The Dirt Random House

This book is a detailed, first-hand account of Mötley Crüe's Red, White & Crüe tour. After summing up the Crüe's history from the fans' perspective in their first-ever live album six years earlier, Paul Miles finally got his chance to see the band live for the very first time. Travel across Australia with the author, sharing all his experiences with Mötley and their crew, the cities he visits, and the people he meets along the way. It's YOUR 'All Access' pass, taking you in and out of the strip club, the restaurant, the beach, aeroplanes, bars, arenas, hotel rooms, limos, shops, backstage corridors, nightclubs, dressing rooms - even the graveyard! Enjoy the humourous Mick Mars, the loud-as-hell Tommy Lee, the respectful Nikki Sixx, the classic Vince Neil, as well as cameos from Motörhead's Lemmy Kilmister. Includes: 6 shows in 8 days across Australia with Motörhead in December 2005 Copies of press releases and the full press conference transcript A unique insight into life on the road with Mötley Crüe Photos by Nikki Sixx and other members of the crew 100-plus tour pictures inc. Mötley keepsakes A short intro by Mighty Mike A wonderful documentation of the massive Carnival of Sins tour.

DON'T YOU LEAVE ME HERE

Random House

Mötley Crüe's lead singer and rock's ultimate bad boy, Vince Neil, lets the real dirt fly in this raw, raunchy, and completely uncensored road trip through the unbelievable depths of rock n' roll debauchery. You've seen The Dirt on Netflix, now read the nitty gritty stories in Vince's own words. For 30 years, Vince Neil has been one of rock's most notorious frontmen. From sex tapes with porn stars and multiple arrests for drunk and disorderly behavior to his turns as a strip club and tattoo parlor owner, his antics make Mick Jagger look like a choirboy. Now, he tells the whole story, in his own words, as it has never been told before. The glory days of excess. Vince's break with the band and his arduous re-uniting with its members, especially Tommy Lee. The tragic death of his daughter Skylar. And, for the first time, Vince painfully opens up about his actions (and lack of real consequences) surrounding his part in the drunk-driving death of his friend Razzle. Then there are the stories and anecdotes that even hardcore Crue fans don't know. We also hear the voices of his friends, rock star cronies, ex-wives, family, and children in an effort to get to the

heart of the matter. Tattoos and Tequila reveals the real Vince Neil, from his many vices--booze, sex, and many, many women, to his personal and private tragedies and triumphs as a musician and businessman. Sexy, shocking, and revelatory, this is the first personal account of one of rock's most troubled, outrageous, and flamboyant stars.

Tommyland Gallery Books

The author offers a candid view of his life, from his early days and the founding of the Christian rock band Stryper, to his split with them, subsequent solo career, and eventual reunion with the band.

Sing Backwards and Weep Harper Collins

'Man, there's nothing like being told you're dying to make you feel alive.' In 2013, Dr Feelgood founder, Blockheads member and musical legend Wilko Johnson was diagnosed with terminal cancer. With ten months to live, he decided to accept his imminent death and went on the road. His calm, philosophical response made him even more beloved and admired. And then the strangest thing happened: he didn't die. Don't You Leave Me Here is the story of his life in music, his life with cancer, and his life now - in the future he never thought he would see.

A Motley Crue Day-By-Day Simon and Schuster

“Heavy metal’s leading female rocker (Rolling Stone) bares all, opening up about the Runaways, the glory days of the punk and hard-rock scenes, and the highs and lows of her trailblazing career Wielding her signature black guitar, Lita Ford shredded stereotypes of female musicians throughout the 1970s and ‘80s. Then followed more than a decade of silence and darkness—until rock and roll repaid the debt it owed this pioneer, helped Lita reclaim her soul, and restored the Queen of Metal to her throne. In 1975, Lita Ford left home at age sixteen to join the world’s first major all-female rock group, the Runaways—a “pioneering band” (New York Times) that became the subject of a Hollywood movie starring Kristen Stewart ad Dakota Fanning. Lita went on to become “heavy rock’s first female guitar hero” (Washington Post), a platinum-selling solo star who shared the bill with the Ramones, Van Halen, Motley Crue, Bon Jovi, Def Leppard, Poison, and others and who gave Ozzy Osbourne his first Top 10 hit. She was a bare-ass, leather-clad babe whose hair was bigger and whose guitar licks were hotter than any of the guys’. Hailed by Elle as “one of the greatest female electric guitar players to ever pick up the instrument,” Lita spurred the meteoric rise of Joan Jett, Cherie Currie, and the rest of the Runaways. Her phenomenal talent on the fret board also carried her to tremendous individual success after the group’s 1979 disbandment, when she established herself as a “legendary metal icon” (Guitar World) and a

