**Il Persiano** Assimil Italia

Is it possible to find love again after a breakup, death, or divorce? The end of a relationship can sometimes feel like the end of the world. Devastation, loneliness, and bitterness are some emotions that exist due to a breakup, divorce, or the loss of a loved one. But with the help of this compassionate guide, Dr. John Gray expresses that you will survive and tells you how to find love again. While the process of healing is similar with both sexes, there are distinct differences between the ways men and women heal their bruised hearts. In Mars and Venus Starting Over, Dr. Gray offers gender-specific advice on how to: Deal with pain Find forgiveness Discover the strength to let go Rebuild confidence Rise to the challenge of finding fulfillment again Filled with gentle guidance, healing practices, and compassionate wisdom, Mars and Venus Starting Over will help men and women explore the meaning of loss, find their way through the healing process, and discover the secret to moving on.

100 dynamic and humorous lessons to learn German. With this method, only five months, you will be able to express yourself and talk in German. The recordings, made as always by professionals at a gradual pace, will help you feel perfectly comfortable with the language of Goethe

**Russian for English Speakers** Assimil Gmbh

This book aims to take users from scratch to having a solid base in Italian within six months, and to feel comfortable with the language in as little as three months. In only half an hour a day users will

move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar of Italian. The method comprises two phases: the passive phase, in which users simply repeat what they hear and read, and the active phase, in which users begin to create sentences and imagine themselves in a variety of everyday situations.

Colloquial Persian is easy to use and completely up-to-date! Specially written by an experienced teacher for self-study or class use, the course offers you a step-by-step approach to written and spoken Persian. No prior knowledge of the language is required. What makes this new edition of Colloquial Persian your best choice in personal language learning? Interactive – lots of exercises for regular practice. Clear – concise grammar notes. Practical – useful vocabulary and pronunciation guide. Complete – including answer key and reference section. Whether you’re a business traveller, or about to take up a daring challenge in adventure tourism; you may be studying to teach or even looking forward to a holiday – if you’d like to get up and running with Persian, this rewarding course will take you from complete beginner to confidently putting your language skills to use in a wide range of everyday situations. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop

your listening and pronunciation skills.

*German for English Speakers* Cambridge University Press

Récit du Commandant Pouchairet en Afghanistan ! Le Chaudron afghan. Voilà l'endroit dans lequel le Commandant de police Pierre Pouchairet a travaillé et vécu pendant presque 5 ans. Témoin privilégié du début de la fin de la campagne des Forces alliées en Afghanistan, il était chargé de la coopération en matière de sécurité. Il dévoile dans son livre la réalité du terrain. Sous sa plume acerbe et précise, les personnages du Grand théâtre afghan se mettent en place : la communauté d'expatriés plongée dans la tourmente et la communauté afghane fière d'avoir toujours résisté aux « envahisseurs » quels qu'ils soient. Rien n'échappe à l'auteur et à son récit, ni les enlèvements et les attentats dont sont victimes autant les Occidentaux que les Afghans, ni les errances de la diplomatie française, ni les agissements du gouvernement corrompu du président Karzaï. Il met également en évidence les ressorts complexes du fonctionnement des tribus afghanes, les efforts des Occidentaux, souvent dérisoires, pour faire respecter le droit des femmes et pour s'attaquer au tabou de la pédophilie. Personne avant le Commandant Pouchairet n'avait raconté la présence française en Afghanistan comme lui. Bienvenue à Kaboul ! Découvrez sans plus attendre le récit poignant d'un ancien commandant de police envoyé en Afghanistan. Une rencontre entre les envoyés français et les populations afghanes. EXTRAIT L'ambassadeur finit par nous recevoir. Nous entrâmes dans le couloir de la résidence. Quelle tristesse ! La peinture était défraîchie et un canapé crasseux, flanqué de ses deux fauteuils transformait l'endroit en salle d'attente. Au fond, au travers d'une porte vitrée, on apercevait le salon, une grande pièce meublée dans le style des années soixante. Tout était dans le même état de décrépitude. Il nous ouvrit sa porte pour nous accueillir. Souriant, il nous serra chaleureusement la main et nous invita à prendre place dans le coin salon aménagé au fond de son bureau. La pièce devait être à l'origine la salle de séjour de la résidence. Elle était tout en longueur, la façade offrait une belle vue sur un grand jardin. La table de travail faisait face à cette baie vitrée. Deux gazelles gambadaient dans la verdure. Le calme et la beauté de l'endroit, situé en plein centre-ville d'une capitale réputée comme étant l'une des plus dangereuses du monde, étaient dépaysants. Pour le reste, la pièce ressemblait à l'environnement déjà traversé, rien de bien attrayant... Ses premières paroles furent pour Julien. Il lui parla de son départ proche et du temps qu'il avait passé là-bas. Julien finit par me présenter. CE QU'EN PENSE LA CRITIQUE De cette alternance entre épisodes cocasses et sérieux, entre récits de ses démêlés avec l'administration française et de ses négociations avec les autorités afghanes, Pouchairet tire au final un portrait original d'un pays que la communauté internationale tente de reconstruire. - Luc Mathieu, Libération À PROPOS DE L'AUTEUR Pierre Pouchairet a 55 ans. Ce commandant de police aujourd'hui en retraite a été en charge de l'ensemble de la coopération policière française en Afghanistan de 2006 à 2010. Ce policier issu de la PJ a exercé dans les services d'investigations à Versailles, Nice et Grenoble, et a été affecté à l'étranger à Beyrouth, Ankara, Kaboul et Almaty. Il vit aujourd'hui au Moyen-Orient.

