**Bektashism in Albania** Univ of Wisconsin Press

Que savons-nous des littératures balte, hongroise, sorabe, rrom, ukrainienne... toutes si lointaines... et pourtant si proches? Longtemps victimes de conditions historiques ou politiques qui les ont maintenues dans une quasi-inexistence, elles affirment aujourd'hui leur identité. Permettre au lecteur français de découvrir la diversité et la richesse des littératures des pays et "peuples" de l'Europe "médiante" tel est le but de cet ouvrage, fruit de la collaboration de plus d'une vingtaine de spécialistes. Ce volume s'inscrit dans le programme des travaux du Centre d'études de l'Europe médiane (CEEM) de l'Institut national des langues et civilisation orientales (INALCO) à Paris. *An Outline of Prose, Poetry, and Drama* Editions L'Harmattan Professor Skendi, a native of Albania, traces the progress and setbacks of Albania's long struggle for national unity during this least-known period of its intricate history. He discusses the heritage

of its people and examines in detail the developments that led to Albanian independence: national resistance to the decisions of the Congress of Berlin, later opposition to Turkey, and the struggle between the Albanians and the Young Turks. Consideration is given to such internal problems as geographic configuration, religious and political division, and to such external problems as Italo-Austrian rivalry, political interference from neighboring states, and the involvement of great powers. Originally published in 1967. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

*folklore* Popular Sufism in Eastern Europe Sufi Brotherhoods and the Dialogue with Christianity and 'Heterodoxy' In this fast-paced, high-stakes debut novel, sixteen-year-old Sam McKenna discovers that becoming one of the first girls to attend a revered military academy means living with a target on her back. As Sam struggles to prove herself, she learns that a decades-old secret society is alive and active . . . and determined to force her out. Fans of Simone Elkeles and Trish Doller will love Rites of Passage's perfect blend of sizzling romance and edge-of-your-seat suspense.

The Bektashi dervish order is a Sufi Alevite sect found in Anatolia and the Balkans with a strong presence in Albania. In this, his final book, Robert Elsie analyses the Albanian Bektashi and considers their role in the country's history and society. Although much has been written on the Bektashi in Turkey, little has appeared on the Albanian branch of the sect. Robert Elsie considers the history and culture of the Bektashi, analyses writings on the order by early travellers to the region such as Margaret Hasluck and Sir Arthur Evans

and provides a comprehensive list of tekkes (convents) and tyrbes (shrines) in Albania and neighbouring countries. Finally he presents a catalogue of notable Albanian Bektashi figures in history and legend. This book provides a complete reference guide to the Bektashi in Albania which will be essential reading for scholars of the Balkans, Islamic sects and Albanian history and culture.

The Columbia Guide to the Literatures of Eastern Europe Since 1945 Bloomsbury Publishing

"The Bektashi Way is profoundly simple yet perplexingly complex, striking in its boldness yet gracious in its subtlety; consequently, while shining forth brightly it still is seemingly cloaked in obscurity. There have been attempts to gather its history, characteristic ideas, and observable aspects together and to elucidate its inner wisdom in prose, but few of these attempts have been made by knowledgeable insiders, and even fewer of these have been made in English. This full translation of Baba Rexheb's Islamic

A l'heure où la "question albanaise" et le statut du Kosovo demeurent d'actualité, mais aussi où les rapports entre islam et Europe sont débattus au sujet de l'adhésion éventuelle de la Turquie à l'Union européenne, il n'est pas inutile de revenir sur la formation de la nation albanaise, la seule nation majoritairement musulmane qui ait acquis un Etat sur le vieux continent au moment de la première vague de formation d'Etats-nations. Ce livre a pour but de montrer comment l'albanisme, c'est-à-dire l'affirmation d'une identité albanaise au sens moderne, s'est développé, en lien avec les transformations sociales et politiques de la société provinciale ottomane.

