This comprehensive
collection of one hundred
short stories by the
French writer ranges from
a short fable to a novella
and includes such popular
masterpieces as "Bella-
Vista" and "The Tender
Shoot."

DEAD MAN UPRIGHT

Turtle Point Press
Written by the pioneering
scientist, theorist and
activist J. D. Bernal, this
futuristic essay explores
the radical changes to
human bodies and
intelligence that science
may bring about, and
suggests the impact of
these developments on
society. Bernal presents a
far-reaching vision of the
future that encompasses
space research and
colonization, material
sciences, genetic
engineering, and the
technological hive mind.

In his view, it will be
possible for the conditions
of civilization to reach a
state of materialist utopia.
For all three realms—the
world, the flesh, and the
devil—Bernal attempted
to map out the utmost
limit of technoscientific
progress, and found that
there are almost no limits.
With a new introduction
by McKenzie Wark.

**You and Me Against
the World** Melville House
As the First World War
reaches its final year, an
illicit love affair is
beginning between a
sixteen-year-old boy and
the young wife of a soldier
at the front. They meet
secretly in her flat on the
outskirts of Paris, in
cornfields and on river
banks. When she receives
letters from her husband,
they burn them together.
Intoxicated by passion,
they cannot bear to end
their affair, even when it
causes a scandal. Instead,
they can only hurtle
towards tragedy. Written
in spare, haunting prose
when Raymond Radiguet
was still a teenager, this
semi-autobiographical
novel became an instant
bestseller and its author
was hailed as a genius,

before dying tragically at
the age of twenty.
Expressing all the anguish
and joy of adolescence, it
is a work of startling
imagery and subtle
beauty. With a new
Introduction by Fay
Weldon 'A masterpiece.'
Jean Cocteau 'So assured
that one wonders how he
would have written in
maturity.' Guardian
A Novel Verso Books
An ex-cop gets sucked
back into an evil world he
thought he'd left behind
"Vealshank" Tani's life
ends in an abandoned
train station. The killers
don't just torture Tani,
they skin him and hang
him from a steal beam as
a treat for the carrion
eaters. This grisly scene
wouldn't matter to Gilrein,
a cabbie who knows to
mind his own business,
except that he spent the
evening as Tani's
chauffeur. Whether he
knows anything or not, his
life is now a liability to
August Kroger, kingpin
and rare-book addict—and
enemies of Kroger do not
live long. Before he drove
a Checker, Gilrein was a
cop, with a life built
around the force. His wife
wore a badge as well,

serving valiantly until the day an explosion took her life and forced Gilrein to abandon their profession. Sensing a connection between Tani's death and his wife's, Gilrein reopens the case, hoping to expose the conspiracy that ended her life—before it claims his too.

OUR LITTLE SECRET

Alma Books

The thrilling fourth volume in the Eve of Redemption series! In the wake of a deadly attack, veteran demonhunter Karian Vanador faces a daunting task: sending her friends and family into danger without being at their side. With her pregnancy progressing, she must see to other tasks: she must uncover a spy within her own Order, expose servants of the demon kings living right in her home city, and match wits with enemies that she knows little, if anything, about. And in all of this, she must act as a general, putting the lives of her friends and family at risk to see to an end she can't accomplish herself. Erijinkor Tesconis also faces a daunting task: he must lead the Silver Blades and their allies without Kari's expertise and sword arm.

Though a capable leader, he and his companions face an unknown danger, something only seen once before in the world.

Adding to the pressures of his task are challenges he is ill-prepared for: allying with werewolves, taking up authority over nobility, and working to patch relationships among his own family. Both will face tests that push them to their limits, weighing the balance of love for their families against duty and a deep-seeded desire to protect an entire world. But can either of them stand against the legacy of the Devil Queen herself?

Sphinx Deep Vellum Publishing

This early work by Henry James was originally published in 1888 and we are now republishing it with a brand new introductory biography. Henry James was born in New York City in 1843. One of thirteen children, James had an unorthodox early education, switching between schools, private tutors and private reading.. James published his first story, 'A Tragedy of Error', in the *Continental Monthly* in 1864, when he was twenty years old. In 1876, he emigrated to London, where he remained for

