THE HEART AND THE BOTTLE (READ ALOUD BY HELENA BONHAM CARTER)

Lost and Found
A story of woodland creatures discovering a lost doll is transformed into the perfect parable of love in this sweet, timeless picture book for fans of Corduroy and The Velveteen Rabbit. The wood mouse and the

rabbit find a rag doll in the woods. Nothing about it is familiar: it doesn't smell like the fresh air of spring or feel like the rough bark of a tree. As the group of animals grows and searches for a clue to where the doll came from, they encounter more mysteries—and discover the one thing their hearts know to be true. Whether between parent and child, siblings, or friends, this beautifully illustrated story is about the way we show one other how much we care.

Unicorns Are the Worst!
HarperCollins UK
A spectacular concept board book from world-renowned artist Oliver Jeffers, based on his million-copy selling, global phenomenon Here We Are!

Lost and Found
HarperCollins UK
From the illustrator of the #1 smash hit *The Day the Crayons Quit* comes an imaginative tale of friendship in a world where what makes us different isn't nearly as important as what makes us the same. When a boy

discovers a single-propeller airplane in his closet, he does what any young adventurer would do: He flies it into outer space! Millions of miles from Earth, the plane begins to sputter and quake, its fuel tank on empty. The boy executes a daring landing on the moon . . . but there's no telling what kind of slimy, slithering, tentacled, fangtoothed monsters lurk in the darkness! (Plus, it's dark and lonely out there.) Coincidentally, engine trouble has stranded a young Martian

on the other side of the moon, and he's just as frightened and alone. Martian, Earthling—it's all the same when you're in need of a friend.

The Great Paper Caper

HarperCollins UK

From the illustrator of the #1 smash *The Day the Crayons Quit* comes another bestseller—a giggle-inducing tale of everything tossed, thrown, and hurled in order to free a kite! When Floyd's kite gets stuck in a tree, he's determined to get it out. But how? Well, by knocking it down with

his shoe, of course. But strangely enough, it too gets stuck. And the only logical course of action . . . is to throw his other shoe. Only now it's stuck! Surely there must be something he can use to get his kite unstuck. An orangutan? A boat? His front door? Yes, yes, and yes. And that's only the beginning. *Stuck* is Oliver Jeffers' most absurdly funny story since *The Incredible Book-Eating Boy*. Childlike in concept and vibrantly illustrated as only Oliver Jeffers could, here is a picture

book worth rescuing from any tree.