fixture of the 1980s music scene who held her own after hours with Nikki Sixx, Jon Bon Jovi, Eddie Van Halen, Tommy Lee, Motorhead’s Lemmy, Black Sabbath’s Tony Iommi (to whom she was engaged), and others. Featuring a foreword by Dee Snider, Living Like a Runaway also provides never-before-told details of Lita’s dramatic personal story. For Lita, life as a woman in the male-dominated rock scene was never easy, a constant battle with the music establishment. But then, at a low point in her career, came a tumultuous marriage that left her feeling trapped, isolated from the rock-and-roll scene for more than a decade, and—most tragically—alienated from her two sons. And yet, after a dramatic and emotional personal odyssey, Lita picked up her guitar and stormed back to the stage. As Guitar Player hailed in 2014 when they inducted her into their hall of fame of guitar greats: “She is as badass as ever.” Fearless, revealing, and compulsively readable, Lita Ford’s Living Like a Runaway is the long-awaited memoir from one of rock’s greatest pioneers—and fiercest survivors.

The DirtConfessions of the World's Most Notorious Rock BandHarper Collins

Motley Crue Ballantine Books

Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. **I've started to look at the world through apocalypse eyes.** So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller The Game, and one of the most original-and provocative-narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes-and now of world financial meltdown-Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked The Game, The Dirt, and How to Make Love Like a Porn Star, Emergency traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world-and how to stay alive in it. Before the next disaster

strikes, you're going to want to read this book. And you'll want to do everything it suggests.

Because tomorrow doesn't come with a guarantee...

Grand Central Publishing

#1 NEW YORK TIMES BESTSELLER • A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ “live documentary” *Beastie Boys Story*, directed by Spike Jonze **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone • The Guardian • Paste Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam “ADROCK” Horovitz and Michael “Mike D” Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, Licensed to Ill—and the album’s messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece Paul’s Boutique; their evolution as musicians and social activists over the course of the classic albums Check Your Head, Ill Communication, and Hello Nasty and the Tibetan Freedom Concert benefits conceived by the late Adam “MCA” Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, *Beastie Boys Book* upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys’ New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for *Beastie Boys Book* “A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band’s] records, the book’s structure is a lyrical three-man weave. . . . Diamond’s voice is lapidary, droll. Horovitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . . Friendship is the book’s subject as much as music, fame and New York.”—The New York Times Book Review “Wild, moving . . . resembles a Beastie Boys LP in its wild variety of styles.”—Rolling Stone**

MUSIC, PHOTOGRAPHY AND LIFE THROUGH THE DISTORTED LENS OF NIKKI SIXX

Hachette Books

Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

A Del of a Life Hachette Books

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In *Scar Tissue*, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. *Scar Tissue* is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

Slash: The Autobiography HarperEntertainment

(Book). Kickstart My Heart: A Motley Crue Day-by-Day is an exciting chronology that celebrates in innovative form through the use of day-by-day entries and supporting band quotes mostly collected firsthand by the author, as well as memorabilia shots and photography the crazy lives lived by Vince, Mick, Nikki, and Tommy at the booze-drenched apex of the rock-'n'-roll food chain. Augmented with entries that help place the band in a wider rock context, Popoff presents a swift-moving, action-packed symphony of text and visuals that reprises his collaboration with Backbeat on similarly structured titles about Iron Maiden and Ozzy Osbourne. With very few Motley Crue-related books on the market, Kickstart My Heart will likely serve for years to come as the most complete and completely party-hardy celebration of this band now 35 years on and in the midst of completing its final tour ever.

