A moving portrait of Africa from Poland's most celebrated foreign correspondent - a masterpiece from a modern master. Famous for being in the wrong places at just the right times, Ryszard

Kapuscinski arrived in Africa in 1957, at the beginning of the end of colonial rule - the "sometimes dramatic and painful, sometimes enjoyable and jubilant" rebirth of a continent. The Shadow of the Sun sums up the author's experiences ("the record of a 40-year marriage") in this place that became the central obsession of his remarkable career. From the hopeful years of independence through the bloody disintegration of places like Nigeria, Rwanda and Angola, Kapuscinski recounts great social and political changes through the prism of the ordinary African. He examines

the rough-and-ready physical world and identifies the true geography of Africa: a little-understood spiritual universe, an African way of being. He looks also at Africa in the wake of two epoch-making changes: the arrival of AIDS and the definitive departure of the white man. Kapuscinski's rare humanity invests his subjects with a grandeur and a dignity unmatched by any other writer on the Third World, and his unique ability to discern the universal in the particular has never been more powerfully displayed than in this work.

The Eye of the World Penguin Classics

"When Sofia Claremont was kidnapped to a sunless island, uncharted by any map and ruled by the most powerful vampire coven on the planet, she believed she'd forever be a captive of its dark ruler, Derek Novak. Now, after months of surviving an endless night, the morning sun may soon rise again for Sofia. Something has possessed Derek's heart and he offers her a gift no human slave has ever been given in the history of his cursed island: escape. High school, prom and a chance to move on with her life now await her. But will she be able to forget the horrors that steal her sleep away at night? ... or the feelings that haunt her for that tormented prince of darkness?"--Page 4 of cover.

A Book of Golden Deeds Stephanie Bruer

The American poet John Shade is dead; murdered. His last poem, 'Pale Fire', is put into a book, together with a preface, a lengthy commentary and notes by Shade's editor, Charles Kinbote. Known on campus as the 'Great Beaver', Kinbote is haughty, inquisitive, intolerant, but is he also mad, bad - and even dangerous? As his wildly eccentric annotations slide into the personal and the fantastical, Kinbote reveals perhaps more than he should. Nabokov's darkly witty, richly inventive masterwork is a suspenseful whodunit, a story of one-upmanship and dubious penmanship, and a glorious literary conundrum. Part of a major new beautiful hardback series of the works of Vladimir Nabokov, author of *Lolita* and *Pale Fire*, in Penguin Classics.

At a time when Derek desperately needs full cooperation from his subjects, they wish to put their own King on trial. Meanwhile, Sofia is being held hostage by the hunters. The only fuel that keeps her going is the thought of reuniting with Derek--something Reuben is fighting with every fiber of his being. Suddenly, Reuben seems to have a change of heart and offers Sofia a solution that would secure her and Derek's future together. But can she really trust this man who is so renowned for his hatred of vampires?

But as the years pass, Giovanni grows old, and his talents begin to fail him. No longer a celebrated performer, he is once again poor and homeless, begging for his food. Until one Christmas Eve, when Giovanni picks up his rainbow of colored balls once more. Welcome to the 5th book of The Shade series... "Of course you know waho I am. I'm a daughter of the darkness just as surely as you are his son..." Book One of 'The Wheel of Time' Houghton Mifflin Harcourt 379 AD: Thracia has fallen to the Gothic horde... With the ashes of Adrianople still swirling in the air, the Eastern Roman Empire is in turmoil. Numerius Vitellius Pavo, now Tribunus of the XI Claudia, tries to hold his patchwork ranks together amidst the storm. One of the few legions to have survived the disaster at Adrianople, the Claudia do what they can to keep alive the dying flame of hope.

When word spreads of a new Eastern Emperor, those hopes rise. But the coming of this leader will stir the Gothic War to new heights. From the ashes of Adrianople, new heroes will rise... with dark ghosts in close pursuit.

Shades of Love: Poetry of Life and Love Lost and Found By: Haviv Elana Trocki-Videll While others may write their thoughts in a diary, after a great date or horrific fight with friends and loved ones, Haviv Elana Trocki-Videll has written and continues to write poems inspired by her experiences. *Shades of Love... is a book of 18 of these poems, inspired by the ups and downs of her personal experiences in life and love. She chose 18 of her poems for this book because the number 18 signifies life and also because she wanted to remind readers that in life we experience many shades of love (romantic, be it unrequited or reciprocal, platonic, unconditional, personal, even hatred is a shade of love and not its opposite, as it stems from feeling, caring). Each of these is an equally important experience. That as such, even if you think you have never found love, we have all experienced even romantic love in life. Love, like life, is a journey, not a destination. So one should face all shades of love and life with courage, bravery, and optimism, for love is never really lost.*

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller *The Way I Am* Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, *The Way I Am* has been hailed as "fascinating," "compelling," and "candid."
