Introduction. Nursing documentation is the record of nursing care that is planned and delivered to individual patients by qualified nurses or other caregivers under the direction of a qualified nurse [].Nursing documentation is the principal clinical information source to meet legal and professional requirements [].It is a vital component of safe, ethical and effective nursing practice whether ...

Principles Of Marketing 8th Canadian Edition Kotler

The Axum University was established in Axum in May 2006 on a greenfield site, four kilometers (2.45 miles) from the town center; the inauguration ceremony was held on 16 February 2007. The current area of the campus is 107 hectares, with ample room for expansion. [citation needed] The establishment of a university in Axum is expected to contribute much to the ongoing development of the country ...
