Chosen People Random House Books for Young Readers

Bestselling author Robert Whitlow returns with an international legal drama that speaks to critical issues of our day. "Compelling, realistic, and inspiring." —Randy Singer, bestselling author of *Rule of Law* "You are a chosen people, a royal priesthood, a holy nation . . ." During a terrorist attack near the Western Wall in Jerusalem, a courageous mother sacrifices her life to save her four-year-old daughter, leaving behind a grieving husband and a motherless child. Hana Abboud, a Christian Arab Israeli lawyer trained at Hebrew University, typically uses her language skills to represent international clients for an Atlanta law firm. When her boss is contacted by Jakob Brodsky, a young Jewish lawyer pursuing a lawsuit on behalf of the woman's family under the US Anti-Terrorism laws, he calls on Hana's expertise to take point on the case. After careful prayer, she joins forces with Jakob, and they quickly realize the need to bring in a third member for their team, an Arab investigator named Daud Hasan, based in Israel. To unravel the case, this team of investigators travels from the streets of Atlanta to the alleys of Jerusalem, a world where hidden motives thrive, the risk of death is real, and the search for truth has many faces. What they uncover will forever change their understanding of justice, heritage, and what it means to be chosen for a greater purpose.

Dr. Seuss's 1 2 3 Random House Books for Young Readers

This #1 New York Times bestseller is the perfect gift for the young artist in your life! A never-before-published Dr. Seuss non-fiction book about creating and looking at art! Based on an unrhymed manuscript and sketches discovered in 2013, this book is like a visit to a museum—with a horse as your guide! Explore how different artists have seen horses, and maybe even find a new way of looking at them yourself. Discover full-color photographic art reproductions of pieces by Picasso, George Stubbs, Rosa Bonheur, Alexander Calder, Jacob Lawrence, Deborah Butterfield, Franz Marc, Jackson Pollock, and many others—all of which feature a horse! Young readers will find themselves delightfully transported by the engaging equines as they learn about the creative process and how to see art in new ways. Taking inspiration from Dr. Seuss's original sketches, acclaimed illustrator Andrew Joyner has created a look that is both subtly Seussian and wholly his own. His whimsical illustrations are combined throughout with "real-life" art. Cameo appearances by classic Dr. Seuss characters (among them the Cat in the Hat, the Grinch, and Horton the Elephant) make Dr. Seuss's Horse Museum a playful picture book that is totally unique. Ideal for home or classroom use, it encourages critical thinking and makes a great gift for Seuss fans, artists, and horse lovers of all ages. Publisher's Notes discuss the discovery of the manuscript and sketches, Dr. Seuss's interest in understanding modern art, the process of creating the book, and information about each of the artists and art reproductions in the book.
