did Miguel a favor. Ever since it happened, his mom can't even look at him in the face. Any home besides his would be a better place to live. But

Miguel didn't bet on meeting Rondell or Mong or on any of what happened after they broke out. He only thought about Mexico and getting to the border to where he could start over. Forget his mom. Forget his brother. Forget himself. Life usually doesn't work out how you think it will, though. And most of the time, running away is the quickest path right back to what you're running from. From the streets of Stockton to the beaches of Venice, all the way to the Mexican

border, *We Were Here* follows a journey of self-discovery by a boy who is trying to forgive himself in an unforgiving world. If seventeen-year-old Skylar Evans were a typical Creek View girl, her future would involve a double-wide trailer, a

baby on her hip, and the graveyard shift at Taco Bell. But after graduation, the only thing standing between straightedge Skylar and art school are three minimum-wage months of summer. Skylar can taste the freedom—that is, until her mother loses her job and everything starts coming apart. Torn between her dreams and the people she loves, Skylar realizes everything she's ever worked for is on the line. Nineteen-year-old Josh Mitchell had a different ticket out of Creek View:

the Marines. But after his leg is blown off in Afghanistan, he returns home, a shell of the cocksure boy he used to be. What brings Skylar and Josh together is working at the Paradise—a quirky motel off California's dusty Highway 99. Despite their differences, their shared isolation turns into an unexpected friendship and soon, something deeper.

A book about love, loss, and the power of music,

perfect for fans of Nick Hornby and Fangirl. Taliah Sahar Abdallat lives and breathes music. Songs have always helped Tal ease the pain of never having known her father. Her mother, born in Jordan and very secretive about her past, won't say a word about who her dad really was. But when Tal finds a shoebox full of old letters from Julian Oliver—yes, the indie rock star Julian Oliver—she begins to piece the story together. She writes to Julian, but after three years of radio silence,

she's given up hope. Then one day, completely out of the blue, Julian shows up at her doorstep, and Tal doesn't know whether to be furious or to throw herself into his arms. Before she can decide, he asks her to go on a trip with him to meet her long-estranged family and to say good-bye to his father, her grandfather, who is dying. Getting to know your father after sixteen years of estrangement doesn't happen in one car ride. But as Tal spends more time with Julian and his

family, she begins to untangle her parents' secret past, and discovers a part of herself she never recognized before. By the acclaimed author of *My Heart and Other Black Holes*, this is an intergenerational story of family and legacy and the way love informs both of those things. It's about secrets and the debt of silence. It's about the power of songs. And most of all, it's about learning how to say hello. And good-bye.

King Here is the eye-opening true story of God's unfolding plan to bring a rich man through the "eye of the needle". Trusting God and sharing Jesus with aging parents can be difficult. As Trish Porter Topmiller watched her father's casket be lowered into the ground, she knew the complicated jigsaw puzzle of his life finally held the missing piece—Jesus. But for years, his life seemed as far away from grace, and a believing faith in God, as a person can be. A multimillionaire

entrepreneur who believed his financial fortress (and business acumen) was invincible, he turned into a workaholic adrenaline junkie—and ultimate opioid statistic who had given up on life. Even then, grace found him. King Here offers hope that no matter how old, how rich or how addicted someone is, it's never too late to meet Jesus. Trish shares her father's inspiring, yet tragic life story—filled with adventure and color and unique escapades—to

reveal God's plan for an old rich man who thought he had no need for God. Stepping back to see the big picture brings to light the hope and joy that God truly can answer prayers and do the impossible, but it doesn't always look the way readers expect. In this moving tribute to her father, Trish encourages readers to never give up on loved ones who seem "too far gone" for God to reach.