the vast majority of the rest of his life, becoming a British citizen in 1915. From this point on, he was a hugely prolific author, eventually producing twenty novels and more than a hundred short stories and novellas, as well as literary criticism, plays and travelogues. Amongst James's most famous works are *The Europeans* (1878), *Daisy Miller* (1878), *Washington Square* (1880), *The Bostonians* (1886), and one of the most famous ghost stories of all time, *The Turn of the Screw* (1898). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The world is infected and humanity is reduced to creatures of vicious insanity. Doctor Thorn's rescue by a group of young survivors is just the beginning of their nightmarish journey to survive. In this apocalyptic landscape, humankind has one final hope that rests on the strength and determination of 10 young men and women. [The Hidden World of Film Noir, 1941-1950](#) [The Devil](#)

in the Flesh

Offers a historical look at the life and career of Bob Dylan from four perspectives: his relationship to blackness, the influence of his singing style, his image on film, and his songwriting.

The Lost Staff of

Wonders Berkley

Count d'Orgel is handsome, charming, and carefree, a model of cool aristocratic aplomb. His wife, the Countess, is beautiful and pure and loves her husband more than anything in the world. But from the moment the d'Orgels meet and befriend the clever young François de Sérèyouse backstage at the circus, all three of these supremely civilized and witty people are caught up in an ever more intricate and seductive dance of deception and self-deception. At Count d'Orgel's masquerade ball, the real disguises are those of the human heart. Completed just before Raymond Radiguet's death at the age of twenty, Count d'Orgel's Ball is a love story that is as disturbing as it is delicious.

He Died with His Eyes

Open Penguin Classics

A seminal work of great force, Count d'Orgel is a

study of a three-sided relationship set in Paris after the First World War. John Bayley wrote that Radiguet is wholly in debt to the great French masters of economy and polished observation. His avowed intention was to create a picture of the beau monde as comprehensive as Proust's but far more taut and lapidary. In great measure he succeeded. The tale is certainly a masterpiece, one attempted and achieved by a young man of nineteen who was on his deathbed before it was published. Notes written by Jean Cocteau, Radiguet's mentor, are reprinted in this edition.

COUNT D'ORGEL

Penguin

It's been twenty years since Elisabeth's twin sister, Jacqueline, disappeared without a trace. At thirty Elisabeth is living in a small Alaskan town; she's in a loveless marriage and has a young daughter she loves but who reminds her too much of her long-missing sister. Elisabeth clings to the impossible belief that her sister is still alive and that they'll be reunited. Then Alfred, a stranger, arrives in town and claims to know exactly what

happened to Jacqueline.

He'll reveal the truth... but only if Elisabeth fulfills three requests. Requests which mean putting herself - and her family - in danger. -- adapted from jacket

Rasputin's Shadow Marion Boyars

This passionate and monumental biography reassesses the life and legacy of one of the most significant cultural figures of the twentieth century. Unevenly respected, easily hated, almost always suspected of being inferior to his reputation, Jean Cocteau has often been thought of as a jack-of-all-trades, master of none. In this landmark biography, Claude Arnaud thoroughly contests this characterization, as he celebrates Cocteau's "fragile genius—a combination almost unlivable in art" but in his case so fertile. Arnaud narrates the life of this legendary French novelist, poet, playwright, director, filmmaker, and designer who, as a young man, pretended to be a sort of a god, but who died as a humble and exhausted craftsman. His moving and compassionate account examines the nature of Cocteau's chameleon-like genius, his romantic attachments, his

controversial politics, and his intimate involvement with many of the century's leading artistic lights, including Picasso, Proust, Hemingway, Stravinsky, and Tennessee Williams. Already published to great critical acclaim in France, Arnaud's penetrating and deeply researched work reveals a uniquely gifted artist while offering a magnificent cultural history of the twentieth century.

Revolver Profile Books

Several restaurant workers are murdered by a robber, whose brother is killed by police during the chaotic event. As everyone struggles to heal after the incident, the gunman is determined to kill everyone involved in his brother's death.

The Devil in the Flesh

Open Road Media

A keepsake collection of Lord John Grey's shorter adventures and a spectacular addition to any Gabaldon fan's library, *Lord John and the Hand of Devils* brings three unique novellas together for the first time. *Lord John and the Hellfire Club* marks the first appearance of Lord John outside the *Outlander* novels. A young diplomat who had begged for Lord John's help is killed before

he can explain his need. Witnessing the murder, Grey vows to avenge the young man, as the trail leads to the notorious Hellfire Club and the dark caves beneath Medmenham Abbey. In *Lord John and the Succubus*, Grey's assignment as liaison to a Hanoverian regiment in Germany finds him caught between two threats: the advancing French and Austrian army, and the menace of a mysterious "night-hag," who spreads fear and death among the troops. Finally, in *Lord John and the Haunted Soldier*, Lord John is called to the Arsenal at Woolwich to answer a Royal Commission of Enquiry's questions regarding a cannon that exploded during the battle of Krefeld. Accusations ensue, and Lord John finds himself knee-deep in a morass of gunpowder, treason, and plot-haunted by a dead lieutenant, and followed by a man with no face.

