There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity

in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

The angelic trance is easy to achieve, and its effects are profound. Follow brief magickal instruction, and your life will change for the better. By using the sigils in this book, you seek the help of angels, and they will ease you into the required trance. The trance is very light, safe, and not in any way disturbing, so you don't need to worry that you'll have to get completely zoned out. It's much easier than that. The angels will not refuse to help when you communicate your sincere needs. Your life will begin to transform in ways that benefit you now and in the future. No need to say any magick words. No equipment or ceremony. An easy method that works automatically. Magick that works even when you feel desperate. Instant relief for feelings such as anxiety. Solve problems or manifest desires. You will never attract anything you don't want, or that isn't right for you now. This magick works without causing any disruption. The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal

When the unlimited power of magickal angels stand with you, obstacles become opportunities, low times become springboards for better days, relationships blossom, illness becomes wellness, challenges become victories and miracles happen! And once called, how to use their awesome divine

power to transform your compelling needs and desires into manifested reality. Angel magick is the oldest, most powerful and least understood of all methods of magick. Ancient books of scripture from multiple religions tell of the marvelous power and miracles of angels. But the secrets of the true angel names, who they really are, their hierarchy, their stewardship responsibilities, their sigils, and how to successfully call them and have them work their divine magick for you, was lost to the world as a large part of it descended into the dark ages. But a covenant was made by the Archangel Maeádael to the Adepts of Magick that as the people of the world evolved to a higher light the knowledge and power of angels would come again to the earth during the time of the Generation of Promise. That time is now. We are the Generation of Promise that has been foretold of for millennium. And all that was lost has been restored. It doesn't matter what religion or path of enlightenment and empowerment that you travel: Wicca, Christianity, Pagan, Jewish, Buddhist, Occult, Muslim, Kabbalah, Vedic, something else or none at all. Nor does your preferred system of magick from Enochian, Thelemic, Gardnerian, Hermetic, to Tantric matter. Once you know the true names of the mighty angels, their unique sigils, and the simple but specific way to summon them, they will come and they will help you.

magick has been around for a long time, but it became popular in the last half-century or so. There are countless Chaos Magick books and free websites that will tell you how to create a servitor. There are a small number of variations on a theme, but the essence of these sources is the same. Magickal Servitors contains two major secrets discovered by The Gallery of Magick, which are embedded within the fabric of this process. This magick is designed to be accessible to beginners as well as experienced occultists. If you are new to magick, all you need is an open mind and the willingness to work with the techniques as instructed. You will be pleasantly surprised by the way the world yields to the touch of magick. You will discover: Spirits that are easy to contact and effortless to command. Servitors that grow and change with your needs. Magick for long-term, repeating results. Servitors for Self-Development, that help you enhance or subdue a personality trait. Perception Servitors, to see people and situations clearly. Servitors of influence, to stir thoughts and feelings in others. Manifestation Servitors for material rewards and real-world change. The secret process of Vision, Creation and Life that gives birth to a loyal, powerful spirit. Acclaimed author Damon Brand say, 'With the secrets of practical magick, you create your life according to your true will. There is no higher magick than the magick that brings results.' This book presents a system for creating servitors that will enable you to craft a conscious spirit that will act on your behalf, manipulating matter, time and the patterns of reality to bring the results you desire.

The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from Magickal Angels is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. You will discover: A method for empowering talismans and sigils Information on how to choose the right angel Methods for communicating more directly with angels Performing angel magick for other people. If you are serious about angelic work, this book can take your efforts to a much higher level. NOTE: If you own Magickal Angels the complete ritual is repeated here, so that new readers have access to that material. Be aware that when you buy this book, you are buying several chapters that you have already read. There is plenty of new information, however, as well as 48 new angels along with their sigils.
