Time Enough
for Love

Simon and
Schuster
In this wholly
original work
of film
criticism,
David
Thomson,
celebrated
author of *The
Biographical
Dictionary of
Film*, probes
the many
ways in which
sexuality has
shaped the
movies--and

the ways in
which the
movies have
shaped
sexuality.
Exploring the
tangled
notions of
masculinity,
femininity,
beauty, and
sex that
characterize
our cinematic
imagination--
and drawing
on examples
that range
from
advertising to
pornography,
*Bonnie and
Clyde to Call
Me by Your
Name--*
Thomson

illuminates
how film as
art,
entertainment
, and business
has
historically
been a polite
cover for a
kind of erotic
séance. In so
doing, he
casts the art
and the artists
we love in a
new light, and
reveals how
film can both
expose the
fault lines in
conventional
masculinity
and point the
way past it,
toward a more
nuanced

understanding of what it means to be a person with desires.

What We Should Know about the People We Don't Know

Random House

What does ISIS really want? This is the definitive account of the strategy, psychology, and fundamentalism driving the Islamic State.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FOREIGN AFFAIRS •

“Worthy of Joseph Conrad . . . gripping,

sobering and revelatory.”—Tom Holland, New Statesman
The Islamic State inspired a wave of true believers to travel to Syria from Europe, America, and the Middle East, in numbers not seen since the Crusades.

What compelled tens of thousands of men and women to leave comfortable, privileged lives to join a death cult in the desert? Steven Pinker called Graeme Wood’s

analysis of this phenomenon in *The Atlantic* “fascinating, terrifying, occasionally blackly humorous.” In *The Way of the Strangers*, Wood uses character study, analysis, and original reporting to take us further into the Islamic State’s apocalyptic vision. Though the Islamic State has lost territory, it threatens to rise again, and its followers are plotting on every continent. From the

streets of Cairo to the mosques of London, Wood meets with supporters, recruiters, and scholars and asks them why they believe that killing and dying for this cause is the only path to Paradise. With a new afterword, *The Way of the Strangers* uncovers the theology and emotional appeal of this resilient group and explores its idiosyncratic, coherent approach to Islam. Just as Lawrence

Wright's *The Looming Tower* explained the rise of Al Qaida, this book will shape our understanding of a new and deadlier generation of terrorists. Praise for *The Way of the Strangers* "The Way of the Strangers represents journalism at its best: vivid writing, indefatigable legwork, and fearless analysis."—Robert D. Kaplan, author of *The Return of Marco Polo's World* "Wood is a

brilliant analyst and storyteller, and his firsthand reporting and language abilities make him the most reliable commentator on the Islamic State that I have read. His wit matches his intelligence ('Well-behaved Salafis seldom make history')—you don't get through any two pages in his book without a good laugh."—Peter Theroux, author of *Sandstorms:*

Days and Nights in Arabia
 “Excruciatingly well observed and devastatingly honest . . . This is the first and only book about the Islamic State to expose, explain, and ultimately undermine its ideology with the relentless irony that comes from blending deep knowledge with hands-on experience. Wood makes it impossible not to laugh, despite the horrors.”—Elisabeth Kendall, senior research

fellow in Arabic and Islamic studies, University of Oxford

 Meigs's account of the National Film Board of Canada production unfolds in a meditation on time, old age and bonding.
A Thriller
 Hachette UK
 The capstone and crowning achievement of the Future History series, from the New York Times bestselling Grand Master of Science

Fiction... Time Enough for Love follows Lazarus Long through a vast and magnificent timescape of centuries and worlds.
 Heinlein's longest and most ambitious work, it is the story of a man so in love with Life that he refused to stop living it; and so in love with Time that he became his own ancestor.

CAPITAL PUNISHMENT
T

Europa Editions
 Two dead in a terrorist

attack on the Second National Bank in Atlanta, a vicious mayoral re-election, and puzzling intervention by the Ku Klux Klan, complicates British counter-terrorism expert Dr. Marcus Denning's solemn dance of death with Abu Almussab, Denning's one-time torturer in Beirut. And both are being watched by a nameless man in the black Lincoln whose motivation is unknowable.

