After Ever  
Happy  
Hachette UK  
An absolute  
must-read for  
anyone who  
loves books In  
Closing Time,  
Joe Queenan  
shared how he  
became a  
voracious  
reader to  
escape a  
joyless  
childhood.

Now, like  
many  
bibliophiles,  
he fears for  
the books that  
once saved  
him. In *One  
for the Books*,  
Queenan  
examines the  
entire culture  
of reading and  
what books  
really mean in  
people's lives  
today. What  
does it  
suggest if a  
person has no  
books  
displayed in  
his living

room? Can an  
obsession with  
reading prove  
detrimental to  
one's well  
being? How  
useful are  
covers in  
selling books?  
Queenan's  
many fans—as  
well as  
anyone who  
loves books  
and  
reading—will  
want to join  
him on his  
unforgettably  
funny and  
moving  
journey.

## BENGAL NIGHTS

Little, Brown Books for Young Readers  
A semi-autobiographical romance between a French engineer and the daughter of a Hindu family with which he stayed in India. A case of East meets West with all the joys and woes that such encounters bring. For her version of the story see her novel, *It Does Not Die*.

Harper Collins  
Three bestselling authors. Two delightful novels. One terrific collection!  
From Julia Quinn, author of the *Bridgerton* series, now streaming on Netflix—writing along with close friends and popular authors Eloisa James and Connie Brockway—comes *THE LADIES MOST...* a duo of cleverly crafted novels, *The Lady Most*

*Likely and The Lady Most Willing*, together for the first time.  
*THE LADY MOST LIKELY*  
Hugh Dunne, the Earl of Briarly, needs a wife, so his sister hands him a list of delectable damsels and promises to invite them—and a few other gentlemen—to her country house for what is sure to be the event of the season. Hugh will have time to woo whichever lady he most desires. Unless someone else

snatches her first. The invitation list includes: The always outspoken Miss Katherine Peyton The impossibly beautiful (and painfully shy) Miss Gwendolyn Passmore The widowed Lady Georgina Sorrell (who has no plans to marry, ever) And your hostess, Lady Carolyn Finchley, an irrepressible matchmaker with romantic plans for every last one of them—especially THE LADY MOST LIKELY to marry an eligible Earl. THE LADY MOST WILLING Taran Ferguson, laird of his clan, is determined that his ancient (if not so honorable) birthright be secured before he dies. When both his nephews refuse to wed, he takes matters into his own hands, raiding an English lord's Christmas ball and making off with four lovely potential brides (and one very irate duke). When his nephews, the Comte de Rocheforte and the Earl of Oakley, arrive for their annual holiday visit, they are drawn into a matchmaking party, of sorts. Among the unwitting guests are: Miss Fiona Chisholm, a beauty with a scandalous past Lady Cecily Tarleton, a lovely heiress—but she's English Miss Catriona Burns, a lady with no name or fortune, so clearly someone made a

mistake! As the snow piles up outside the highland castle, and the guests are forced to pass the time together, the initial dismay turns to unanticipated attractions and then irresistible passions - and indeed, there might be one LADY MOST WILLING to marry a Scottish lord. Harlequin Conceptut sub forma unui triptic, volumul e prima încercare în România de a face atât o istorie

exhaustivă a celei mai celebre cărți de proză scrise în limba engleză în secolul XX, cât și de a expune pentru publicul larg temele, tehnicile și mizele existențiale ale acesteia. Istoria lui Ulysses urmărește etapele cristalizării ideii și ale execuției proiectului, precum și complicata poveste ce a urmat după tipărirea semilegală în Franța, avatarurile în justiția

americană și consecințele pentru destinul cărții. Ea arată cum Ulysses a devenit un punct de răscruce în evoluția literaturii secolului XX și a celui actual, indiferent că a fost vorba de formulele experimentali ste radicale ori de modalități de exprimare a culturii populare. *The Rite St. Martin's Griffin* Forced into a marriage of convenience with Evan Sterling, the Duke of Rothschild, to

save her sister, American heiress August Crenshaw pulls every stunt in the book to make him call off the wedding.

**A Novel**  
Penguin  
The #1 New York Times- bestselling third installment of the All Souls series, and the basis for the final season of "A Discovery of Witches," coming soon to AMC+, Sundance Now, and Shudder. In The Book of Life Diana and Matthew time-travel back from Elizabethan London to make a dramatic return to the present--facing new crises and old enemies. At Matthew's ancestral home, Sept-Tours, they reunite with the beloved cast of characters from A Discovery of Witches--with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for Ashmole 782 and its missing pages takes on even more urgency. In the third volume of the All Souls series, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences . In palatial homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to Venice and beyond, the couple at last learn what the witches discovered so

many centuries ago. *Bared to You* Elefant Online Written by Rachael Denhollander, recipient of Sports Illustrated's Inspiration of the Year Award and one of Time's 100 Most Influential People (2018). "Who is going to tell these little girls that what was done to them matters? That they are seen and valued, that they are not alone and they are not unprotected?" Rachael Denhollander's voice was

heard around the world when she spoke out to end the most shocking USA gymnastics scandal in history. The first victim to publicly accuse Larry Nassar, the former USA Gymnastics team doctor who sexually abused hundreds of young athletes, Rachael now reveals her full story for the first time. How did Nassar get away with it for so long? How did Rachael and the other

survivors finally stop him and bring him to justice? And how can we protect the vulnerable in our own families, churches, and communities? What Is a Girl Worth? is the inspiring true story of Rachael's journey from an idealistic young gymnast to a strong and determined woman who found the courage to raise her voice against evil, even when she thought the world might not listen. In this

crucial cultural moment of #MeToo and #ChurchToo, this deeply personal and compelling narrative shines a spotlight on the physical and emotional impact of abuse, why so many survivors are reluctant to speak out, and what it means to be believed.

