Surviving Linguistics A Guide For Surviving Linguistics is a valuable resource for students at any stage of their graduate career, from learning to write linguistics papers through completing their dissertation and finding a job. Along the way, the author explains the process of submitting conference abstracts, speaking at conferences, publishing journal articles, writing grant applications, creating a CV, and much more. Surviving Linguistics: A Guide for Graduate Students ... Surviving Linguistics is a valuable resource for students at any stage of their graduate career, from learning to write linguistics papers through completing their dissertation and finding a job. Along the way, the author explains the process of submitting conference abstracts, speaking at conferences, publishing journal articles, writing grant applications, creating a CV, and much more. Surviving Linguistics: A Guide for Graduate Students A fairly comprehensive guide for linguistics students (mostly in the US) with links to other resources. Quite helpful in that it tackles the more day-to-day problems a graduate student will face, and not linguistics per se. Surviving Linguistics: A Guide for Graduate
