KELLEY SALAZAR

The Sociology of Sex

Pearson

"Throughout this text,

the goal is to share with your students how fascinating and enlightening sociology is. Because sociology is about social life and we live in a changing global society, this

15th edition of *Sociology: A Down-to-Earth Approach* continues to reflect the national and global changes that engulf us, as well as presents new sociological research. The down-to-earth examples, for which this text is known, will help your students see how sociology applies to them. So will the photos, about 555 of them, of which 228 are new. The photos are neither random nor "fillers." I have either selected or taken each of these photos, as well as written each caption. By tying the photos and their captions directly into the text, they become part of your students' learning experience"-- *Introduction to Sociology 3e* Simon and Schuster

A Yale sociology professor discusses how everyday people meet the demands of urban living through islands of civility he calls "cosmopolitan canopies" and describes how activities carried out under this canopy can ease racial tensions and promote harmony.

MEDICAL SOCIOLOGY

Prentice Hall
This best-selling comprehensive text shares the excitement of sociology with the acclaimed down-to-earth approach that highlights the sociology of everyday life. The Seventh Edition of this highly regarded text retains all the features that have made previous editions so successful. The author has a unique ability to

engage students without sacrificing content or talking down to them. With wit, personal reflection, and illuminating examples, Henslin shares his passion for sociology with his readers like no other author of an introductory text can.

MAPPING THE SOCIAL LANDSCAPE: READINGS IN SOCIOLOGY

W. W. Norton

A vibrant new learning program designed to engage students every step of the way with a modular approach and a dynamic digital experience. Mastering Sociology provides a friendly and accessible introduction to the discipline.

Down to Earth Sociology SAGE Publications

This brief and economical reader, edited by Jim Henslin, is a good choice for any social problems course-in combination with Henslin's "Social Problems: A Down-to-Earth Approach," another social problems text, or by itself. "Seeing the Social Context" can be ordered separately or value-packed with "Social Problems: A Down-to-Earth Approach," Eighth Edition, for an additional \$5 net. The package ISBN is: 0-205-59088-8.

SOCIAL PROBLEMS

W. W. Norton & Company

Note: If you are purchasing an electronic version, MySocLab does not come automatically packaged with it. To

purchase MySocLab, please visit www.mysoclab.com or you can purchase a package of the physical text and MySocLab by searching for ISBN 10: 0205914616 / ISBN 13: 9780205914616. Sociology offers a truly down-to-earth approach through its accessible writing style and application of sociological perspectives to everyday life. Its balance of comprehensiveness and brevity provides students with a clear presentation of the four key theoretical perspectives. Each of these perspectives is applied to a variety of illuminating examples and exercises showcasing how sociology is relevant to students' lives.

Sociology in Our Times
W. W. Norton & Company

The twelfth edition's new readings include selections on the unspoken rules of social interaction, the shocking disparities between upper- and lower-class life, America's changing attitudes toward work and family and the roles they fulfill, and the "McDonaldization" of American society. Together with these essential new articles, the selections by Peter Berger, Herbert Gans, Erving Goffman, Donna Eder, Zella Luria, C. Wright Mills, Deborah Tannen, Barrie Thorne, Sidney Katz, Philip Zimbardo, and many others provide firsthand reporting that gives students a sense of "being there." Henslin also explains

basic methods of social research, providing insight into how sociologists explore the social world. The selections in *Down to Earth Sociology* highlight the most significant themes of contemporary sociology, ranging from the sociology of gender, power, politics, sports, and religion, to the contemporary crises of racial tension, crime, rape, poverty, and homelessness.

INTRODUCTION TO SOCIOLOGY

Schocken
Revised edition of the author's *Social problems*, [2014]

ESSENTIALS OF SOCIOLOGY

Allyn & Bacon
The classic New York Times bestseller, with a new introduction by

E.J. Dionne Jr. *When The Culture of Narcissism* was first published in 1979, Christopher Lasch was hailed as a “biblical prophet” (Time). Lasch’s identification of narcissism as not only an individual ailment but also a burgeoning social epidemic was groundbreaking. His diagnosis of American culture is even more relevant today, predicting the limitless expansion of the anxious and grasping narcissistic self into every part of American life. *The Culture of Narcissism* offers an astute and urgent analysis of what we need to know in these troubled times.

caption. By tying the photos and their captions directly into the text, they become part of your students' learning experience"-- *Social Problems New Mysoclab Standalone Access Card* This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples -- including its signature first-person accounts that open many chapters. These lived experiences are relevant to students and introduce themes that provide a framework for learning the chapter material. Kendall's vivid and inviting writing style, emphasis on applications, and eye for compelling current

examples further highlight sociology's relevance to all students. Now in its eleventh edition, *SOCIOLOGY IN OUR TIMES* is acclaimed for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. This edition focuses more on social/global change and on the contemporary world, presenting such current debates as bullying and social media abuse, digital-age methods to increase school attendance, food trucks and the spread of culture, modern slavery, and weight

bias. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Down to Earth Sociology: 14th Edition
 Pearson Higher Education AU

