### BEST SELLERS

Oxford University Press

The book differs from other 'dictionaries of criticism' in concentrating less on time-honoured rhetorical terms and more on conceptually flexible, powerful and contemporary critical terms. Each entry consists not simply of a 'dictionary definition' but an essay exploring the history and full significance of the term, and its possibilities in contemporary critical discourse.

### BARFLIES AND COCKTAILS

Sagwan Press

One of the most scandalous books published in America at the time.

"Reizenstein's peculiar vision of New Orleans is worth resurrecting precisely

because it crossed the boundaries of acceptable taste in nineteenth-century German America and squatted firmly on the other side . . . This work makes us realize how limited our notions were of what could be conceived by a fertile American imagination in the middle of the nineteenth century."—from the Introduction by Steven Rowan A lost classic of America's neglected German-language literary tradition, *The Mysteries of New Orleans* by Baron Ludwig von Reizenstein first appeared as a serial in the *Louisiana Staats-Zeitung*, a New Orleans German-language newspaper, between 1854 and 1855. Inspired by the gothic "urban mysteries" serialized in France and Germany during this period, Reizenstein crafted a daring occult novel that stages a frontal assault on the ethos of the antebellum South. His plot imagines the coming of a bloody, retributive justice at the hands of Hiram the Freemason—a nightmarish, 200-year-old, proto-

Nietzschean superman—for the sin of slavery. Heralded by the birth of a black messiah, the son of a mulatto prostitute and a decadent German aristocrat, this coming revolution is depicted in frankly apocalyptic terms. Yet, Reizenstein was equally concerned with setting and characters, from the mundane to the fantastic. The book is saturated with the atmosphere of nineteenth-century New Orleans, the amorous exploits of its main characters uncannily resembling those of New Orleans' leading citizens. Also of note is the author's progressively matter-of-fact portrait of the lesbian romance between his novel's only sympathetic characters, Claudine and Orleans. This edition marks the first time that *The Mysteries of New Orleans* has been translated into English and proves that 150 years later, this vast, strange, and important novel remains as compelling as ever.

*Why Evolution is True* Psychology Press Here is a friendly, solutions-oriented guide

to getting the most out of your Sony Vaio. You'll find full coverage of all aspects of the laptop including adding peripherals, using the bundled software, linking to digital cameras and home stereos, and performing routine maintenance and upgrades.

*Scientific American Inventions and Discoveries* Rowman & Littlefield Books One & Two of the Bestselling Spellbound Prodigies Series Read the first two installments of Shiloh's harrowing journey into a magical world filled with supernatural creatures, dangerous magic, and haunting romance. Box Set includes: BEAUTIFULLY BROKEN and SHATTERED SILENCE Shiloh Trudell isn't like other sixteen-year-old girls. She's a heritage witch with psychic powers, who can communicate with the dead. So when she takes a summer job at the haunted Craven Manor, her life takes a frightening turn after she encounters a ghost with a sinister agenda. What's even more dangerous than her new profession as a demon hunter is the sexy new hottie in town whose emerald-green eyes and crooked smile causes her heart to skip a beat. Shiloh can't seem to ignore her inexplicable attraction to the drool-worthy Trent Donovan, even when she's got bigger problems to deal with. . . Like discovering who put a supernatural hit list on the other teenagers in town. Between dating the hottest guy in town, fending off soul-sucking demons, and studying magick, Shiloh finds herself on the verge of uncovering a shocking secret that the others in town have vowed to protect. But will exposing this secret come at a deadly price? Scroll Up and Click "Buy" now to Instantly Download These Amazing Stories!