**Mars and Venus Starting Over** Routledge

Here is an informative introduction to language: its origins in the past, its growth through history, and its present use for communication between peoples. It is at the same time a history of language, a guide to foreign tongues, and a method for learning them. It shows, through basic vocabularies, family resemblances of languages -- Teutonic, Romance, Greek -- helpful tricks of translation, key combinations of roots and phonetic patterns. It presents by common-sense methods the most helpful approach to the mastery of many languages; it condenses vocabulary to a minimum of essential words; it simplifies grammar in an entirely new way; and it teaches a language as it is actually used in everyday life.

*Mastering Conversational Farsi (Free downloadable MP3 Audio files included)* Learn Persian Online Now in its second edition, The Routledge Dictionary of Cultural References in Modern French reveals the hidden cultural dimension of contemporary French, as used in the press, going beyond the limited and purely lexical approach of traditional bilingual dictionaries. Even foreign learners of French who possess a good level of French often have difficulty in fully understanding French articles, not because of any linguistic shortcomings on their part but because of their inadequate knowledge of the cultural references. This cultural dictionary of French provides the reader with clear and concise explanations of the crucial cultural dimension behind the most frequently used words and phrases found in the contemporary French press. This vital background information, gathered here in this innovative and entertaining dictionary, will allow readers to go beyond a superficial understanding of the French press and the French language in general to see the

hidden yet implied cultural significance that is so transparent to the native speaker. This fully revised second edition includes: a broad range of cultural references from the historical and literary to the popular and classical; an enhanced analysis of punning mechanisms used in the press; over 3,000 cultural references explained with updated examples; a three-level indicator of frequency; new and expanded chapters on the French of Quebec, institutional and academic references, and English borrowings in the areas of IT and medical science; over 600 online questions to test knowledge before and after reading. The Routledge Dictionary of Cultural References in Modern French is the ideal reference for all undergraduate and postgraduate students of French seeking to enhance their understanding of the French language. It will also be of interest to teachers, translators and Francophiles alike. French students in khâgne, Sciences-Po and schools of journalism will also find this book valuable and relevant for their studies. Test questions and solutions are available at [www.routledge.com/9780367376758](http://www.routledge.com/9780367376758), in addition to three online chapters. These bonus chapters explore figurative expressions involving the names of animals, the language of the law and slang terms.

### THE ULTIMATE CRASH COURSE TO LEARNING FARSI FAST

French & European Publications

Challenge and inspire your teenage learners to think beyond language. Think is a fresh, vibrant and upbeat course designed to engage teenage learners and make them think. As well as building students' language skills, it offers a holistic approach to learning: developing their thinking skills, encouraging them to reflect on values and building their self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. Exam-style exercises and tips help students prepare for Cambridge English Key, Preliminary and First. Informed by the Cambridge English Corpus, the course reflects real language usage and 'Get it right' sections help students avoid common mistakes.

Learn Farsi in 100 Days John Wiley & Sons

Con un ritmo di studio costante di solo 30 minuti al giorno, attraverso dialoghi legati alla vita di tutti i giorni, alle note grammaticali e culturali, agli esercizi con soluzioni e senza mai tralasciare gli aspetti fondamentali di grammatica e di fonetica, lezione dopo lezione, verrà raggiunto un livello di conoscenza intermedio della lingua persiana. Assimil applica un principio semplice ed efficace, che rivoluziona l'apprendimento delle lingue: l'assimilazione intuitiva, il processo naturale che ha permesso a ciascuno di noi di apprendere la propria lingua madre. Nella prima parte dello studio, la fase passiva, la lingua viene assimilata semplicemente leggendo, ascoltando e ripetendo ciascuna lezione. Nella seconda parte inizia la fase attiva, che permette di mettere in pratica le strutture e gli automatismi della lingua già assimilati, continuando nello stesso tempo a progredire. - 86 lezioni - Dialoghi attuali e divertenti con traduzione a fronte e pronuncia figurata - Una progressione grammaticale sistematica - Lezioni di ripasso per consolidare l'apprendimento - Esercizi con soluzioni - Note culturali per scoprire di più sul mondo e sulla cultura persiana.
