Jane is a young New York woman who can never seem to find the right man-perhaps because of her secret obsession with Mr. Darcy, as played by Colin Firth in the BBC adaptation of Pride and Prejudice. When a wealthy relative bequeaths her a trip to an English resort catering to Austen-obsessed women, however, Jane's fantasies of meeting the perfect Regency-era gentleman suddenly become more real than she ever could have imagined. Is this total immersion in a fake Austenland enough to make Jane kick the Austen obsession for good, or could all her dreams actually culminate in a Mr. Darcy of her own?In this addictive, charming and compassionate story, Shannon Hale brings out the Jane Austen obsessive in all of us.

"So many strange and wonderful things happen at every twist and turn, you'll be happy to wander with Josie . . . Each book she descends into seems to teach her something, and even if it's not obvious where the story is going, we're in it for the long haul." —NPR From Shannon Hale, bestselling author of *Austenland*, comes *Kind of a Big Deal*: a story that will suck you in—literally. It's the perfect way to live out her fantasies. Book after book, Josie the failed star finds a new way to shine. But the longer she stays in a story, the harder it becomes to escape. Will Josie find a story so good that she just stays forever?