### LUTTRELL OF ARRAN

Moonlight Publishing  
Bad-Boys and Dark Secrets Are Tough To Keep A Sorority Row Novel Serena DuPont isn't interested in falling in love again. Been there, done that, and she has the pulverized heart to prove it. Leaving behind those sucky romantic choices, she transfers to a new college her sophomore year. All Serena wants to do is pledge a sorority, stay focused on her classes, and swear off sexy players. Tell that to Cole Prescott, the incredibly gorgeous complication that threatens to crush her newfound resolve. Keeping him in the "friend zone" won't be easy, especially when the sizzling chemistry between them is so damn combustible. But that's not Serena's biggest problem... While pledging Zeta Beta, her life gets flipped horribly upside down by a series of ominous

threats, nasty rumors, and even blackmail. And the only place she finds comfort is in the arms of the off-limits frat boy she should be avoiding. Unless Serena can prove her innocence to the ultra-saucy sorority that's accused her of being involved in a lewd sex scandal, Serena is at risk of losing the future she's fought so hard to rebuild. Resigned to the fate of the Greek gods, Serena might not be able to lie her way out of this epic disaster. Want to know what happens in this tale of scorching romance and epic drama? Start reading now to find out!

### The Spearhead Springer

From the first stock markets of Amsterdam, London, and New York to the billions of electronic commerce transactions today, privately produced and enforced economic regulations are more common, more effective, and more promising than commonly considered. In *Private Governance*, prominent economist Edward Stringham presents case studies of the various forms of private enforcement, self-governance, or self-regulation among private groups or individuals that fill a void that government enforcement cannot. Through analytical narratives the book provides a close examination of the world's first stock markets, key elements of which were unenforceable by law; the community of Celebration, Florida, and other private communities that show how public goods can be bundled with land and provided more effectively; and the millions of credit-card transactions that occur daily and are regulated by private governance. *Private Governance* ultimately argues that while potential problems of private governance, such as fraud, are pervasive, so are the solutions it presents, and that much of what is orderly in the economy can be attributed to private groups and individuals. With meticulous research, Stringham demonstrates that private governance is a far more common source of order than most people realize, and that private parties have incentives to devise different mechanisms for eliminating unwanted behavior. *Private Governance* documents numerous examples of private order throughout history to illustrate how private governance is more resilient to internal and external pressure than is commonly believed. Stringham discusses why private governance has economic and social advantages over relying on government regulations and laws, and explores the different mechanisms that enable private governance, including sorting, reputation, assurance, and other bonding mechanisms. Challenging and rigorously-written, *Private Governance* will

make a compelling read for those with an interest in economics, political philosophy, and the history of current Wall Street regulations.

### The Every-Day Book, Or Wiley

More drink. Less Drunk. You deserve a great cocktail—and you don't have to over-indulge to get it! Shims—serious, low-alcohol cocktails—are where everyone can come together, whether it's for the one drink of the evening or when this is but the first of many. This book is your invitation to a world of delicious, sophisticated drinks which provide all their pleasures without walloping you over the head with booze. Celebrate two centuries of the cocktail with recipes for every taste, from the sunny cheerfulness of a Ben's Good Humor to slow sippers like the Bitter Giuseppe. Cheers!

Love, Lies and Smexy Guys A Stand-Alone New Adult Romance Comedy Drama by bestselling author Sherry Soule Reese Sinclair is a compulsive liar, who isn't interested in falling in love again. Been there, done that, and she has the pulverized heart to prove it. Leaving behind a string of sucky romantic choices, she transfers to a new college her sophomore year. All Reese wants to do is pledge a sorority, stay focused on her classes, and swear off

