Little, Brown Books for Young Readers

"Who Could That Be at This Hour?" Little, Brown Books for Young Readers

A Series of Unfortunate Events #6: The Ersatz Elevator
Genz Publishing

Flannery Culp wants you to know the whole story of her spectacularly awful senior year. Tyrants, perverts, tragic crushes, gossip, cruel jokes, and the hallucinatory effects of absinthe -- Flannery and the seven other friends in the Basic Eight have suffered through it all. But now, on tabloid television, they're calling Flannery a murderer, which is a total lie. It's true that high school can be so stressful sometimes. And it's true that sometimes a girl just has to kill someone. But Flannery wants you to know that she's not a murderer at all -- she's a murderess.

Ask a Manager Little, Brown Books for Young Readers
NOW A NETFLIX ORIGINAL SERIES Like bad smells, uninvited weekend guests or very old eggs, there are some things that ought to be avoided. Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over. The tenth book in this outrageous publishing effort features more than the usual dose of distressing details, such as snow gnats, an organised troupe of youngsters, an evil villain with a dastardly plan, a secret headquarters and some dangerous antics you should not try at home. With the weather turning colder, this is one chilling book you would be better off without.

"WHY IS THIS NIGHT DIFFERENT FROM ALL OTHER NIGHTS?"

Egmont Books (UK)

The Great Escape for the Great War: the astonishing true story of two World War I prisoners who pulled off one of the most ingenious escapes of all time. FINALIST FOR THE EDGAR® AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND NPR • "Fox unspools Jones and Hill's delightfully elaborate scheme in nail-biting episodes that advance like a narrative Rube Goldberg machine."—The New York Times Book Review Imprisoned in a remote Turkish POW camp during World War I, having survived a two-month forced march and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors. To stave off despair and boredom, Jones takes a handmade Ouija board and fakes elaborate séances for his fellow prisoners. Word gets around, and one day an Ottoman official approaches Jones with a query: Could Jones contact the spirit world to find a vast treasure rumored to be buried nearby? Jones, a trained lawyer, and Hill, a brilliant magician, use the Ouija board—and their keen understanding of the psychology of deception—to build a trap for their captors that will ultimately lead them to freedom. A gripping nonfiction thriller, *The Confidence Men* is the story of one of the

only known con games played for a good cause—and of a profound but unlikely friendship. Had it not been for "the Great War," Jones, the Oxford-educated son of a British lord, and Hill, a mechanic on an Australian sheep ranch, would never have met. But in pain, loneliness, hunger, and isolation, they formed a powerful emotional and intellectual alliance that saved both of their lives. Margalit Fox brings her "nose for interesting facts, the ability to construct a taut narrative arc, and a Dickens-level gift for concisely conveying personality" (Kathryn Schulz, *New York*) to this tale of psychological strategy that is rife with cunning, danger, and moments of high farce that rival anything in *Catch-22*.

"Shouldn't You Be in School?" Harper Collins

An outstanding new voice in memoir, Christine Herbert takes the reader on a "time-machine tour" of her Peace Corps volunteer service as a health worker and educator from 2004-2006 in Zambia. Rather than a retrospective, this narrative unfolds in the present tense, propelling the reader alongside the memoirist through a fascinating exploration of a life lived "off the grid." At turns harrowing, playful, dewy-eyed and wise, the author's heart and candor illuminate every chapter, whether she is the heroine of the tale or her own worst enemy. Even at her most petulant, the laugh-out-loud humor scuppers any "white savior" mentality and lays bare the undeniable humanity-and humility-of the storyteller. Through it all, an undeniable love for Zambia-its people, land and culture-shines through. A must-read for the armchair adventurer, a book about Zambia - a personal Peace Corps Memoir.

THE SUNDAY TIMES TOP TEN BESTSELLER 'Annie Macmanus is writer whose understanding and capturing of human nature comes as easily to her as breathing' CANDICE CARTY-WILLIAMS 'A work of gilded melancholy that is going to take everyone by surprise' UNA MULLALLY 'Macmanus writes with flair and confidence rarely seen in a debut' SINÉAD GLEESON One Saturday morning, TJ McConnell wakes up to find his mother, Mary, gone. He doesn't know where - or why - but he's the only one who can help find her. Mary grew up longing for information about the mother she never knew. Her brother could barely remember her, and their father numbed his pain with drink. Now aged thirty-seven, Mary has lived in the same house her whole life. She's never left Belfast. TJ, who's about to turn eighteen, is itching to see more of the world. But when his mother disappears, TJ begins to realise what he's been taking for granted. MOTHER MOTHER takes us down the challenging road of Mary's life while following TJ's increasingly desperate search for her, as he begins to discover what has led her to this point. This is a story about family, grief, addiction and motherhood, and it asks an important question - if you spend your life giving everything to the ones you love, do you risk losing yourself along the way? 'A brilliant book...that explores the brutal legacy of addiction and the consequences of a deep grief left to stagnate' Sara Cox 'A tender, surprising, occasionally bleak, moving and delicate book' Irish Times 'A study of grief, addiction and what it means to be a mother' Stylist 'Melancholy, beautifully unadorned prose' Mail on