For thirty-five years and through thirteen editions, Jim Henslin's *Down to Earth Sociology* has opened new windows onto the social realities that shape our world. Now in its fourteenth edition, the most popular anthology in sociology includes new articles on our changing world while also retaining its

classic must-read essays. Focusing on social interaction in everyday life, the forty-six selections bring students face-to-face with the twin projects of contemporary sociology: understanding the individual's experience of society and analyzing social structure. The fourteenth edition's exceptional new readings include selections on the role of sympathy in everyday life, mistaken perceptions of the American family, the effects of a criminal record on getting a job, and the major social trends affecting our future. Together with these essential new articles, the selections by Peter Berger, Herbert Gans, Erving Goffman, Donna Eder,

Zella Luria, C. Wright Mills, Deborah Tannen, Barrie Thorne, Sidney Katz, Philip Zimbardo, and many others provide firsthand reporting that gives students a sense of "being there." Henslin also explains basic methods of social research, providing insight into how sociologists explore the social world. The selections in *Down to Earth Sociology* highlight the most significant themes of contemporary sociology, ranging from the sociology of gender, power, politics, and religion to the contemporary crises of racial tension, crime, rape, poverty, and homelessness.

[Instructor's Resource CD for Sociology](#) Allyn & Bacon
Presents a selection of

forty-six readings that provide, an introduction to the sociological perspective, look at how sociologists conduct research, examine the cultural underpinnings of social life, and discuss social groups and social structure, gender and sexuality, deviance, and social stratification, institutions, and change.

SOCIOLOGY

Pearson

A Down-to-Earth Approach James Henslin shares the excitement of sociology, with his acclaimed "down-to-earth" approach and personal writing style that highlight the sociology of everyday life and its relevance to students' lives. With

wit, personal reflection, and illuminating examples, he shares with readers his passion for sociology. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. Teaching & Learning Experience Personalize Learning - The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -

Learning Objectives & Questions on each page reinforce key concepts and build critical thinking skills. Engage Students - Personal narrative from the perspective of an international field researcher invites students on a sociological journey. Explore Theory - Offers a balanced approach; relevant theories are discussed in each chapter. Understand Diversity - Global, national, and personal material combine to present a complete view of the world. Support Instructors - Written activities and assessment in MySocLab engage students and help them succeed. Note: MySocLab does not come automatically packaged with this text. To purchase

code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE

SOCIOLOGY

Simon and Schuster Drawing from a wide selection of classic and contemporary works, the 60 selections in this best-selling reader represent a plurality of voices and views within sociology. In addition to classic works by authors such as Karl Marx, Max Weber, C. Wright Mills, David Rosenhan, Kingsley Davis and Wilbert Moore, this anthology presents a wide range of contemporary scholarship, some of which provides new treatments of traditional concepts. By integrating issues of diversity throughout the book, Ferguson

helps students see the inter-relationships of race, social class, and gender, and the ways in which they have shaped the experiences of all people in society.

Sociology Prentice Hall

"Down-to-Earth Approach" Adapted from Henslin's best-selling comprehensive text, "Core Concepts" provides in-depth coverage of ten high-priority topics that are the foundation of many introductory sociology courses. This unique paperback offers a concise and economical format without sacrificing depth of coverage. Unlike a "brief" or "essentials" text, the ten chapters that make up "Core Concepts" are not edited down from a longer book. Instead,

they provide full coverage of those topics that instructors emphasize the most in a one-semester or one-term introductory sociology course. Like Henslin's other texts, it features the author's familiar "down-to-earth" approach and personal writing style that highlight the sociology of everyday life. With wit, personal reflection, and illuminating examples, Henslin shares with readers a passion for sociology unmatched by any other introductory text. What is the Pearson Census Update Program? The Census Update edition incorporates 2010 Census data into a course--simply and easily. The components of the Census Update Program are as follows:

Census Update Edition
- Features fully updated data throughout the text--including all charts and graphs--to reflect the results of the 2010 Census. This edition also includes a reproduction of the 2010 Census Questionnaire for your students to explore in detail. 2010 Census Update Primer - A brief seven-chapter overview of the Census, including important information about the Constitutional mandate, research methods, who is affected by the Census, and how data is used. Additionally, the primer explores key contemporary topics such as race and ethnicity, the family, and poverty. The primer can be

packaged with any Pearson text at no additional cost, and is available via MySocLab, MySocKit, and MySearchLab. The primer can also be purchased standalone. 2010 Census Update Primer Instructor's Manual with Test Bank - Includes explanations of what has been updated, in-class activities, homework activities associated with the MyLabs and MyKits, discussion questions for the primer, and test questions related to the primer. MySocLab - Gives students the opportunity to explore the methods and data and apply the results in a dynamic interactive online environment. It includes: primary source readings relevant to the Census an online version of the

2010 Census Update Primer a series of activities using 2010 Census results video clips explaining and exploring the Census

Pearson Learning Solutions Introduction to Sociology 3e aligns to the topics and objectives of many introductory sociology courses. It is arranged in a manner that provides foundational sociological theories and contexts, then progresses through various aspects of human and societal interactions. The new edition is focused on driving meaningful and memorable learning experiences related to critical thinking about society and culture. The text includes comprehensive coverage of core

concepts, discussions and data relevant to a diverse audience, and features that draw learners into the discipline in powerful and personal ways. Overall, Introduction to Sociology 3e aims to center the course and discipline as crucial elements for understanding relationships, society, and civic engagement; the authors seek to lay the foundation for students to apply what they learn throughout their lives and careers.
