PRATIBHA RAY, STORIES

Black Eagle Books
Basanti is a misfit in conservative, pre-independence rural Odisha. Not only does she read and write, all her choices—from marrying for love to

dispensing medicines to the poor and running a girls' school—are unconventional. Her emancipatory aspirations evoke strong reactions from her surroundings, even surprisingly from her husband, who is supposedly passionate about women's freedom. In this collaborative novel, nine young authors narrate the journey of a liberated woman who questions the socially ordained roles of women and

argues for change, especially through education. The authors, six men and three women, belonged to the 'Sabuja Age' in Odia literature, a short-lived, creative period of ten to fifteen years. Serialized in Utkala Sahitya between May 1924 and November 1926 and published as a book in 1931, with a revised version appearing in 1968, Basanti is the first fictional declaration of the independence of the Odia woman.

Pratibha Ray makes a determined effort for a portrayal of the epic character and brings to the surface the broader and deeper aspects of Draupadi's mind that lay submerged in the majestic sweep of the grand Mahabharata. The novel won her the Bharatiya Jnanpith's prestigious

ninth Moortidevi Award in 1993.

THE STORY OF DRAUPADI

OUP India

This volume forms a part of the Critical Discourses in South Asia series which deals with schools, movements and discursive practices in major South Asian languages. It offers crucial insights into the making of Odia literature and its critical tradition across a century. The book brings together English translation of major writings of influential figures dealing with literary criticism and theory, aesthetic and performative traditions and re-interpretations of primary concepts and categories in Odia. It presents 25 key texts in literary and cultural studies from late 19th century to early 21st century, translated by experts for the first time into English. These

seminal essays explore complex interconnections between socio-historical events in the colonial and post-Independence period in Odisha and the language movement. They discuss themes such as the evolving idea of literature and criteria of critical evaluation; revision and expansion of the literary canon; the transition from orality to print; emergence of new reading practices resulting in shifts in aesthetic sensibility; dialectics of tradition and modernity; and the formation, consolidation and political consequences of a language-based identity. Comprehensive and authoritative, this volume offers an overview of the history of critical thought in Odia literature in South Asia. It will be essential for scholars and researchers of Odia

language and literature, literary criticism, literary theory, comparative literature, Indian literature, cultural studies, art and aesthetics, performance studies, history, sociology, regional studies and South Asian studies. It will also interest the Odia-speaking diaspora and those working on the intellectual history of Odisha and eastern India and conservation of language and culture.

Spark of Light is a diverse collection of short stories by women writers from the Indian province of Odisha. Originally written in Odia and dating from the late nineteenth century to the present, these

stories offer a multiplicity of voices—some sentimental and melodramatic, others rebellious and bold—and capture the predicament of characters who often live on the margins of society. From a spectrum of viewpoints, writing styles, and motifs, the stories included here provide examples of the great richness of Odishan literary culture. In the often shadowy and grim world depicted in this collection, themes of class, poverty, violence, and family are developed. Together they form a critique of social mores and illuminate the difficult lives of the subaltern in Odisha society. The work of these authors contributes to an ongoing dialogue concerning the challenges, hardships, joys, and successes experienced by women

around the world. In these provocative explorations of the short-story form, we discover the voices of these rarely heard women.

What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in

human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the

way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to

acquire skill in dealing with people. Download now and you will learn how. First published in the Odia in 1948, and translated for the first time here into English by Bikram Das, Gopinath Mohanty's *Harijan* is one of the most original and radical Indian novels of the twentieth century. It brings to vivid life the story of a group of Mehentars living in a slum. Cleaning latrines with their bare hands is the only work that they

can hope to find as their caste excludes them from every other occupation. The leader of this group is the middle-aged and foul-mouthed Jema who starts her day by gulping down a potful of liquor and smoking pinkas in order to deal with the stench of the excreta. One day, Jema comes down with a fever and is unable to go to work. Fourteen-year-old Puni offers to take her mother's place. The next morning Puni wakes up early, bathes, puts on a clean sari, and dabs some cheap perfume on her skin. Stepping out of the hut excitedly, she picks up basket and broom. When she arrives at the first latrine, the stink hits her with the force of a hammer blow. She drops her basket and broom, turns around, and is trying to run away, when her friends stop her. 'This is what you

will have to do every day for the rest of your life! It is your fate!' Avinash Babu lives in a palatial house next to the slum. He is planning to evict the Mehentars in order to develop the slum into a residential colony. One night, a fire breaks out and the entire slum is burned to the ground. The Mehentars leave the slum carrying their remaining possessions on their backs. They have nowhere to go but they are past all worries-they know that no matter where they go, they will still be cleaning excrement, for they are Harijans. Harijan is an enduring Odia classic which is regarded as one of the most original and radical Indian novels of the twentieth century. Gopinath Mohanty was an esteemed Odia novelist who was awarded the Padma Bhushan, the

Sahitya Akademi Award, and the Jnanpith Award. This is the first English translation of the novel by Sahitya Akademi Translation Awardee Bikram Das.

AN AUTOBIOGRAPHY

Penguin Books India

Written originally in Oriya in 1945 and translated here for the first time, Paraja is a classic of modern Indian fiction. It tells on an epic scale the story of a tribal patriarch and his family in the mountainous jungles of Orissa. The slow decline in the fortunes of this family - from the quiet prosperity of a subsistence livelihood towards bondage to the local moneylender - is both poignantly individualized as well as symbolic of the erosion of a whole way of life within peasant communities. The novel, furthermore, transcends what it documents because its characters are not merely primitive tribesmen ensnared by a predatory moneylender. Mohanty's

protagonists are also quintessentially men and women waging heroic but futile war against a hostile universe. As the citation of the Jnanpith Award of 1974 put it - 'in Mohanty's hands the social is lifted to the level of the metaphysical.'

Harijan The Floating Press

The autobiography of Paramahansa Yogananda (1893 - 1952) details his search for a guru, during which he encountered many spiritual leaders and world-renowned scientists. When it was published in 1946 it was the first introduction of many westerners to yoga and meditation. The famous opera singer Amelita Galli-Curci said about the book: "Amazing, true stories of saints and masters of India, blended with priceless superphysical information-much needed to balance the Western material

efficiency with Eastern spiritual efficiency-come from the vigorous pen of Paramhansa Yogananda, whose teachings my husband and myself have had the pleasure of studying for twenty years."
