THE STAN LEE UNIVERSE

Peter Lang

After a battle with a rampaging robot, Superman enlists an unlikely ally to crack the code behind who sent it. He needs an intelligent technological genius, and that can only mean one person: Lex Luthor!

ESSAYS ON THE MAN OF STEEL IN CHANGING TIMES

A&C Black

Five more incredible tales of the Man of Steel, told in an art style that pays tribute to his primary colors. In this issue we take visits to both Smallville and the Fortress of Solitude. We look at an object that was important to Superman on his trip to Earth, and we see the lasting impact that has on those around him. Plus, punching! Someone has to take down the electro-mechano-organic intelligence they call Kilg%re, but even he's nothing compared to the massive monster waiting in the farthest reaches of space.

Superman Classic: Parasite City DC Comics

The X-Men were created in response to shifts in family life and to social and political revolutions - from the rise of divorce in America to the civil rights movement. This book celebrates the popularity of the X-Men and the artists and writers who brought them to life.

A Marvelous Life Wiley

This book is an insider's guide to how the comic book industry works. You'll learn how comic book superheroes are created and the deeper meanings they represent. You'll follow the development of sequential art storytelling - from cave man wall paintings to modern manga and cinematic techniques. Here you will explore comics in all forms: those flimsy pamphlets we call comic books; thick graphic novels; Japanese manga; and blockbuster movies featuring epic battles between good and evil. But behind it all, you'll discover how comics are an intellectual property business, the real money found in licensed bedsheets and fast-food merchandise, heart-pounding theme park rides and collectible toys, video games, and Hollywood extravaganza featuring such popular superheroes as Spider-Man, Superman, X-Men, and Batman.

COMICS CREATOR PREP

DC Comics

Why are so many of the superhero myths tied up with loss, often violent, of parents or parental figures? What is the significance of the dual identity? What makes some superhuman figures "good" and others "evil"? Why are so many of the prime superheroes white and male? How has the superhero evolved over the course of the 20th and early 21st centuries? And how might the myths be changing? Why is it that the key superhero archetypes - Superman, Batman, Wonder Woman, Spider-Man, the X-Men - touch primal needs and experiences in everyone? Why has the superhero moved beyond the pages of comics into other media? All these topics, and more, are covered in this lively and original exploration of the reasons why the superhero - in comic books, films, and TV - is such a potent myth for our times and culture.

Paperbacks

A collection of humorous cartoons by illustrator Bill Plympton.

Best of Write Now McFarland

After a series of low-paying jobs, Chico Santana, PI, is living in his tiny office on 149th Street in the Bronx. He's in an absolutely foul mood when Pablo Sanchez and his mother drop in, seeking help for one of Chico's old childhood pals---the handsome and charismatic Joey Ventura. Chico has not seen Joey since Joey disappeared from St. Mary's Home for Boys, headed for Tahiti. He ended up, instead, on the island of TSP---The Superman Project. The Superman Project peddles German philosophy, Hinduism, and American comic book mythology as a method toward self-improvement, but its members are hiding more than a few secrets. The leader of TSP is a man named Father Ravi. One of his daughters, Gabby, who is also Joey's wife, is missing. Joey was accused by the TSP leaders of killing Gabby and has fled the police. Pablo and his mother insist he is innocent. Compelled to believe in his old friend, and by the promised payment of a very valuable Superman comic, Chico investigates the competing interests in the organization, falling for a beautiful suspect and trying to look out for a friend's troubled niece in the process. A. E. Roman brings New York City and its eccentric characters to life in this second in the original and energetic Chico Santana series.

Superman Berkley

ÖBOYZARRO RE-DEATHÓ finale! The challenge of the Bizarroverse continues as the Super Foes battle the Legion of Fun! As Superman and Son return to Hamilton for a quick recharge, they learn what the little town truly meant to themÑand what they meant to the locals of the town.

WHAT SUPERHEROES REALLY TELL US ABOUT OURSELVES AND OUR SOCIETY

TwoMorrows Publishing

The first full-fledged history not just of the Man of Steel but of the creators, designers, owners, and performers who made him the icon he is today, from the New York Times bestselling author of Satchel and Bobby Kennedy "A story as American as Superman himself."—The Washington Post Legions of fans from Boston to Buenos Aires can recite the story of the child born Kal-El, scion of the doomed planet Krypton, who was rocketed to Earth as an infant, raised by humble Kansas farmers, and rechristened Clark Kent. Known to law-abiders and evildoers alike as Superman, he was destined to become the invincible champion of all that is good and just—and a star in every medium from comic books and comic strips to radio, TV, and film. But behind the high-flying legend lies a true-to-life saga every bit as compelling, one that begins not in the far reaches of outer space but in the middle of America's heartland. During the depths of the Great Depression, Jerry Siegel was a shy, awkward teenager in Cleveland. Raised on adventure tales and robbed of his father at a young age, Jerry

dreamed of a hero for a boy and a world that desperately needed one. Together with neighborhood chum and kindred spirit Joe Shuster, young Siegel conjured a human-sized god who was everything his creators yearned to be: handsome, stalwart, and brave, able to protect the innocent, punish the wicked, save the day, and win the girl. It was on Superman's muscle-bound back that the comic book and the very idea of the superhero took flight. Tye chronicles the adventures of the men and women who kept Siegel and Shuster's "Man of Tomorrow" aloft and vitally alive through seven decades and counting. Here are the savvy publishers and visionary writers and artists of comics' Golden Age who ushered the red-and-blue-clad titan through changing eras and evolving incarnations; and the actors—including George Reeves and Christopher Reeve—who brought the Man of Steel to life on screen, only to succumb themselves to all-too-human tragedy in the mortal world. Here too is the poignant and compelling history of Siegel and Shuster's lifelong struggle for the recognition and rewards rightly due to the architects of a genuine cultural phenomenon. From two-fisted crimebuster to über-patriot, social crusader to spiritual savior, Superman—perhaps like no other mythical character before or since—has evolved in a way that offers a Rorschach test of his times and our aspirations. In this deftly realized appreciation, Larry Tye reveals a portrait of America over seventy years through the lens of that otherworldly hero who continues to embody our best selves.

