The unforgettable true story of Christopher Knight, who found refuge from the pressures of modern society by living alone in the Maine woods for twenty-seven years.

*A Novel of Mythic Proportions* Vintage

Jack's unexpected return throws his family into a frenzy, and his sister Lorna needs answers. Is he coming home or running away? Where is his wife everyone hates? And how did he get all that money? Theresa Rebeck's new comedy tackles the timely issues of corporate greed, small town values, and whether or not your family will always welcome you back... with no questions asked.

### VOCAL SELECTIONS SONGBOOK

Random House

(Vocal Selections). This 2018 Broadway adaptation of the hit 2004 movie about the cut-throat social status of a group of teenage girls features lyrics by Nell Benjamin with music by Jeff Richmond and was nominated for several Tony Awards . Our folio includes 16 selections arranged for voice with piano accompaniment: Apex Predator \* A Cautionary Tale \* Fearless \* I See Stars \* I'd Rather Be Me \* It Roars \* Meet the Plastics \* More Is Better \* Revenge Party \* Sexy \* Someone Gets Hurt \* Stop \* Stupid with Love \* What's Wrong with Me? \* Where Do You Belong? \* World Burn.

**Dead Accounts** RH Childrens Books

John Fahey is feared and revered around the world as a guitar player and composer. His inventions for acoustic and electric strings are the stuff of legend. Known for his finger-picking finesse, Fahey's pen has the same world-gobbling ferocity as his guitar. Fahey's collection of short stories defy classification - part memoir, part personal essay, part fiction, part manifesto. It is a collection that makes an explosive selection of his work available for public consumption. What else is there to say, except 'Grab your ankles, dear readers. It's kingdom time!'

*The Stranger in the Woods* Hal Leonard Corporation

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about

the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

**Dear Evan Hansen** Hal Leonard Corporation

When his attempts to get to know his dying father fail, William Bloom makes up stories that recreate his father's life in heroic proportions.

*The Stranger* Random House Books for Young Readers

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

*I, Church* Hal Leonard Corporation

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

*Big Fish Vocal Songbook* Hal Leonard Corporation

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

**Tenor** Hal Leonard Corporation

(Vocal Collection). Songs particularly suitable for and appealing to young voices selected from 5 volumes of The Singer's Musical Theatre Anthology, plus additional songs for teens from stage, film and television musicals.

**(The Stranger Times 1)** Big Fish A Novel of Mythic Proportions

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

### THE STRANGER TIMES

Simon and Schuster

Big Fish A Novel of Mythic Proportions Algonquin Books

**The Velocity of Autumn** Hal Leonard Corporation

Explores how humans' evolved ability of abstract reasoning has allowed such institutions as money, markets, cities and the banking system to provide a foundation of social trust, in a revised edition that has a new chapter explaining how the rise and fall of social trust resulted in the financial crisis. Original.

**The Five People You Meet in Heaven** Farrar, Straus and Giroux (BYR)

"From the best-selling author of Maine, a gorgeous, compulsively-readable novel that tells the story of the complex relationship between two women, Elisabeth, a privileged new mother and writer attempting to find her footing after childbirth, and Sam, the idealistic, working-class college student she hires to nanny her young son"--

**THE LIGHT IN THE PIAZZA (SONGBOOK)**

Simon and Schuster

THE VELOCITY OF AUTUMN swirls around Alexandra, an 80-year-old artist in a showdown with her family over where she'll spend her remaining years. In Alexandra's corner are her wit, her volcanic passion, and the fact that she's barricaded herself in her Brooklyn brownstone with enough Molotov

cocktails to take out the block. But her children have their own secret weapon: estranged son Chris, who returns after 20 years, crawls through Alexandra's second-floor window and becomes the family's unlikely mediator. No sooner are the words "Hi, Mom" uttered than the emotional bombs start detonating. THE VELOCITY OF AUTUMN is a wickedly funny and wonderfully touching discovery of the fragility and ferocity of life.