Sunday 'Unflinching and unsparing but also beautifully written' Daily Mail 'An incredible debut' Daily Mirror 'A page-turning exploration of grief, addiction, young motherhood and unbreakable family ties' British Vogue

The Unauthorized Autobiography Egmont Books (UK)

Before the Baudelaires became orphans, before he encountered A Series of Unfortunate Events, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Match wits with Lemony Snicket to solve thirteen mini-mysteries. Paintings have been falling off of walls, a loud and loyal dog has gone missing, a specter has been seen walking the pier at midnight -- strange things are happening all over the town of Stain'd-By-The-Sea. Called upon to investigate thirteen suspicious incidents, young Lemony Snicket collects clues, questions witnesses, and cracks every case. Join the investigation and tackle the mysteries alongside Snicket, then turn to the back of the book to see the solution revealed. A delicious read that welcomes readers into Lemony Snicket's world of deep mystery, mysterious depth, deductive reasoning, and reasonable deductions.

THE BAD BEGINNING

Bloomsbury Publishing

Thirteen-year-old Lemony Snicket begins his apprenticeship with S. Theodora Markson of the secretive V.F.D. in the tiny dot of a town called Stain'd By The Sea, where he helps investigate the theft of a statue.

The Bad Mood and the Stick Wildfire

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In The Reptile Room the siblings endure a car accident, a terrible smell, a deadly serpent, a long knife, a brass reading lamp, and the re-appearance of a person they'd hoped never to see again. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

The Hostile Hospital Ballantine Books

WARNING: LISTENING TO THIS TAPE WILL ONLY MAKE YOU WEEP... Dear Listener, If you are looking for a story about cheerful youngsters spending a jolly time at boarding school, look elsewhere. Violet, Klaus and Sunny Baudelaire are intelligent and resourceful children, and you might expect that they would do very well at school. Don't. For the Baudelaires, school turns out to be another miserable episode in their unlucky lives. Truth be told, within the chapters that make up this dreadful story, the children will face snapping crabs, strict punishments, dripping fungus, comprehensive exams, violin recitals. S.O.R.E., and the metric system. It is my solemn duty to stay up all night reading my history of these three hapless youngsters into a microphone, but you may be more comfortable getting a good night's sleep. In that

case, you should probably listen to something else. With all due respect, LEMONY SNICKET

The Read-Aloud Family W. W. Norton & Company

In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

ALL THE WRONG QUESTIONS, BOOK ONE

Little, Brown Books for Young Readers

NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemony Snicket's uproariously unhappy books continue to win readers, despite all his warnings.

"Shouldn't You Be in School?" Little, Brown Books for Young Readers

Before the Baudelaires became orphans, before he encountered A Series of Unfortunate Events, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Read the account of it all, in the debut volume of The New York Times bestselling series, available now with an intriguing new title

and look. In the first of four volumes, Lemony Snicket recounts the time he spent as a young man in a fading town under the care of a dubious chaperone. Navigating the mysteries of childhood can be difficult, and for Lemony Snicket, the tangled plots that surround him include a missing father, a flooding basement, suspiciously young taxi drivers, a stolen statue, a peculiar librarian, and more information than is necessary about a secret organization. Penned in signature style, *All the Wrong Questions: Question 1* (originally published as "Who Could That Be at This Hour?") invites you to untangle the mysteries that surround young Lemony Snicket.

A SERIES OF UNFORTUNATE EVENTS: LEMONY SNICKET

Little, Brown Books for Young Readers

New York Times bestselling author Lemony Snicket sheds light on the way bad moods come and go. Once there was a bad mood and a stick. The stick appeared when a tree dropped it. Where did the bad mood come from? Who picked up the stick? And where is the bad mood off to now? You never know what is going to happen.

MAKING MEANINGFUL AND LASTING CONNECTIONS WITH YOUR KIDS

Harper Collins

HarperCollins Canada presents the first of four volumes in a new series from one of the world's most mysterious literary figures, Mr. Lemony Snicket. Drawing on events that took place during a period of his youth spent in a fading town, far from anyone he knew or trusted, Snicket chronicles his experiences as an apprentice in an organization nobody knows about. While there, he began to ask a series of questions—wrong questions that should not have been on his mind. Who Could That Be at This Hour? is Snicket's account of the first wrong question. Mr. Snicket's first authorized autobiographical account of his childhood, the series features illustrations throughout by critically acclaimed Canadian artist Seth.

Mother Mother Harper Collins