Superman (2018-) #27 Macmillan Publishing Company

[Ever since Superman first appeared on the cover of Action Comics #1 in 1938, the superhero has changed with the times to remain a relevant icon of American popular culture for more than 70 years. This collection explores the evolution of the Superman character and demonstrates how his alterations mirror historical changes in American society. Beginning with the original comic book and ending with the 2011 Grounded storyline, these essays examine Superman's Depression-era stint as a crusading social avenger, his patriotic heroism during World War II, his increase in power in the early years of the Cold War, his death and resurrection at the end of the Cold War, and his recent dramatic reimagining. By looking at the many changes the Man of Steen has undergone to remain pertinent, this volume reveals as much about America as it does about the champion of Truth, Justice, and the American Way.]

The Persistence of a Legend McFarland

There's a new kind of crisis threatening the heroes of the DC Universe, ripped from real-world headlines by CIA operative turned comics writer Tom King: How does a superhero handle PTSD? Welcome to Sanctuary, an ultra-secret hospital for superheroes who've been traumatized by crime-fighting and cosmic combat. But something goes inexplicably wrong when many patients wind up dead, with two well-known operators as the prime suspects: Harley Quinn and Booster Gold! It's up to the DC Trinity of Superman, Wonder Woman and Batman to investigate-but can they get the job done in the face of overwhelming opposition? This collected edition features the entire nine-issue miniseries!

Superman and the Bible Houghton Mifflin Harcourt

The adventure of a lifetime begins between two sofa cushions.... When River, Freak, and Fiona discover a mysterious sofa sitting at their bus stop, their search for loose change produces a rare zucchini-colored crayon. Little do they know this peculiar treasure is about to launch them into the middle of a plot to conquer the world! The kids' only hope is to trap the plot's mastermind when he comes to steal the crayon. But how can three kids from the

middle of nowhere stop an evil billionaire? With the help of an eccentric neighbor, an artificially intelligent domino, a DNA-analyzing tray, two hot air balloons, and a cat named Mucus, they just might be able to save the planet. This clever comic adventure from debut author Henry Clark is a truly original and utterly wacky story about the importance of intelligence and curiosity in a complacent world.

Sloppy Seconds DC Comics

Ooh ooh, aah, aah-Jimmy see, Jimmy do! Jix and Jimmy go back to Gorilla City, where they had a one-night marriage-stand. (Don't believe it? Go reread *Superman: Leviathan Rising #1!*) Jimmy's sister Janie and Doc Mantel get to Gorilla City to warn Jimmy about what Doc saw in the future, only to find it's the attack of the 50-foot Jimmy!

SPIDER-MAN AND THE INCREDIBLE HULK

Superman on the Couch What Superheroes Really Tell Us about Ourselves and Our Society

As the Super Sons, Jon Kent and Damian Wayne put evil to bed...past its bedtime. But a new day has dawned, and Jon Kent is now the Superman of Metropolis—all grown up and fighting for truth, justice, and the kinds of grown-up things that Superboy was only beginning to understand as a child. Now a ghost from Jon's past has reared its head, and to battle this evil, he'll need to reunite with Robin for one last mission into the heart of darkness. This time they'll be battling not as Super Sons, but as Superman and Robin! This thrilling adventure is written by acclaimed Super Sons scribe Peter J. Tomasi!

SUPERMAN (2016-) #45

Plymptoons Publishing

A celebration of Superman's life and history—in time for his 75th birthday How has the Big Blue Boy Scout stayed so popular for so long? How has he changed with the times, and what essential aspects of him have remained constant? This fascinating biography examines Superman as a cultural phenomenon through 75 years of action-packed adventures, from his early years as a

social activist in circus tights to his growth into the internationally renowned demigod he is today. Chronicles the ever-evolving Man of Steel and his world—not just the men and women behind the comics, movies and shows, but his continually shifting origin story, burgeoning powers, and the colorful cast of trusted friends and deadly villains that surround him Places every iteration of the Man of Steel into the character's greater, decades-long story: From Bud Collyer to Henry Cavill, World War II propagandist to peanut butter pitchman, Super Pup to Super Friends, comic strip to Broadway musical, Lori Lemaris to Lois & Clark—it's all here Affectionate, in-depth analyses of the hero's most beloved adventures, in and out of the comics—his most iconic Golden Age tales, goofiest Silver Age exploits, and the contemporary film, television, and comics stories that keep him alive today Written by NPR book critic, blogger, and resident comic book expert, Glen Weldon

Superman DC Comics

Explains the history and types of graphic novels and lists must-read ones and well-known illustrators.

Jim Brown DC Comics

Using years of research and interviews with adventure sports athletes, the New York Times best-selling author of *Abundance* and *A Small, Fury Prayer* attempts to unlock the secrets to ultimate human performance and the state of consciousness called "flow." 25,000 first printing.