men. Tell that to Cole Prescott, the incredibly gorgeous complication that threatens to crush her newfound resolve. Keeping him in the "friend zone" won't be easy, especially when the sizzling chemistry between them is so damn combustible. But that's not Reese's biggest problem. While pledging Zeta Beta, her life gets flipped horribly upside down by a series of ominous threats, nasty rumors, and even blackmail. And the only place she finds comfort is in the arms of the off-limits frat boy she should be avoiding. So unless Reese can prove her innocence to that ultra-saucy sorority, she risks losing the future she's fought so hard to rebuild. Resigned to the fate of the Greek gods, Reese might not be able to outrageously lie her way out of this epic disaster. But hey, no one ever said college and boys were gonna be easy... Please scroll up and buy a copy now! Note: \*No F-bombs, graphic sex, or explicit violence. This book was formerly titled, "Smash Into You" Moonlight Mayhem Shiloh Trudell thought she was getting used to the strange events in Fallen Oaks, until the full moon brings another surge of supernatural threats to her coastal town. Ferocious wolves, deadly necromancers, and fallen angels have descended upon the neighborhood, so Shiloh needs to gain control of her magical abilities-and her impetuous heart-fast! As if life wasn't complicated enough, enter sexy, brooding Trent Donovan-local bad boy, and the type of guy your mother warned you about. While Trent tries to help Shiloh prepare for a supernatural battle, their fiery spark intensifies into a slow burn. Romance with an unlimited potential allows them to experience both the thrill of love and the chill of fear for the object of their affection. Then Shiloh discovers a dark family secret that threatens to shatter her world. The only thing that keeps her going is her thirst for revenge and the protective, rebellious boy she's falling head over heels for. When her classmates are attacked by a mysterious creature and her father is murdered, Shiloh vows vengeance. Except that's not all Shiloh has to worry about. She's also struggling not to become the very thing she fights: evil. But with demon blood inside her-anything can happen... Why Evolution is True A completely updated, revised edition of the classic, outfitted with a whole new arsenal of indispensable knowledge on global affairs, popular culture, economic trends, scientific principles, and modern arts. Here's your chance to brush up on all those subjects you slept through in school, reacquaint yourself with all the facts you once knew (then promptly forgot), catch

up on major developments in the world today, and become the Renaissance man or woman you always knew you could be! How do you tell the Balkans from the Caucasus? What's the difference between fission and fusion? Whigs and Tories? Shiites and Sunnis? Deduction and induction? Why aren't all Shakespearean comedies necessarily thigh-slappers? What are transcendental numbers and what are they good for? What really happened in Plato's cave? Is postmodernism dead or just having a bad hair day? And for extra credit, when should you use the adjective continual and when should you use continuous? An Incomplete Education answers these and thousands of other questions with incomparable wit, style, and clarity. American Studies, Art History, Economics, Film, Literature, Music, Philosophy, Political Science, Psychology, Religion, Science, and World History: Here's the bottom line on each of these major disciplines, distilled to its essence and served up with consummate flair. In this revised edition you'll find a vitally expanded treatment of international issues, reflecting the seismic geopolitical upheavals of the past decade, from economic free-fall in South America to Central Africa's world war, and from violent radicalization in the Muslim world to the crucial trade agreements that are defining globalization for the twenty-first century. And don't forget to read the section "A Nervous American's Guide to Living and Loving on Five Continents" before you answer a personal ad in the International Herald Tribune. As delightful as it is illuminating, An Incomplete Education packs ten thousand years of culture into a single superbly readable volume. This is a book to celebrate, to share, to give and receive, to pore over and browse through, and to return to again and again.

### LOVE, LIES AND SMEXY GUYS

McGraw Hill Professional A unique A-to-Z reference of brilliance in innovation and invention Combining engagingly written, well-researched history with the respected imprimatur of Scientific American magazine, this authoritative, accessible reference provides a wide-ranging overview of the inventions, technological advances, and discoveries that have transformed human society throughout our history. More than 400 entertaining entries explain the details and significance of such varied breakthroughs as the development of agriculture, the "invention" of algebra, and the birth of the computer. Special

chronological sections divide the entries, providing a unique focus on the intersection of science and technology from early human history to the present. In addition, each section is supplemented by primary source sidebars, which feature excerpts from scientists' diaries, contemporary accounts of new inventions, and various "In Their Own Words" sources. Comprehensive and thoroughly readable, Scientific American Inventions and Discoveries is an indispensable resource for anyone fascinated by the history of science and technology. Topics include: aerosol spray \* algebra \* Archimedes' Principle \* barbed wire \* canned food \* carburetor \* circulation of blood \* condom \* encryption machine \* fork \* fuel cell \* latitude \* music synthesizer \* positron \* radar \* steel \* television \* traffic lights \* Heisenberg's uncertainty principle

