Proven Success Beyond the Classroom OUP Oxford

The world's most trusted English course, now with a new generation of digital support.

1 OXFORD

Still the world's most trusted adult English course - American Headway Third edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before. American Headway is the course you can always trust. Its proven methodology - focus on grammar, clear vocabulary syllabus, integrated skills work - was developed by award-winning authors John and Liz Soars to give you lessons that really work in class. The third edition supports students to succeed beyond the classroom more than ever before with: \* More conversation to help students accelerate their progress in speaking \* 100% new downloadable assessment to prepare students for success in high-stake tests \* A new digital teaching and learning package to engage students in and beyond the classroom

*American Headway Second Edition: Level 5 Workbook* OXFORD University Press

Headway: Beginner: Workbook Without Key Oxford University

Builds on the firm foundation laid in a href="http://www.oup.co.uk/elt/global/isbn/3580/"American Headway 1/a."

**American Headway Four** Oxford University

Providing a foundation in the structure of the language by gradually building students'

understanding of the basic grammar, vocabulary, and functions of English.

Oxford University Press, USA

The Elementary edition brought right up-to-date, with new topics and new features. The Workbook, Teacher's Book, Teacher's Resource Book, Audio CD, and CD-ROM have all been revised.

**Student Book** OXFORD

American Headway 2 builds on the firm grammatical, lexical and functional foundation laid in American Headway 1. Students' understanding of English is widened and their abilities to use the language for communicative purposes are extended. Integrated skills work is an important feature of the series. All four skills are developed in context. Universal topics are selected from a wide variety of material. There is in-depth treatment of grammar, with clear presentations, self-check exercises in the 'Grammar Spot', and detailed explanations in the 'Grammar Reference' followed by extensive practice activities. A systematic vocabulary syllabus includes dictionary training and work on systems such as collocations. Pronunciation work is integrated at appropriate points. An 'Everyday English' section practises functional language and social situations.
