#### THE BLUEST EYE

Llewellyn Worldwide

NATIONAL BESTSELLER • From the acclaimed Nobel Prize winner—a powerful examination of our obsession with beauty and conformity that asks questions about race, class, and gender with characteristic subtlety and grace. In Morrison’s acclaimed first novel, Pecola Breedlove—an 11-year-old Black girl in an America whose love for its blond, blue-eyed children can devastate all others—prays for her eyes to turn blue: so that she will be beautiful, so that people will look at her, so that her world will be different. This is the story of the nightmare at the heart of her yearning, and the tragedy of its fulfillment. Here, Morrison’s writing is “so precise, so faithful to speech and so charged with pain and wonder that the novel becomes poetry” (The New York Times).

#### Techniques of High Magic: A Manual of Self-Initiation

Weiser Books

Although revered in his own time, John Dee (1527-1608) was until recently regarded as an isolated crank on the margins of Tudor history. This anthology of Dee's writings illustrates his diverse interests and his central position in the history of Renaissance thought and the development of Western Magic. Dee's celebrated Preface to Euclid is included along with selections from his Spiritual Diaries and letters to other mystics and royals. In addition to Hermetic and Cabalistic philosophy, mathematics, astronomy, astrology, and navigation are also covered.

*The Alchemist* Delacorte Press

Contains John Dee's Spiritual Diaries for 25 years (1583-1608).

This book covers Dee's invocation of the angels, the reception of their Enochian system of magic, his experiments in alchemy, and experiences in the courts of the crowned heads of Europe.

#### True and Faithful Relation of what Passed for Many Yeers

**Between Dr. John Dee and Some Spirits** Cambridge

University Press

"What is here presented is a work of darkness." Yet it is no other than what with great tenderness and circumspection was tendered to men of the highest dignity in Europe, kings and princes, and by all listened unto for a while with good respect. By some gladly embraced and entertained for a long time, the fame whereof being carried unto Rome, it made the Pope to better himself, no knowing what the event of it might be, and how much it might concern him. And indeed, filled all men, learned and unlearned in most places with great wonder and astonishment: all which things will be showed and made good in the contents of this book, by unquestionable records and evidences. And therefore I make no question but there will be men enough found in the world whose curiosity will lead them to read what I think is not to be paralleled in that kind by any book that has been set out in any age to read (from the preface). This occult classic, rare and long unavailable, is a reprint from the 1659 edition, once again in print in a handsome new format from Golem Media.

*The Lost Art of Enochian Magic* Llewellyn Worldwide

The first book in the Dr. Dee series of Tudor thrillers, about the

astrologer royal to Queen Elizabeth I—a brew of compelling storytelling, devious politics, witchcraft, and necromantic arts It is 1560, and Elizabeth Tudor has been on the throne for a year. Dr John Dee, at 32 already acclaimed throughout Europe, is her astrologer and consultant in the hidden arts—a controversial appointment in these days of superstition and religious strife. Now the mild, bookish Dee has been sent to Glastonbury to find the missing bones of King Arthur, whose legacy was always so important to the Tudor line. With him is hardly the safest companion—his friend and former student, Robert Dudley, a risk-taker, a wild card, and possibly the Queen's secret lover. The famously mystical town is still mourning the gruesome execution of its Abbot, Richard Whiting. But why was the Abbot really killed? What is the secret held by the monks since the Abbey was founded by Joseph of Arimathea, uncle of Christ and guardian of the Holy Grail? The mission takes Dee to the tangled roots of English magic, into unexpected violence, necromantic darkness, the breathless stirring of first love, and the cold heart of a complex plot against Elizabeth.

**Dr. John Dee's Spiritual Diary (1583-1608)** Llewellyn Worldwide

Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a "true Renaissance man"? detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

#### THEATRE, MAGIC AND PHILOSOPHY

North Atlantic Books

This is the first fully readable edition of Dr. John Dee's Spiritual Diaries. Completely revamped, reorganized, and corrected, this reader-friendly version of A True & Faithful Relation of what passed for Many Yeers between Dr. John Dee . . . and Some Spirits . . . covers Dee's invocation of the angels and the reception of their Enochian system of magic, his experiments in alchemy, and experiences in the courts of the crowned heads of Europe. Magic scholars and practitioners will be delighted to find a preface by

Meric Casaubon, extensive footnotes, supplementary texts, additional illustrations, a Dee timeline, and sections which were originally missing from Casaubon's edition.

