The Final Conclave

Random House Books for Young Readers

Janice is invited to spend the weekend at an old Spanish mansion, where her uneasiness is justified by the discovery that she will not be permitted to leave.

Burning Down George Orwell's House

HarperCollins

A wryly humorous, often hilarious warts-and-all account of a jaded urbanite who downshifts to the Orkney Isles in search of Utopia only to discover that the grass, while certainly abundant, is not greener.

The Temple House

Vanishing Scholastic

Paperbacks

Long recognized as a classic of American nature writing. This chronicle of a solitary year spent on a Cape Cod beach was written in longhand at the kitchen table, in a little room overlooking the North Atlantic and the dunes. In 1964, the Cape Cod house was officially proclaimed a National Literary Landmark. In

1978, a massive winter storm swept it off its foundation and out to sea.

The Ratzinger Report

Windswept House Publications

In *The Jesuits*, Malachi Martin reveals for the first time the harrowing behind-the-scenes story of the "new" worldwide Society of Jesus. The leaders and the dupes; the blood and the pathos; the politics, the betrayals and the humiliations; the unheard-of alliances and compromises. The Jesuits tells a true story of today that is already changing the face of all our tomorrows.

It's been sixteen years since Caretta 'Cara' Rutledge has returned home to the beautiful shores of Charleston, South Carolina. Over those years, she has weathered the tides of deaths and births, struggles and joys. And now, as Cara prepares for

her second wedding, her life is about to change yet again. Meanwhile, the rest of the storied Rutledge family is also in flux. Cara's niece Linnea returns to Sullivan's Island to begin a new career and an unexpected relationship. Linnea's parents, having survived bankruptcy, pin their hopes and futures on the construction of a new home on Ocean Boulevard. But as excitement over the house and wedding builds, a devastating illness strikes the family and brings plans to a screeching halt. It is under these trying circumstances that the Rutledge family must come together yet again to discover the enduring strength in love, tradition, and legacy from mother to daughter to granddaughter. Like the sea turtles that come ashore annually on these windswept islands, three generations of the Rutledge family experience a season of return, rebirth, and growth.

 BuzzFeed From Ann
 Patchett, the #1 New York
 Times bestselling author
 of *Commonwealth*, comes
 a powerful, richly moving
 story that explores the
 indelible bond between
 two siblings, the house of
 their childhood, and a
 past that will not let them
 go. *The Dutch House* is
 the story of a paradise
 lost, a tour de force that
 digs deeply into questions
 of inheritance, love and
 forgiveness, of how we
 want to see ourselves and
 of who we really are. At
 the end of the Second
 World War, Cyril Conroy
 combines luck and a
 single canny investment
 to begin an enormous real
 estate empire, propelling
 his family from poverty to
 enormous wealth. His first
 order of business is to buy
 the Dutch House, a lavish

estate in the suburbs
 outside of Philadelphia.
 Meant as a surprise for his
 wife, the house sets in
 motion the undoing of
 everyone he loves. The
 story is told by Cyril's son
 Danny, as he and his
 older sister, the brilliantly
 acerbic and self-assured
 Maeve, are exiled from
 the house where they
 grew up by their
 stepmother. The two
 wealthy siblings are
 thrown back into the
 poverty their parents had
 escaped from and find
 that all they have to count
 on is one another. It is this
 unshakeable bond
 between them that both
 saves their lives and
 thwarts their futures. Set
 over the course of five
 decades, *The Dutch
 House* is a dark fairy tale
 about two smart people
 who cannot overcome
 their past. Despite every
 outward sign of success,
 Danny and Maeve are
 only truly comfortable
 when they're together.
 Throughout their lives
 they return to the well-
 worn story of what
 they've lost with humor
 and rage. But when at last
 they're forced to confront
 the people who left them
 behind, the relationship
 between an indulged
 brother and his ever-
 protective sister is finally
 tested.

Cardinal Ratzinger speaks
 candidly and forcefully
 about the state of the
 Church in the Post-Vatican
 II era. Here is the
 complete text of a
 meeting many have called
 a "historical turnabout" in
 the Church. The roots of
 the crisis that has
 troubled Catholics in the
 twenty years since the
 Council are analyzed with
 forthright clarity by one of
 the most authoritative
 voices in the Vatican.
 Here is a clear and
 uncompromising report on
 the dangers that threaten
 the Faith, from one who
 every day receives the
 most reliable information
 from every continent. Yet
 Ratzinger's observations
 are as hopeful and
 balanced as they are
 clear-sighted, forcefully
 re-affirming the immense

and positive work of Vatican II, whose genuine fruits this book provides a guideline for achieving.

