Conari Press

At a tender age, and through no fault of her own, Marie found herself with an unquenchable thirst for love and a gaping hole in her heart—a hole she desperately longed to fill. But how? Her journey to mend her brokenness would take her to all the wrong places, down a rough road with many twists, turns, and bumps along the way. At times she feared she would never find what she longed for as decision after decision only seemed to make the hole grow larger. But then, everything changed. Could the answer really have been right there all along? Through her story, Marie hopes to encourage others who may find themselves with a longing to heal their own broken, hole-ridden hearts. Share in Marie's story as she reveals the details of her own messy journey and perhaps find the key to your search along the way.

In this refreshing new take on spirituality, bestselling author Deepak

Chopra uses a fictional tale of a comedian and his unlikely mentor to show us a path back to hope, joy, and even enlightenment—with a lot of laughter along the way. Meet Mickey Fellows. A successful L.A. comedian, he's just a regular guy, with his fair share of fears, egocentricities, and addictions. After his father's death, Mickey meets a mysterious stranger named Francisco, who changes his life forever. The two begin an ongoing discussion about the true nature of being. Reluctantly at first, Mickey accepts the stranger's help and starts to explore his own life in an effort to answer the riddles Francisco poses. Mickey starts to look at those aspects of himself that he has hidden behind a wall of wisecracks all his life. Eventually Mickey realizes that authentic humor opens him up to the power of spirit—allowing him to finally make real connections with people. After taking the reader on a journey with Mickey, Chopra then spells out the lessons that Mickey's story imparts to us: ten reasons to be optimistic, even in our challenging world. Chopra believes that the healthiest response to life is laughter from the heart, and even in the face of global turmoil, we can cultivate an internal sense of optimism. Rich with humor and practical advice, *Why Is God Laughing?* shows us without a doubt that there is always a reason to be grateful, that every possibility holds the promise of abundance, and that obstacles are simply opportunities in disguise. In the end, we really don't need a reason to be happy. The power of happiness lies within each of us, just waiting to be unleashed. And Mickey Fellows's journey shows us the way.

THE MYSTIC PATH OF DIVINE LOVE The Process of Mystical Transformation and The Path of Divine Love This Volume focuses on the ancient wisdom teachings of "Neter Merri" -the Ancient Egyptian philosophy of Divine Love and how to use them in a scientific process for self-transformation. When love is fragmented and diminished by egoism the Divine connection is lost. The Ancient tradition of Neter Merri leads human beings back to their Divine connection, allowing them to discover their innate glorious self that is actually Divine and immortal. This volume will detail the process of transformation from ordinary consciousness to cosmic consciousness through the integrated practice of the teachings and the path of Devotional Love toward the Divine.

RELATIONSHIPS AS A SPIRITUAL

JOURNEY

Devi Press, Inc.

How can we connect the spiritual realizations of Buddhism with the psychological insights of the West? In *Toward a Psychology of Awakening* John Welwood addresses this question with comprehensiveness and depth. Along the way he shows how meditative awareness can help us develop more dynamic and vital relationships and how psychotherapy can help us embody spiritual realization more fully in everyday life. Welwood's psychology of awakening brings together the three major dimensions of human experience: personal, interpersonal, and suprapersonal, in one overall framework of understanding and practice.

IN DEEP WATERS

Random House

Learn how to successfully negotiate conflicts and deepen our most intimate relationships in this practical and thoughtful guide by an experienced Buddhist teacher, psychotherapist, and couples counselor. A committed relationship, as most people see it today, is a partnership of equals who share values and goals, a team united by love and dedicated to each other's growth on every level. This contemporary model for coupledness requires real intention and work, and, more often than not, the traditional archetypes of relationships experienced by our parents and grandparents fail us or seem irrelevant. Utilizing the wisdom of her years of personal and professional practice, Young-Eisendrath dismantles our idealized projections about love, while revealing how mindfulness and communication can help us identify and honor the differences with our partners and strengthen our bonds. These practical and time-tested guidelines are rooted in sound understanding of modern psychology and offer concrete ideas and the necessary tools to reinforce and reinvigorate our deepest relationships.

WHY IS GOD LAUGHING?

Shambhala Publications

Describes the unique teaching of *A Course in Miracles* that the quest for God is best accomplished through the transformation of our relationships from special relationships based on separate interests to holy relationships based on a common goal. This book is a revised and combined version of two earlier booklets that I wrote. They were two of the most popular books we have published. I hope that this expanded book will be as helpful to people seeking both to find a better way to be in relationship and to experience the love of God.