#### THE PRIVATE DIARY OF DR. JOHN DEE, AND THE CATALOGUE OF HIS LIBRARY OF MANUSCRIPTS

Taylor & Francis

The most remarkable artifact in the entire history of spirit communication is the legacy of the Enochian angels, who presented themselves to the famed Elizabethan mathematician Dr. John Dee through his seer, alchemist Edward Kelley, between the years 1582-1589. Now, ENOCHIAN MAGIC FOR BEGINNERS provides this system in its complete and original form. 53 illustrations.

**The Complete Mystical Records of Dr. John Dee (3-Volume Set)** Simon and Schuster

The invocations personally used by John Dee to call the angels were written in Latin. Shortly after his death an expanded version of these was written in English, a fraction of which was used by the Hermetic Order of the Golden Dawn. This volume presents the English text in its entirety.

#### TRUE AND FAITHFUL RELATION OF WHAT PASSED FOR MANY YEERS BETWEEN DR. JOHN DEE AND SOME SPIRITS

Dr. John Dee's Spiritual DiariesThis is the first fully readable edition of Dr. John Dee's Spiritual Diaries. Completely revamped, reorganized, and corrected, this reader-friendly version of A True & Faithful Relation of what passed for Many Yeers between Dr. John Dee . . . and Some Spirits . . . covers Dee's invocation of the angels and the reception of their Enochian system of magic, his experiments in alchemy, and experiences in the courts of the crowned heads of Europe. Magic scholars and practitioners will be delighted to find a preface by Meric Casaubon, extensive footnotes, supplementary texts, additional illustrations, a Dee timeline, and sections which were originally missing from Casaubon's edition.Key to the Latin of Dr. John Dee's Spiritual Diaries (1583-1608)

Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527-1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels—the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of “calls” to be recited in an angelic language in order to raise the consciousness of the magician to a level where angelic contact is possible.In Enochian Vision Magick, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see

the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back matter by the author as well as a new foreword by Jason Louv. Replaces ISBN 978-1-57863-382-1

### JOHN DEE

Simon and Schuster

The complete reference for understanding the Enochian language ("the language of the angels"), the proper pronunciation of the letters of the Enochian alphabet, and the use of evocations to call forth celestial beings and perform Enochian magic. In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of scrying experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian, the language of the angels. Dr. Dee's efforts furthered the development of the system of Enochian magic and his methods of invocation have been taken up and expounded upon by Aleister Crowley and many other magicians. Donald C. Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. He provides a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and an essential Enochian/English and English/Enochian dictionary. The result is a fascinating linguistic and magical mystery story integral to any study of the Enochian tradition. This new edition of Laycock's work includes a new preface by Stephen Skinner that sets the tone and historical context for today's readers. Lon Milo DuQuette's foreword gives a delightful and edifying description of how he and his students put *The Complete Enochian Dictionary* to the test with astonishing results. This book is a must-have for any serious magician's library.

### ENOCHIAN MAGIC AND THE HIGHER WORLDS

Llewellyn Worldwide

Written in thirteen days in 1564 by the renowned Elizabethan magus, Dr. John Dee, *The Hieroglyphic Monad* explains his discovery of the monas, or unity, underlying the universe as expressed in a hieroglyph, or symbol. Dee called *The Hieroglyphic Monad* a "magical parable" based on the Doctrine of Correspondences which lies at the heart of all magical practice and is the key to the hermetic quest. Through careful meditation and study of the glyph, its secrets may be slowly revealed. [Key to the Latin of Dr. John Dee's Spiritual Diaries \(1583-1608\)](#) Weiser Books

The ultimate source text of Enochian Magic never before available in book form • Contains the actual and complete Tables of Enoch given to Dr. John Dee by the Angels • Explains the difference between Dee's Tables of Enoch and the apocryphal Book of Enoch • Includes directions for powerful magic rituals and meditations using these tables • Presents a reconstruction of the possible 49th missing Table of Enoch Originally considered a vital part of inspirational literature used by the early church, the Book of Enoch never made it into the cannon or accepted books of the Old Testament because of its strange and mysterious content about Enoch's experiences in the higher realms, or heavens. The real Book of Enoch, which is a set of almost 100 mystical tables, was given again to humankind in the 1580s, when it was conveyed

