### KELLEY LACEY

*A Story of Mindanao and Sulu in Question and Answer* Anvil Publishing, Inc.

"Thomas McKenna has provided the first convincing explanation of a major insurgency that continued on its bloody course for nearly a quarter century. Given the enormous complexity of the revolt, the patchwork of ethnicities involved, and the opaque quality of the literature, McKenna's accomplishment is a considerable one."—Alfred W. McCoy, author of *The Politics of Heroin in Southeast Asia* "Superb as both ethnography and social history . . . offers significant new insights into the changing direction of Muslim politics in the Philippines and how to understand comparable movements elsewhere. It will be a basic reference for those interested in the dynamics of ethnoreligious political movements in general."—Dale Eickelman, author of *Knowledge and Power*

*Angels and Demons in Art* Getty Publications

With the release of *Ladlad I*, editors J. Neil Garcia and Danton Remoto have challenged oppressive and homophobic ideologies. Now on its second installment, *Ladlad 2* delivers more insights about gay life in the Philippines. It delves deeper on the closeted lives of gays—finding lifelong partner, seeking happiness, and accepting one's true self.

### INSURGENTS, CLANS, AND STATES

John Wiley & Sons

An endless festival amidst an endless war is the central image of this novel of the Philippines of the time of Marcos. Three young people seek relief from the suffocating repression and brutality of the Dictatorship by joining an ancient festival in the island of K----. They find instead that the war has followed them and that the festival is but a metaphor for an entire society and culture in conflict. The three find distinct destinies of death, liberation, affirmation and ultimately, salvation. This book is now considered a classic of Philippine literature.

### TWICE BLESSED

Linguistic Society of Philippines

Why were Moro insurgents unable to sustain their authority and legitimacy after gaining access to political power? The study shows how rebels who surrendered their arms in exchange for formal authority were unable to compete with powerful clans and local elites who provided basic security; captured increasing amounts of internal revenue allotments under a regime of devolution; and, enabled the spread of a shadow economy that

boosted their power and allowed citizens to secure their livelihoods with little taxation by the state. The implications are quite startling. Political legitimacy is not necessarily about building a strong state, but about weakening it. Legitimacy may be less about building peace, and more about demonstrating an ability to inflict violence. This books is useful to scholars interested in other contexts of insurgency and rebellion, and in understanding the challenges that lie behind sub-national state building and political settlements.

*Vampire the Masquerade 5th Edition Let the Streets Run Red* Tan Books

Catwoman: Nine Lives of A Feline Fatale is a thrilling celebration of one of the most popular female icons of all time. Since her inception in 1940, Catwoman has evolved from a simple cat burglar into a complex character who has played the role of both villain and heroine. An entertaining volume that spans the entire career of Batman's most alluring nemesis, this book reprints nine of Catwoman's most significant adventures, including her first felonious appearance as well as her most memorable battle with the Dark Knight.

### THE WILEY-BLACKWELL HANDBOOK OF PSYCHONEUROIMMUNOLOGY

Palala Press

Learn how to program with Python from beginning to end. This book is for beginners who want to get up to speed quickly and become intermediate programmers fast!

**The Internet and Healthcare** MacMillan

Published in association with Earthscan.

*Catwoman* Univ of California Press

This comprehensive resource details the history, methodology and development of research into psychoneuroimmunology, balancing it with meticulous coverage of both the clinical aspects and practical applications of the subject. A much-needed reference including overviews of key advances in the field Discusses how psychoneuroimmunological research is conceived and executed Includes contributions from a wealth of experts in the field Forward by Robert Ader and Nicholas Cohen, founders of the discipline Authoritative and interdisciplinary in scope - integrating biological and behavioral science

**State of War** Anvil Publishing, Inc.

In *Black Power TV*, Devorah Heitner chronicles the emergence of Black public affairs television starting in 1968. She examines two local shows, *New York's Inside Bedford-Stuyvesant* and Boston's *Say Brother*, and the national programs *Soul!* and *Black Journal*. These shows offered viewers radical and innovative programming: the introspections of a Black police officer in Harlem, African American high school students discussing visionary alternatives to the curriculum, and Miriam Makeba comparing race relations in the United States to apartheid in South Africa. While *Inside Bedford-Stuyvesant* and *Say Brother* originated from a desire to contain Black discontent during a period of urban uprisings and racial conflict, these shows were re-envisioned by their African American producers as venues for expressing Black critiques of mainstream discourse, disseminating Black culture, and modeling Black empowerment. At the national level, *Soul!* and *Black Journal* allowed for the imagining of a Black nation and a distinctly African American consciousness, and they played an influential role in the rise of the Black Arts Movement. *Black Power TV* reveals how regulatory,

activist, and textual histories are interconnected and how Black public affairs television redefined African American representations in ways that continue to reverberate today.

[Guide to the Sabbat](#) Lulu.com

This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the Guide to Imagery series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

enough. I am a vampire, and that is far more than enough. I am that which must be feared, worshipped and adored. The world is mine -- now and forever. No one holds command over me. No man. No god. No prince. What is a claim of age for ones who are immortal? What is a claim of power for ones who defy death? Call your damnable hunt. We shall see whom I drag screaming to hell with me. The Guide to the Sabbat examines the Sabbat exhaustively from the antitribu, or "anti-clans, " that populate its ranks, to the terrifying Disciplines they use, to their methods of waging war on the Camarilla and Antediluvians alike. This book also explores the Sabbat's progress in its war effort, chronicling the Cainites' inexorable spread across the East Coast and back to their usurped territories in the Old World.

### **IN COMPANY. ELEMENTARY : [STUDENT'S BOOK WITH SELF-STUDY CD-ROM]**

Routledge

Children should not just read the Bible, but experience it. In *The Story of the Bible* young readers will discover not only the sanctity and wisdom, but the excitement of the stories and events that shaped human history and brought about our salvation. Unlike anything else in the market, this series uses the "schoolhouse model" approach where children of all ages can engage with the content. From the great traditional content of the Text Books, to the challenging Test Books, to the fun Activity Books, to the unmatched media companion pieces, this product line has it all! Volume II, *The New Testament*, continues the journey, and introduces young readers to Jesus and the apostles. They'll marvel as they: \* Bow at the manger alongside Mary in the stable \* Witness Christ resist the Devil's temptations multiply the loaves and fishes, heal the sick, and raise the dead \* Experience His passion, death, resurrection, and ascension \* and hear the Holy Spirit come like fire at Pentecost to send Peter and the other apostles out into the world to become the foundation of the Church. Each account is told in story form to engage readers, with each narrative supplemented with actual Bible quotes. A closing summary provides context for the stories and reveals a lesson for daily life, while unique Biblical illustrations complement the stories. Help the children in your life come not just to know Christ, but to love Him with this groundbreaking series, *The Story of the Bible*. Their encounter with Jesus will never be the same. The Text Book, Test Book, and Video Lecture Series are targeted to middle school students, while the Activity Book and accompanying Teacher's Manual are for elementary aged students. The Audio Drama can be enjoyed by children of all ages.

*Black Power TV* White Wolf Games Studio

Based on a project of the Philippine Human Rights Information Centre, provides a framework for monitoring economic, social and cultural rights.

Critically examines existing economic and social (ESC) rights as defined in the UN instruments, and offers definitions and standards of the substance of ESC rights from grassroots consultations.