THE DEVIL IN THE FLESH

Roaring Brook Press

A witty yet gripping pastiche of murder mysteries set in an Argentine seaside resort, peppered with literary allusions In seaside

Bosque de Mar, guests at the Hotel Central are struck by double misfortune: the mysterious death of one of their party, and an investigation headed by the physician, writer and insufferable busybody, Dr. Humberto Huberman. When quiet, young translator Mary is found dead on the first night of Huberman's stay, he quickly appoints himself leader of an inquiry that will see blame apportioned in turn to each and every guest--including Mary's own sister--and culminating in a wild, wind-blown reconnaissance mission to the nearby shipwreck, the *Joseph K*. Never before translated into English, *Where There's Love, There's Hate* is both genuinely suspenseful mystery fiction and an ingenious pastiche of the genre, the only novel co-written by two towering figures of Latin American literature. Famously friends and collaborators of Jorge Luis Borges, husband and wife Bioy Casares and Ocampo combine their gifts to produce a novel that's captivating, unashamedly erudite and gloriously witty.

Adult

An intoxicating sui generis novel by "the greatest mesmerist of modern times" (André Breton) The wealthy scientist Martial Canterel guides a group of visitors through his expansive estate, Locus Solus, where he displays his various deranged inventions, each more spectacular than the last. First, he introduces a machine propelled by the weather, which constructs a mosaic out of varying hues of human teeth, then shows a hairless cat charged with a powerful electric battery, and next a bizarre theater in which corpses are reanimated with a special serum to enact the most important movements of their past lives. Wondrously imaginative and narrated with Roussel's deadpan wit, Locus Solus is unlike anything else ever written.

The New Bond Adventure
Penguin

He belonged to the solemn race of men whose lives unfold too quickly to their close. Jean Cocteau "The Devil in the Flesh," one of the finest, most delicate love stories ever written, is set in Paris during the last year of the First World War. The narrator, a boy of sixteen, tells of his love

affair with Martha Lacombe, a young woman whose soldier husband is away at the front. The liaison soon becomes a scandal and their friends, horrified and incredulous, refuse to accept what is happening - even when the affair reaches its tragic climax. In the film "Le Diable au Corps" (with Gerard Philipe and Micheline Presle), Claude Autant-Lara recreated this story of the First World War with nostalgic tenderness. His sensitive dramatization treats the affair with such delicacy that many critics consider the love scenes to be among the most beautiful ever photographed. The film won the Grand Prix and the International Critics Prize. Raymond Radiguet wrote "The Devil in the Flesh" between the ages of sixteen and eighteen, about his own adolescent love affair with an older woman. He died from typhoid fever at the age of twenty. His only other novel is "Comte d'Orgel," also available from Marion Boyars Publishers. .."a triumph of the poetic intelligence: a masterpiece..." "New Statesman"

A Novel on Russian Themes Crown Books For Young Readers
A memoir about trauma

and writing yourself to a place of healing At 15, Emily is a relatively typical teenage girl living in the Maritimes. She lives with her eccentric dad as he prepares to build a log cabin. She rides her beloved horse and spends all her free time taking in the fresh air. But things aren't perfect, the winters are harsh and her dad's place is cold and draughty. Enter their neighbour who sees a girl in need and offers to lend a hand. Three words: "OUR LITTLE SECRET," and Emily's fate is sealed. Twenty five years later, Emily is adrift and depressed when she spots her neighbour again on a ferry. The events of that long-ago winter come rushing back, and she is forced to reckon with the past anew. She vows that she will bring him to justice, tell her secret, and come to terms with the wounds that defined so many years of her life. Inept lawyers, expensive therapy, and a broken justice system block Emily's path to peace. Only when she rediscovers her youthful artistic talent by putting pen to paper does she see a way out. Now in her fifties, Carrington has crafted a compulsively readable debut that

shows a powerful command of the comics medium. Our Little Secret is a testament to survival and to the importance of telling your story your way.
The Devil in the Flesh