CHUCKING IT ALL

Doubleday Books Named a Pick of the Month by Apple Books and a Best Book of Fall by Powell's and The Story Exchange "A gorgeous and revelatory blend of memoir, travelogue, and long-forgotten history."—Abbott Kahler Annabel Abbs's *Windswept: Walking the Paths of Trailblazing Women* is a beautifully written meditation on connecting with the outdoors through the simple act of walking. In captivating and elegant prose, Abbs follows in the footsteps of women who boldly reclaimed wild landscapes for themselves, including Georgia O'Keeffe in the empty plains of Texas and New Mexico, Nan Shepherd in the mountains of Scotland, Gwen John following the

French River Garonne, Daphne du Maurier along the River Rhône, and Simone de Beauvoir—who walked as much as twenty-five miles a day in a dress and espadrilles—through the mountains and forests of France. Part historical inquiry and part memoir, the stories of these writers and artists are laced together by moments in Abbs's own life, beginning with her poet father who raised her in the Welsh countryside as an "experiment," according to the principles of Rousseau. Abbs explores a forgotten legacy of moving on foot and discovers how it has helped women throughout history to find their voices, to reimagine their lives, and to break free from convention. As Abbs traces the paths of exceptional women, she realizes that she, too, is walking away from her past and into a radically different future. *Windswept* crosses continents and centuries in a provocative and poignant account of the power of walking in nature. *There is Still Love* Candlewick Press *Windswept House: A Vatican Novel* is a novel by Roman Catholic priest

and theologian Malachi Martin. The book charts the turmoil within the Catholic faith and within Vatican City.

When a grisly murder occurs on a Scottish island, Edinburgh detective Fin Macleod must confront his past if he is ever going to discover if the killing has a connection to another one that took place on the mainland.

Windswept Simon & Schuster

A finalist for the 2016 Philip K. Dick Award, *Windswept* is the gonzo noir you didn't know you needed until now. Newly reissued, this Author's Preferred Edition features essays, stories, and, for the first time, a mouth-watering recipe for chicken tacos. Two-fisted labor organizer Padma Mehta is on the edge of space and the edge of burnout. All she wants is to retire, buy a rum distillery, and spend the rest of her life on the beach. To do that, she has to recruit five hundred people to the Union, and she's thirty-three short. When a small-time scam artist tells her about forty people ready to tumble down the space elevator

to break free from her old bosses, Padma checks it out. Now Padma's up to her eyeballs in trouble as everyone around her starts turning up dead. Can she fight her way through the city's warehouses, sewage plants, and up the elevator itself to save her job, her planet, and her sanity? And can she do it all before Happy Hour? Praise for *Windswept*: "This twisty David-and-Goliath tale is clever, fast-paced, and frequently funny, taking plenty of well-deserved potshots at corporate greed." - Publishers Weekly "Adam Rakunas is one funny SOB, and now everyone's going to know it. *Windswept* is a zippy, zany ride, with more fast turns than a Wild Mouse rollercoaster. There's more witty banter and laughs per page than anything I've read in years, making this, my friends, the rarest kind of science-fiction-comedy novel: one that's actually funny. Buckle the hell up." - Daryl Gregory, award-winning author of *We Are All Completely Fine* "*Windswept* is a classic noir story shot full of space-rum and rocketed into the future." - The Seattle Review of Books "Part action-adventure,

part space opera, part farce... Recommended for Star Trek fans who loved stories like 'The Bell Riots'." - Dark Matter Zine "This mélange of fast-paced action, character study, social study and witty dialogue makes up a thoroughly enjoyable narrative treat." - Sci-Fi and Fantasy Reviews "I loved the worldbuilding of *Windswept*... Seriously, this book is just plain funny. Even so, it manages to present an interesting perspective on politics, consumerism, and unionizations." - Bookaneer

The Cold War has ended. With a scope and daring not possible until now, an unlikely international alliance of top-level political, financial, and religious interests sees the way clear at last to its ultimate goal: the establishment of a single global society. Utopia. These are men with nothing in common but immense power and a towering ambition for still more. With world unity and prosperity as their slogan--and with betrayal, scandal, and murder as their ready weapons--they have the means and the will to capture as their own the perfect global

machinery for their plans: the oldest, williest, and most stable political chancery in the world--the Vatican. At the vortex of this lethal struggle stands the embattled Pope, a geopolitical genius whose elimination is the short-term solution to a long-term goal, and two American brothers, Paul and Christian Gladstone, one a lawyer and the other a priest, who appear to be the perfect pawns. One falls prey to the sharp teeth of greed for power. The other will become one of the Slavic Pontiff's closest allies...and will discover the darkest secrets at the very heart of papal Rome. From America to Europe to Russia, in broad landscapes and clandestine corridors, a rich and varied cast--presidents and politicians, simple saints and savvy sinners, popes and pope-makers--clash with one another amid dramatic and sometimes bloody events that will affect the destiny of every person alive today.
