The Fog By James Herbert The Fog is a horror novel by English writer James Herbert, published in 1975. It is about a deadly fog that drives its victims insane when they come into contact with it. It is about a deadly fog that drives its victims insane when they come into contact with it. The Fog (novel) - Wikipedia Herbert's The Fog is one of the finest British horror novels of the 70's. From the thrilling opening, in which an inexplicable earthquake rips apart a small English community to the slow and steady progression of the nebulous fog that doggedly advances upon London's teeming millions, this short novel strikes like a blade to the heart. The Fog: James Herbert, Ramsey Campbell: 9781933618661 ... The Fog is one nasty piece of work and James Herbert seemed to like it that way. No quick deaths, no thought-provoking questions. Murder, mayhem, government conspiracy, sexual deviance and a proud middle finger. The Fog by James Herbert The Fog is a powerful, classic horror novel that begins with a crack that rips the earth apart. Peaceful village life shattered. But the disaster is just the beginning. Out of the bottomless pit creeps a malevolent fog. Spreading through the air it leaves a deadly, horrifying trail, destined to devastate the lives of all those it encounters. edition by James Herbert. Literature ... Perhaps his best book, The Fog is James Herbert's terrifying thriller where contact with a mysterious fog turns the most innocent of people into homicidal maniacs. Given an extra dose of tension from the sly and gravelly voice of veteran narrator Sean Barrett, the poor folks in little Wiltshire don't stand a chance.