Acum, când am ajuns la sfârșitul acestui dialog, care a durat câțiva ani, ce semnificație are, pentru dumneavoastră? Bethany House  
Cartea de față prezintă jumătatea pedantă, disciplinată a celui care a scris, ca un program personal de evaziune, Visul lupului de stepă: 52 de texte, dedicate scriitorilor români, formează aici un „an ideal” consacrat literaturii recente, compus din respect pentru munca altora, din admirație

și entuziasm, dar și din responsabilitate critică a disocierilor lucide, tranșante, atunci când cazurile o impun.

In the instant New York Times bestseller that started the Dark Elements series, one kiss is enough to kill... Layla just wants to fit in at school and go on a date with Zayne, whom she's crushed on since forever. Trouble is, Zayne treats

Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else possesses. And even though Zayne is a Warden, part of the race of gargoyles tasked with keeping humanity safe, Layla's kiss will kill anything with a soul—including him. Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay

away, it's tough when that whole no-kissing thing isn't an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she's the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world. Penguin NEW YORK TIMES BESTSELLER Paris, L.A., and the world of ready to wear fashion provide rich backdrops for Danielle Steel's deeply involving story of a gifted designer whose talent and drive have brought her

everything—except the ability to erase her past and trust relationships. FIRST SIGHT New York. London. Milan. Paris. Fashion Week in all four cities. A month of endless interviews, parties, and unflagging work and attention to detail at the semiannual ready to wear fashion shows—the famous prêt-à-porter. At the center of the storm and avalanche of work is American Timmie

O'Neill, whose renowned line, Timmie O, is the embodiment of casual chic, in fashion and for the home. She has created a business that inspires, fills, and consumes her life. With an unerring instinct for what the next trend will be, an innate genius for business, tireless labor, and sheer fearlessness, starting from nothing, over two decades Timmie has built an international empire that has brought

her enormous satisfaction and success. In a world where humility and compassion are all too rare, her humor, kindness, integrity, and creativity are inspirational. Yet as blessed as she feels by her success, Timmie harbors the private wounds of a devastating childhood and past tragedy. She is too smart, too experienced, and too hurt to want much in her personal life

beyond a succession of convenient, very limited relationships. Always willing to take risks in business, she never risks her heart. But despite her well-ordered and highly controlled world, it turns out that Timmie O'Neill is not immune to magic when it strikes. And it strikes in Paris during Paris Fashion Week, when an intriguing Frenchman comes into her life when she gets sick. At first, Timmie and Jean-Charles

Vernier are only patient and physician. They become confidants and friends, corresponding at a safe distance between Paris and Los Angeles once she goes home. There is every reason why they must remain apart. But neither can deny their growing friendship and the electricity that sparks whenever they meet. First Sight is as complex and compelling as modern life itself. Careers,

families, histories, losses, duty, obligation, and fear of losing control and getting hurt. It is a tale of daring to take risks, and losing control just enough to have a life, when the opportunity presents itself. When two very different worlds and strong-willed people collide, everything changes in an instant, as they confront the age-old question of whether to lay oneself bare and risk intimacy—or

not. Are they brave enough to face what comes next? And will they do it together or apart? **BONUS:** This edition includes an excerpt from Danielle Steel's *A Perfect Life*. The Alienist (TNT Tie-in Edition) Lulian Stancu

The definitive, devastating account of the largest sex abuse scandal in American sports history- with new details and insights into the institutional failures, as well as the bravery that brought it to light. For decades, osteopathic physician Larry Nassar built a sterling reputation as the go-to doctor for America's Olympians while treating countless others at his office on Michigan State University's campus. It was largely within the high-pressure world of competitive gymnastics that Nassar exploited young girls, who were otherwise motivated by fear and intimidation, sexually assaulting hundreds of them under the guise of medical treatment. In Start by Believing, John Barr and Dan Murphy confront Nassar's acts, which represent the largest sex abuse scandal to impact the sporting world. Through

never-before-released interviews and documents they deconstruct the epic institutional failures and individuals who enabled him. When warnings were raised, self-serving leaders chose to protect their organizations' reputations over the well-being of young people. Following the paths traveled by courageous women- featuring a once-shy Christian attorney and a brash,

outspoken Olympic medalist-Barr and Murphy detail the stories of those who fought back against the dysfunction within their sport to claim a far-from-inevitable victory. The gymnasts' uncommon perseverance, along with the help of dedicated advocates brought criminals to justice and helped to fuel the #MeToo revolution. Start by Believing reveals the win-at-all-

costs culture in elite athletics and higher education that enabled a quarter century of heinous crimes.