Nicholas J. Clough's taut, twisting thriller takes a headlong dive behind the mask of respectability and down into the depths of ferocity and deception.

THE COMPANY OF STRANGERS

Penguin
Reading level:
4 [red].
A Novel
Workman
Publishing
A Spanish
detective
investigates a
series of grisly
killings in a
crime thriller
that maintains
"an almost
unbearable

pitch of excitement" (Booklist). Called to a gruesome crime scene, Inspector Javier Falcón is shocked and sickened by what he finds there. Strewn like flower petals on the victim's shirt are the man's own eyelids, evidence of a heinous crime with no obvious motive. When the investigation leads Falcón to read his late father's journals, he discovers a disturbing and sordid past.

Meanwhile, more victims are falling. While he struggles to solve the case, he comes across a missing section of his father's journal—and becomes the murderer's next intended victim. Combining suspenseful storytelling with a thoughtful exploration of the human psyche, *The Blind Man of Seville* is a terrifying and "consistently stunning" police procedural from the Gold

Dagger Award-winning author of *A Small Death in Lisbon* (St. Louis Post-Dispatch). *Sleeping with Strangers* HMH A Russian gangster's death draws a Spanish police detective into danger in this "exciting, morally complex series" by the author of *A Small Death in Lisbon* (The Washington Post). As a sweltering Seville recovers from the shock of a terrorist attack, Inspector Jefe

Javier Falcón is struggling to find the bombers. The death of a gangster in a spectacular car crash offers vital evidence implicating the Russian mafia in his investigation, but it pitches Falcón into the heart of a turf war over prostitution and drugs. Now the target of vicious hoods, he finds that those closest to him are also coming under intolerable pressure: his best friend, who's spying

for the Spanish government, reveals that he is being blackmailed by Islamist extremists, and Falcón's own lover suffers a mother's worst nightmare. He might be able to bring the perpetrators of the bombing to justice, but there will be a devastating price to pay. "Few writers—in any genre—can match Wilson's depth of character and plot or his evocation of

place and of history."
 —The Boston Globe
This Land of Strangers
 SUNY Press
 "Durastanti casts the universal drama of the family as the sieve through which the self—woman, artist, daughter—is filtered and known."
 —Ocean Vuong A work of fiction about being a stranger in your own family and life. Every family has its own mythology, but in this family none of the myths

match up. Claudia's mother says she met her husband when she stopped him from jumping off a bridge. Her father says it happened when he saved her from an attempted robbery. Both parents are deaf but couldn't be more different; they can't even agree on how they met, much less who needed saving. Into this unlikely yet somehow inevitable union, our narrator is

born. She comes of age with her brother in this strange, and increasingly estranged, household split between a small village in southern Italy and New York City. Without even sign language in common - their parents have not bothered to teach them - family communications are chaotic and rife with misinterpretations, by turns hilarious and devastating. An outsider in every way, she longs for a freedom she's

not even sure exists. Only books and punk rock—and a tumultuous relationship—begin to show her the way to create her own mythology, to construct her own version of the story of her life. Kinetic, formally dazzling, and spectacularly original, this book is a funny and profound portrait of an unconventional family that makes us look anew at how language shapes our understanding

of ourselves. *A City of Strangers* Vintage The original uncut edition of STRANGER IN A STRANGE LAND by Hugo Award winner Robert A Heinlein - one of the most beloved, celebrated science-fiction novels of all time. Epic, ambitious and entertaining, STRANGER IN A STRANGE LAND caused controversy and uproar when it was first published and is still topical and challenging today. Twenty-five

years ago, the first manned mission to Mars was lost, and all hands presumed dead. But someone survived... Born on the doomed spaceship and raised by the Martians who saved his life, Valentine Michael Smith has never seen a human being until the day a second expedition to Mars discovers him. Upon his return to Earth, a young nurse named Jill Boardman sneaks into Smith's hospital room

and shares a glass of water with him, a simple act for her but a sacred ritual on Mars. Now, connected by an incredible bond, Smith, Jill and a writer named Jubal must fight to protect a right we all take for granted: the right to love. Seducing Strangers Little, Brown With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a

senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward. **The Company of Strangers**