Complicated Fun Hachette UK

This gritty bestselling memoir by the singer Mark Lanegan of Screaming Trees, Queens of the Stone Age, and Soulsavers documents his years as a singer and drug addict in Seattle in the '80s and '90s. When Mark Lanegan first arrived in Seattle in the mid-1980s, he was just "an arrogant, self-loathing redneck waster seeking transformation through rock 'n' roll." Little did he know that within less than a decade he would rise to fame as the frontman of the Screaming Trees and then fall from grace as a low-level crack dealer and a homeless heroin addict, all the while watching some of his closest friends rocket to the forefront of popular music. In *Sing Backwards and Weep*, Lanegan takes readers back to the sinister, needle-ridden streets of Seattle, to an alternative music scene that was simultaneously bursting with creativity and dripping with drugs. He tracks the tumultuous rise and fall of the Screaming Trees, from a brawling, acid-rock bar band to world-famous festival favorites that scored a hit number five single on Billboard's alternative charts and landed a notorious performance on *Late Night with David Letterman*, where Lanegan appeared sporting a fresh black eye from a brawl the night before. This book also dives into Lanegan's personal struggles with addiction, culminating in homelessness, petty crime, and the tragic deaths of his closest friends. From the back of the van to the front of the bar, from the hotel room to the emergency room, onstage, backstage, and everywhere in between, *Sing Backwards and Weep* reveals the abrasive underlining beneath one of the most romanticized decades in rock history-- from a survivor who lived to tell the tale. Gritty, gripping, and unflinchingly raw, *Sing Backwards and Weep* is a book about more than just an extraordinary singer who watched his dreams catch fire and incinerate the ground beneath his feet. It's about a man who learned how to drag himself from the wreckage, dust off the ashes, and keep living and creating. "Mark Lanegan—primitive, brutal, and apocalyptic. What's not to love?" —Nick Cave, author of *The Sick Bag Song* and *The Death of Bunny Munro*

Horseshoes and Hand Grenades The Dirt Confessions of the World's Most Notorious Rock Band The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, *The Heroin Diaries* follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

Beastie Boys Book Simon and Schuster

This *Is Gonna Hurt* is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of *The Heroin Diaries*. A combination of powerful prose and dramatic photographs, *This Is Gonna Hurt* is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world.

This Is Gonna Hurt Hachette Books

The legendary frontman of Judas Priest, one of the most successful heavy metal bands of all time, celebrates five decades of heavy metal in this tell-all memoir. Most priests hear confessions. This one is making his. Rob Halford, front man of global iconic metal band Judas Priest, is a true "Metal God." Raised in Britain's hard-working, heavy industrial heartland, he and his music were forged in the Black Country. *Confess*, his full autobiography, is an unforgettable rock 'n' roll story—a journey

from a Walsall council estate to musical fame via alcoholism, addiction, police cells, ill-fated sexual trysts, and bleak personal tragedy, through to rehab, coming out, redemption . . . and finding love. Now, he is telling his gospel truth. Told with Halford's trademark self-deprecating, deadpan Black Country humor, *Confess* is the story of an extraordinary five decades in the music industry. It is also the tale of unlikely encounters with everybody from Superman to Andy Warhol, Madonna, Jack Nicholson, and the Queen. More than anything else, it's a celebration of the fire and power of heavy metal. Rob Halford has decided to *Confess*. Because it's good for the soul. Named one of the Best Music Books of 2020 by Rolling Stone and Kirkus Reviews

Guitar Play-Along Backbeat Books

'Someone called and said Kurt died. I just f*****g lost it.' He has sold over 40 million albums. He's been in bands that have changed popular music forever. He saw his best friend commit suicide. He starts supergroups. He's the nicest guy in rock. From Nirvana to Foo Fighters, from brotherhood to bitter rivalry, from breathless highs to lifeless lows, Paul Brannigan gives an unparalleled, intimate and extraordinary account of the life and times of Dave Grohl. In 1990, little-known punk-metal upstarts Nirvana added a new drummer to the band. They were soon to become a global phenomenon - but as we all know, things went wrong. Dave's friend Kurt, frontman of Nirvana, took his own life, plunging the band and their future into chaos. His friends' grief was mirrored by worldwide sorrow to an unprecedented degree. Defying expectations, a knack that was soon to become his trademark, Grohl refused to see it as the end. In 1995 his new band, the Foo Fighters, rose to join the pantheon of rock deities. The 'wonder years' were by no means calm. The spotlight existence imposed by his celebrity status, the bellogged vilification by his critics and his high-speed lifestyle proved a dangerous cocktail. With an account of Grohl's life that is more personal than anything written before, more startling, more thrilling, more heart-rending and more inspiring, Paul Brannigan reveals Dave fully for the first time. This is the story of the man who changed music forever. And he's not finished yet.

THE VELVET ROSE

Harper Collins

Mötley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies worldwide and landing their band biography *The Dirt* on bestseller lists around the country. Mötley Crüe is—amazingly—the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album *Shout at the Devil* through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and those close to them, Mötley Crüe reveals them onstage, backstage, on tour, hanging out, and in studio—a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.

The Craziest Band in the World Harper Collins

Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of *The Dirt*—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like *Tommyland* and *The Heroin Diaries*, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in *The Dirt*. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls *The Dirt* "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."