### BEAUTIFULLY BROKEN

JHU Press Deadly Witchcraft. Ghostly Threats. Doomed Romance. They say every town has its secrets, but that doesn't even begin to describe Fallen Oaks. The townsfolk are a superstitious lot and the mystical disappearance of a local teen has everyone murmuring about a centuries old witch's curse. When sixteen-year-old Shiloh Trudell-a hereditary witch from the Broussard family-takes a summer job at Craven Manor, she discovers a ghost with an agenda. That's where she meets the new town hottie, Trent Donovan, and immediately becomes enchanted by his charms. Finally, Shiloh's met someone who is supercute and totally into her, but Trent is immersed in the cunning deception that surrounds the mysterious Craven Manor. So much so that he may lose sight of what is truly important to him. And she can't decide whether she wants to shake him or kiss him. Yet neither one of them can deny the immediate, passionate connection growing between them. But underlying everything is the fear that Trent may be the next victim on a supernatural hit list, and Shiloh is the only person with the power to save him... With cryptic messages from a pesky wraith, Shiloh will finally begin to understand the mysterious significance of the strange mark branded on her wrist and decide how much she's willing to sacrifice to protect the other teenagers in town. Unfortunately, for Shiloh, not all ghosts want help crossing over. Some want vengeance. \*Read exclusive bonus scenes in this edition only\*

### Young Women in Post-Yugoslav Societies

Routledge 'Making Wishes' is the successor to 'Smile

Anyway'-another collection of original quotes and poems written by American author and novelist, Richelle E. Goodrich. 'Making Wishes' also includes a small number of mini stories as well as a monthly haiku. Enjoy a profound thought for every day of the year, including the popular following: "Dress yourself in the silks of benevolence because kindness makes you beautiful." "Temptations don't appear nearly as harmful as the roads they lead you down." "Don't seek to be happy; let everyone else chase after that rainbow. Seek to be kind, and you'll find the rainbow follows you." "There are times you find yourself standing by the wayside, watching as someone struggles to dig a well with a spoon, and you wish with all your heart you had arms and a shovel." This book was written to inspire and motivate individuals on a daily basis.

### THE ILLIO

Ballantine Books

A unique collection of bar recipes from the Stork Club, one of New York's best nightclubs in the early 20th century.

### THE STORK CLUB BAR BOOK

BoD - Books on Demand

"One more thing...", " Columbo would say to the murderer during the course of his rumpled investigation, and the killer would perhaps feel the noose tightening. The show of the same name was one of the most popular detective series appearing on television in the 1970s, a decade that offered a wider variety of such shows than any other time. (Series beginning in the 1960s or ending in the 1980s that had episodes broadcast in the 1970s are also included in full.) Four subgenres are studied: cops, private detectives, lawyers, and sleuths. Each entry is arranged alphabetically and follows the same format: cast and credits, brief remarks about the style, and an episode guide (episode titles, original telecast dates, guest casts and brief plot synopses). Comprehensive index.

Collective Identity of Anonymous Oxford University Press

This book uses political process theory to examine three cultural movements around Christopher Columbus. The author examines the religious, ethnic and anti-colonial movements most successful at rewriting national origin myth, demonstrating the political process model while telling the story of how a powerless public mobilized to rewrite its past.

### THE NEW YORK TIMES BOOK REVIEW

### HONE'S EVERY DAY BOOK

Harper Collins

For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

### Cultural Movements and Collective Memory

Good Press

Shiloh Trudell thought she was getting used to the strange events in Fallen Oaks, until the full moon brings another surge of supernatural threats to her coastal town. Ferocious wolves, deadly necromancers, and fallen angels have descended upon the neighborhood, so Shiloh needs to gain control of her magical abilities-and her impetuous heart-fast! She's also struggling not to become the very thing she fights: evil. But with demon blood inside her-anything can happen...

### SMASH INTO YOU

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is

Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would

return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist

groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.
