Battles are fought, bribes are offered, and conspiracies are set in motion. Across the sea, a ruthless empire watches for even the slightest weakness. And Sophos, anonymous and alone, bides his time. THREE TIMES

Little, Brown Books for Young Readers Scions have no limits Scions do not die And Scions do not disappear Sergeant Ted Regan has a problem. A son of one of the great corporate families, a Scion, has gone missing at the front. He should have been protected by his Ironclad – the lethal battle suits that make the Scions masters of war – but something has gone catastrophically wrong. Now Regan and his men, ill-equipped and demoralised, must go behind enemy lines, find the missing Scion, and uncover how his suit failed. Is there a new Ironcladkiller out there? And how are common soldiers lacking the protection afforded the rich supposed to survive the battlefield of tomorrow? A new standalone novella by the Arthur C Clarke Award-winning author of *Children of Time*. *Landscape with Invisible Hand* Knopf Books for Young Readers Jeffrey isn't a little boy with cancer anymore. He's a teen who's in remission,

but life still feels fragile. The aftereffects of treatment have left Jeffrey with an inability to be a great student or to walk without limping. His parents still worry about him. His older brother, Steven, lost it and took off to Africa to be in a drumming circle and "find himself." Jeffrey has a little soul searching to do, too, which begins with his escalating anger at Steven, an old friend who is keeping something secret, and a girl who is way out of his league but who thinks he's cute.

THE DRAGON OF JIN-SAYENG

Harper Collins

National Book Award winner M. T. Anderson returns to future Earth in a sharply wrought satire of art and truth in the midst of colonization. When the vuvv first landed, it came as a surprise to aspiring artist Adam and the rest of planet Earth — but not necessarily an unwelcome one. Can it really be called an invasion when the vuvv generously offered free advanced technology and cures for every illness imaginable? As it turns out, yes. With his parents' jobs replaced by alien tech and no money for food, clean water, or the vuvv's miraculous medicine, Adam and his girlfriend, Chloe, have to get creative to survive. And since the vuvv crave anything they deem classic Earth culture (doo-wop music, still life paintings of fruit, true love), recording 1950s-style dates for the vuvv to watch in a pay-per-minute format seems like a brilliant idea. But it's hard for Adam and Chloe to sell true love when they hate each other more with every passing episode. Soon enough, Adam must decide how far he's willing to go — and what he's willing to sacrifice — to give the vuvv what they want.

St. Martin's Griffin

Two worlds threaten to crumble in the face of a common enemy in the epic conclusion to the New York Times bestselling *Daughter of Smoke & Bone* trilogy -- now with a gorgeous new package! What power can bruise the sky? Two worlds are poised on the brink of a vicious war. By way of a staggering deception, Karou has taken control of the chimaera's rebellion and is intent on steering its course away from dead-end vengeance. The future rests on her. When the brutal angel emperor brings his army to the human world, Karou and Akiva are finally reunited -- not in love, but in tentative alliance against their common enemy. It is a twisted version of their long-ago dream, and they begin to hope that it might forge a way forward for their people. And, perhaps, for themselves. But with even bigger threats on the horizon, are Karou and Akiva strong enough to stand among the gods and monsters? The New York Times bestselling *Daughter of Smoke & Bone* trilogy comes to a stunning conclusion as -- from the streets of Rome to the caves of the Kirin and beyond -- humans, chimaera, and seraphim strive, love, and die in an epic theater that transcends good and evil, right and wrong, friend and enemy.

BAD MOMMY

Little, Brown Books for Young Readers
A Publishers Weekly Best Book of the Year *A Barnes & Noble Best YA Book of the Year* Frey, Ovie, Juniper, and Runa are the Boneless Mercies—girls hired to kill quickly, quietly, and mercifully. When she hears of an unstoppable monster ravaging a nearby town, Frey decides this is the Mercies' one chance out. The fame and fortune of bringing down such a beast would ensure a new future for all the Mercies. In fact, her actions may change the story arc of women everywhere. Full of fierce girls, bloodlust, tenuous alliances,

and unapologetic quests for glory, this elegantly spun tale challenges the power of storytelling—and who gets to be the storyteller. Perfect for fans of Maggie Stiefvater, V.E. Schwab, and Heidi Heilig. *Muse of Nightmares* Simon and Schuster
When the ancient evil of the Blackbringer rises to unmake the world, only one determined faerie stands in its way. However, Magpie Windwitch, granddaughter of the West Wind, is not like other faeries. While her kind live in seclusion deep in the forests of Dreamdark, she's devoted her life to tracking down and recapturing devils escaped from their ancient bottles, just as her hero, the legendary Bellatrix, did 25,000 years ago. With her faithful gang of crows, she travels the world fighting where others would choose to flee. But when a devil escapes from a bottle sealed by the ancient Djinn King himself- the creator of the world- she may be in over her head. How can a single faerie, even with the help of her friends, hope to defeat the impenetrable darkness of the Blackbringer? At a time when fantasy readers have an embarrassment of riches in choosing new worlds to fall in love with, this first novel by a fresh, original voice is sure to stand out.