The Iron Curtain concealed from western eyes a vital group of national and regional writers. Marked by not only geographical proximity but also by the shared experience of communism and its

collapse, the countries of Eastern Europe -- Poland, Hungary, Albania, Romania, Bulgaria, and the former states of Yugoslavia, Czechoslovakia, and East Germany -- share literatures that reveal many common themes when examined together. Compiled by a leading scholar, the guide includes an overview of literary trends in historical context; a listing of some 700 authors by country; and an A-to-Z section of articles on the most influential writers.

### **DISCOVERING ALBANIAN I TEXTBOOK**

Lulu.com

Approximately five million people worldwide speak Albanian. The opening of Albania in the 1990s to broader trading and diplomatic relations with other nations has created a need for better knowledge of the language and culture of this country. This book teaches the student to communicate in everyday situations in the language, with each chapter introducing a new situational context. Students learn to discuss work, vacations, health, and entertainment. Students also learn to practice basic skills such as shopping, ordering tickets, and renting an apartment. Upon completing this textbook, students will be at the A2/B1 level of proficiency on the scale provided by the Common European Framework of Reference for Languages (CEFR). The textbook includes: • eighteen lessons based on real-life situations, including three review lessons • dialogues to help introduce vocabulary and grammatical structures • comprehension questions and exercises • related readings at the end of each chapter • full translations for all examples discussed in grammar sections • a series of appendixes with numerous charts summarizing main classes of nouns, adjectives, and verbs • an appendix with the solutions to most of the exercises in the book • a glossary with all the words in the dialogues and readings.

### **MYSTIQUES, PHILOSOPHES, ET FRANCS-MAÇONS EN ISLAM**

L'Act Mem

In this bitterly funny novel by the renowned Polish author Witold Gombrowicz, a writer finds himself tossed into a chaotic world of schoolboys by a diabolical professor who wishes to reduce him to childishness. Originally published in Poland in 1937, Ferdurke became an instant literary sensation and catapulted the young author to fame. Deemed scandalous and subversive by Nazis, Stalinists, and the Polish Communist regime in turn, the novel (as well as all of Gombrowicz's other works) was officially

banned in Poland for decades. It has nonetheless remained one of the most influential works of twentieth-century European literature. Ferdurke is translated here directly from the Polish for the first time. Danuta Borchardt deftly captures Gombrowicz's playful and idiosyncratic style, and she allows English speakers to experience fully the masterpiece of a writer whom Milan Kundera describes as "one of the great novelists of our century."

AI ESEE Bulletin Harper Collins

This is a detailed description of the various Sufi orders and movements which entered into the Balkans, the Crimean peninsula and other parts of Eastern Europe following the Ottoman conquests. Many of the Sufis came from Christian societies, principally from an Eastern Orthodox background, but others, such as the Bosnians, from churches that were accused or suspected of heterodoxy of belief and of antinomianism. These beliefs, together with pre-Christian beliefs, influenced by Manicheism, Dualism and pantheism, left their mark on Sufi Islam. The book concentrates on the Bosnians, Bulgarians, Albanians and Tatars. Their Sufism reflects their national aspirations, and their writings fuse their mysticism, national faith and folklore in a Sufism which is quite distinct from that in other regions of the Muslim world.

Studime filologjike Editions L'Harmattan

Ce premier ouvrage en français présentant la langue et la culture de l'Albanie, paraît au moment où le pays, ouvert à l'Europe, est bien décidé à reconstruire son économie dans la démocratie. Le lecteur y trouvera une mine d'informations sur les sujets les plus divers comme l'histoire, la culture et les attraits touristiques du pays, mais surtout il pourra s'initier à cette langue indo-européenne originale et disposer des matériaux nécessaires pour pratiquer une conversation simple. Un lexique français-albanais (3 400 mots environ) et albanais-français (plus de 5 400 mots) ainsi qu'une bibliographie complètent ce livre écrit dans un style clair et à la portée de tous les publics. *Sofia, 26 août-1 sept. 1966* A.I.S.
