In the body of your paper, use parenthetical documentation (Chapter 5 of MLA Handbook). The purpose of your documentation is for your readers to be able to locate the sources which you cite in your text when they look at your bibliography ("Works Cited") located at the end of your paper.

Include the author's last name in your parenthetical citation. MLA style for in-text citation doesn't vary if you're citing an article that you found online, rather than in print. Start your parenthetical citation with the author's last name. If there are 2 authors, list them both connected by the word "and."