Deception**

Anchor Books
The Company
of Strangers
shows us the
remarkable
strangeness,
and fragility,
of our
everyday
lives. This
completely
revised and
updated
edition

includes a
new chapter
analyzing how
the rise and
fall of social
trust explain
the
unsustainable
boom in the
global
economy over
the past
decade and
the financial
crisis that
succeeded it.
Drawing on
insights from
biology,
anthropology,
history,
psychology,
and literature,
Paul Seabright
explores how
our evolved
ability of
abstract
reasoning has
allowed
institutions
like money,

markets,
cities, and the
banking
system to
provide the
foundations of
social trust
that we need
in our
everyday
lives. Even the
simple acts of
buying food
and clothing
depend on an
astonishing
web of
interaction
that spans the
globe. How
did humans
develop the
ability to trust
total strangers
with providing
our most basic
needs?

A Natural History of Economic Life
 Talonbooks
 Limited
 How to get someone, somewhere, to do something.
 The job is using words, pictures, stories, and music to seduce strangers. In the industrial, mass-media, consumer economy of the past, the job was called advertising, and "Mad Men" did it. In today's service-based, social media-

focused, information economy, the job is called life, and everyone does it. Here's how you can do it. And do it better.

**IN THE
 COMPANY
 OF
 STRANGERS**

Columbia University Press
 Explores how humans' evolved ability of abstract reasoning has allowed such institutions as money, markets, cities and the banking system to provide a foundation of

social trust, in a revised edition that has a new chapter explaining how the rise and fall of social trust resulted in the financial crisis.
 Original.
A Natural History of Economic Life - Revised Edition
 HMH
 Sometime in the future the head librarian at a great center of learning suddenly disappears, leaving behind a journal that describes his weariness with a world "where people teach but

know nothing, where the sentences flow on endlessly but lead nowhere." His successor in the post becomes more and more intrigued by the vanished man's fate, until a series of mysterious clues lead him on a journey both inward and outward, to a world that begins where language ends. Within a matter of weeks he finds himself in the company of powerful dervishes,

God-intoxicated nomads whose eyes blaze with love, and ragged beggars with the smile of the Pure One. These men, the followers of an enlightened Shaykh, speak little, but simply to be in their company fills him with ecstasy and knowledge.

**THE
BENEFITS OF
CONNECTING
IN A
SUSPICIOUS
WORLD**

Houghton
Mifflin
Harcourt

A poignant, "top rank" espionage thriller spanning from WWII to the Cold War from the award-winning author of A Small Death in Lisbon (The Guardian). Portugal, 1944. Recruited by British intelligence to help uncover Nazi secrets of atomic warfare, math prodigy Andrea Aspinall soon disappears into the crowds of Lisbon, hiding behind a new identity. Karl Voss, an

attaché for German intelligence, arrives in the city under the purported agenda of helping the Reich, all the while secretly working to save his beloved home country from annihilation under their reign. Two lost souls meet in a city filled with haunting secrets and deadly lies, desperately trying to find love amid assassination attempts, shifting loyalties, and heartbreaking betrayals. And when tragedy

strikes, the repercussions last for decades, leading one of them on a quest, twenty-four years later, back into a sinister world of espionage long thought left behind. Hailed as both “a heartrending tale, unfolded with loving patience and rising tension” (Kirkus Reviews) and “an evocative and compelling thriller” (Publishers Weekly), *The Company of Strangers* is a provocative

and moving take on the classic espionage narrative, exploring what happens when the allegiances of heart and head oppose each other.