The starting point for *In Deep Waters: Spiritual Care for Young People in a Climate Crisis* is not news: the world as we know it is shifting. Several millennia of climate stability have come to an abrupt end. But, observes Talitha Amadea Aho, the young people of today do not remember stability. They see the world through crisis-colored glasses. Climate change is creating a spiritual emergency that is hitting their generation harder than any other. Today's climate crisis calls people of faith to a communal spiritual practice of care, especially for those who are more vulnerable because of their youth--the children, youth, and young adults of Generation Z. We must learn how to offer spiritual care that is informed by the spiritual-ecological crisis of their generation. This book will help you keep young people at the center of your community and listen to the troubles they have to share. Whether you are a Gen Z peer or a caring adult of any other generation, *In Deep Water* will show you how to offer ecologically informed spiritual care. We all need to do it today; we cannot wait until one of today's youngest generations grows up.

A Contemporary God: a Spiritual Path to Love, Peace and Power The Golden Sufi Center

Bookwiser's Favorite Books of the Year "Only God deserves absolute surrender because only God can offer absolutely dependable love." In our self-reliant era, most of us recoil from the concept of surrendering to a power or authority outside ourselves. But surrender need not be seen as threatening, especially when the One to whom we surrender is the epitome of goodness and love. God doesn't want his people to respond to him out of fear or obligation. Rather, he invites us to enter into an authentic relationship of intimacy and devotion. And so God calls us to move beyond mere obedience—by surrendering to love. In this profound book, David G. Benner explores the twin themes of love and surrender as the heart of Christian spirituality. Through careful examination of Scripture and reflection on the Christian tradition, Benner shows how God bids us to trust fully in his perfect love. God is love, and he intends for you to live in his love. Surrender to Love will lead you to an unexpected place, where yieldedness to God frees you to become who he created you to be. This expanded edition, one of three titles in *The Spiritual Journey* trilogy, includes a new epilogue and an experiential guide with questions for individual reflection or group discussion.

The Seven Spiritual Laws of Success
Harmony

Spiritual disciplines are often viewed primarily as a means to draw us closer to God. While these practices do deepen and enrich our "vertical" relationship with God, Kyle David Bennett argues that they were originally designed to positively impact our "horizontal" relationships--with neighbors, strangers, enemies, friends, family, animals, and even the earth. Bennett explains that this "horizontal" dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines. This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant, doable, and meaningful for everyday Christians. Bennett shows how the disciplines are remedial practices that correct the malformed ways we do everyday things, such as think, eat, talk, own, work, and rest. Through personal anecdotes, engagement with Scripture, and vivid cultural references, he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing, renewal, and transformation to our day-to-day lives and the world around us.

Journey of the Heart Zondervan
Pilgrimage on the Path of Love is the story of a woman on the spiritual path who travels alone to India. Arriving in New Delhi, expecting to be her publisher's guest, she finds herself instead in a Buddhist guest house with lamas from Ladakh. There she is introduced to Tibetan Buddhism and

befriends a lama. Traveling to a Himalayan hill station to write, and living very simply, she meets people from all over the world who share their wisdom of life. While living in a Buddhist monastery, she experiences a deepening of faith in the eternal harmony of creation. Finally, she embarks on a momentous journey to Ladakh, The Last Shangri-La, to await the lama she loves. There, her faith is severely tested, but in the end, she emerges as a fuller human being with a more mature understanding of the true nature of life and love.

Ascent to Love LifeRich Publishing

The author of international bestseller, *Shantaram*, takes us on a gripping personal journey of wonder and insight into science, belief, faith and devotion. Drawing on common-sense logic, sacred traditions, inspirations from the natural world and the iconoclastic instruction of his spiritual teacher, Roberts describes the step by step path he followed in search of spiritual connection, one that anyone, of any belief or none, can apply in their own lives. This gripping personal account of the Leap of Faith is a compellingly fresh, new addition to such enduring, spiritually inspiring works as *Zen and The Art of Motorcycle Maintenance*, *The Road Less Travelled* and *The Celestine Prophecy*. From the Author: "The Spiritual Path is for anyone searching for meaning and connection, for more answers than questions, and for practical help in resetting the spiritual compass."
