TITUS ALONE

Harper Collins

In the 1930s, William Sloane wrote two brilliant novels that gave a whole new meaning to cosmic horror. In *To Walk the Night*, Bark Jones and his college buddy Jerry Lister, a science whiz, head back to their alma mater to visit a cherished professor of astronomy. They discover his body, consumed by fire, in his laboratory, and an uncannily beautiful young widow in his house—but nothing compares to the revelation that Jerry and Bark encounter in the deserts of Arizona at the end of the book. In *The Edge of Running Water*, Julian Blair, a brilliant electrophysicist, has retired to a small town in remotest Maine after the death of his wife. His latest experiments threaten to shake up the town, not to mention the universe itself.

A young heir matures within a bleak, sprawling castle filled with intrigue in this epic gothic trilogy, featuring over 100 illustrations by the author. Titus

is expected to rule this extraordinary kingdom and his eccentric and wayward subjects. But with the arrival of an ambitious kitchen boy, Steerpike, the established order is thrown into disarray. Over the course of these three novels—*Titus Groan*, *Gormenghast*, and *Titus Alone*—Titus must contend with a kingdom about to implode beneath the weight of centuries of intrigue, treachery, manipulation, and murder. Intoxicating, rich, and unique, *The Gormenghast Trilogy* is a tour de force that ranks as one of the twentieth century's most remarkable feats of imaginative writing. This special edition, published for the centenary of Mervyn Peake's birth, is accompanied by over one hundred of Peake's dazzling drawings. Praise for Mervyn Peake and the *Gormenghast Trilogy* “[Peake’s books] are actual additions to life; they give, like certain rare dreams, sensations we never had before and enlarge our conception of the range of possible experience.” —C. S. Lewis “Mervyn Peake is a finer poet than Edgar Allan Poe, and he is therefore able to maintain his world of fantasy brilliantly through three novels. It is a very, very great work. . . . A classic of our age.” —Robertson Davies “[A] magnificent ediface spun from thin air by a tortured genius.” —Liz Jensen, author of *The Rapture* “This extravagant epic about a labyrinthine castle populated with conniving Dickensian grotesques is the true fantasy classic of our time.” —*Washington Post Book World*

It is forty years since the death of Mervyn Peake (1911-68), the author of the much-loved Gormenghast novels. To mark the anniversary this first comprehensive edition of Peake's poetry is published. It includes every black-and-white illustration he made for his verse, together with many previously unpublished drawings. Of the more than 230 poems in the collection, over 80 are printed for the first time. Robert Maslen's detailed work on the manuscripts reveals the poems as a dazzling link between the fantasy world of Gormenghast and the narrative of Peake's own life and of the turbulent times he lived in. Peake emerges as a compelling poet, with an acute sense of his responsibilities as an artist, passionately engaged with current events, from unemployment in the 1930s to the horrors of the London Blitz and the concentration camp at Bergen-Belsen. He is also a fine love-poet and a sensitive observer of the human form. Readers who love the world of Peake's novels, and those who are new to his work, will discover here one of the great originals of the twentieth century.

Engine Summer A young man named Rush That Speaks is growing up in a far distant world -- one that only dimly remembers our own age, the wondrous age of the Angels, when men could fly. The immortality that awaits him, though, is one he could not have imagined.

Mervyn Peake (1911-1968) was a prolific and astonishingly original writer and artist, who touched at one time or another on almost every literary form.

The Far West (Frontier Magic, Book 3) Walker Studio

Part one of an unusual and astonishing new fantasy trilogy that blends fine literary fare with a terrific romp through the reimagined outskirts of Victorian-era London In the imaginary borough of Filching, the extensive Iremonger family (“kings of mildew, moguls of mould”) have made a fortune from junk, building a dark and sprawling mansion from salvage scrap. Heap House is surrounded by the dangerous, noxious, shifting Heaps that stretch beyond its bounds. And within its walls, certain objects begin to display strange signs of life. Young Clod Iremonger is about to be "trouserred" and betrothed (unwillingly) to his cousin Pinalippy when he meets the plucky orphan servant Lucy Pennant, with whose help he begins to uncover the dark secrets of his family’s empire. Mystery, romance and the perils of the Heaps await! Gorgeously (and ghoulishly) illustrated by the author, Heap House is peopled with unforgettable characters with delightfully skewed names--anxious, animal-loving Tummis with his pet seagull; menacing cousin Moorcus; dreadful Aunt Rosamud and more. As Carey writes, “Every life is thick with rubbish, but the Iremongers did it with a difference.”

A Lit Hub Best Book of 2016 • One of Electric Literature's Best Novels of 2016 • An Entropy Best Book of 2016 “The duchess herself would be delighted at her resurrection in Margaret the First...Dutton expertly captures the pathos of a woman whose happiness is furrowed with the anxiety of underacknowledgment.” —Katharine Grant, The New York Times Book Review Margaret the First dramatizes the life of Margaret Cavendish, the shy, gifted, and wildly unconventional 17th-century Duchess. The eccentric Margaret wrote and published volumes of poems, philosophy, feminist plays, and utopian science fiction at a time when "being a writer" was not an option open to women. As one of the Queen's attendants and the daughter of prominent Royalists, she was exiled to France when King Charles I was overthrown. As the English Civil War raged on, Margaret met and married William Cavendish, who encouraged her writing and her desire for a career. After the War, her work earned her both fame and infamy in England: at the dawn of daily newspapers, she was "Mad Madge," an original tabloid celebrity. Yet Margaret was also the first woman to be invited to the Royal Society of London—a mainstay of the Scientific Revolution—and the last for another two hundred years. Margaret the First is very much a contemporary novel set in the past. Written with lucid precision and sharp cuts through narrative time, it is a gorgeous and wholly new approach to imagining the life of a historical woman. "In Margaret the First, there is plenty of room for play. Dutton’s work serves to emphasize the ambiguities of archival proof, restoring historical narratives to what they have perhapsalways already been: provoking and serious fantasies,convincing reconstructions, true fictions.”—Lucy Ives, The New Yorker “Danielle Dutton engagingly embellishes the life of Margaret the First, the infamousDuchess of Newcastle-upon-Tyne.” —Vanity Fair

'Nonsense', wrote Mervyn Peake, 'can take you by the hand and lead you nowhere. It's magic.' Peake (1911-68) is one of the great English nonsense poets, in the tradition of Lewis Carroll and Edward Lear. His verses lead the reader into places where cause is cut free of effect and language takes on a giddy life of its own. Malicious bowler hats threaten their owners, a cake is chased across an ocean by a rakish knife, aunts become flatfish or live on sphagnum moss. Fully annotated, with a detailed introduction, Complete Nonsense contains all the poems and illustrations from Peake's *Book of Nonsense* (1972), with forty unpublished poems discovered in manuscripts and thirty from uncollected sources, including all the nonsense verses from his novels. It reprints complete - for the first time and in colour - the words and images from *Rhymes without Reason* (1944), and Peake's comic masterpiece *Figures of Speech* (1954). All the poems have been newly edited, often from Peake's manuscripts, by Robert Maslen, editor of Peake's *Collected Poems* (Carcanet), and Peter Winnington, the leading Peake scholar and biographer. Peake wrote of the rare art that glitters with the divine lunacy we call nonsense': Complete Nonsense glitters with Peake's benign and wayward imagination.