directly by angels to Dr. John Dee, a 16th-century mathematician, scientist, occultist, and the astrologer of Queen Elizabeth I. Called "the most important book ever given to man by God" by Dee's angelic messengers, the Book (or Tables) of Enoch is said to hold all the secrets of heaven and earth and the physical and spiritual realms. *Decoding the Enochian Secrets* reproduces for the first time ever the exact and complete copy of these tables, which are housed in the British Library. The tables are written in the handwriting of Dr. Dee and Edward Kelly, Dee's assistant and scribe. The tables also include the phonetic pronunciations, written by Dee in the margins, of all the magical Enochian Calls. Covering the history of this Book or Tables of Enoch, John DeSalvo explains the difference between these tables and the apocryphal Book of Enoch and examines how later magicians such as Aleister Crowley used them. Including Enochian Magic Meditations and rituals, *Decoding the Enochian Secrets* presents the source text to the most powerful form of magic known to mankind.

[John Dee and the Empire of Angels](#) Vintage

The system of Enochian magick, discovered and developed by John Dee and Edward Kelley in the 1500s, has fascinated ritual magicians for centuries. Enochian magick played a prominent role in the Hermetic Order of the Golden Dawn and its successors, and Aleister Crowley attained many of his greatest mystical insights and initiatory successes using the system. In this modern application of the approach known as "scrying the Aethyrs," noted magician, psychologist, teacher, and author Dr. David Shoemaker presents his visionary experiences with the Aethyrs, as well as a practical approach to obtaining your own visions. This book is an essential text for anyone interested in the Enochian system. "Dr. Shoemaker is not only a mature and competent practitioner of Enochian magical techniques, but is also possessed with the eloquence and insight to share what is 'shareable' of his intensely personal journey. My highest recommendation." --Lon Milo DuQuette, author of *Enochian Vision Magick*

### The Mathematical Praeface to Elements of Geometrie of Euclid of Megara

Watkins Media Limited  
Self-initiation into practical magic with clear instructions on how to perform invocation and evocations, achieve astral projection, make effective talismans, or practice divination using either geomancy, tarot or I Ching. Useful for a complete beginner or those further along the path.

### THE DIARIES OF JOHN DEE

Routledge

The famous journals of Dr. John Dee--Hermetic scholar, royal astrologer, and Renaissance luminary--document his conferences with angels and spirits, the development of the Enochian language, experiments in alchemy, and more. The Key to the Latin of Dr. John Dee's *Spiritual Diaries* translates more than 50,000 Latin words from Dee's diaries. Latin passages and their English equivalent are featured side-by-side on facing pages. This book is an ideal companion to Dr. John Dee's *Spiritual Diaries*, the first reader-friendly, revamped, and corrected edition of *A True & Faithful Relation of what passed for Many Years between Dr. John Dee...and Some Spirits...* Together, they provide full access to Dee's spiritual diaries from 1583 to 1608.

### Dr. John Dee's Spiritual Diary (1583-1608)

Macmillan  
In this updated edition of a classic John Dee resource, Dr. Stephen Skinner has added more than 100 pages of translated text so those who don't know Latin can read the fascinating chronicle of Enochian magick from beginning to end entirely in English. With an 8" x 10" trim size--decreased from the first edition's large-size folio format--this exceptional second edition will be a welcome

addition to the enthusiast's shelves. This edition retains the impeccable scholarship of the first edition, which was the first corrected, updated, reader-friendly version of *A True & Faithful Relation of what passed for many Years between Dr. John Dee... and some Spirits*, transcribed and prefaced by Meric Casaubon in 1659. This edition also retains the detailed introduction, appendices, extensive footnotes, supplementary texts, additional illustrations, Dee timeline, and much more. This is the second edition of the corrected, reorganized, fully annotated book of Dr. John Dee's fascinating diaries and writings, which chronicle in stunning first-person detail Dee's invocation of the angels and the reception of their Enochian system of magick, his experiments in alchemy, and experiences in the courts of the crowned heads of Europe.

### THE COMPLETE ENOCHIAN DICTIONARY

Atlantic Books

A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.

### THE ESSENTIAL ENOCHIAN GRIMOIRE

Apocryphile Press

Dr. John Dee, England's most famous Renaissance magus, spent seven years working with scribe Edward Kelley in the late sixteenth century. Together the two men established contact with various angels who endeavored to teach them a new spiritual system described as the true art of magick. Dee's diaries chronicling these communications formed the basis of the Enochian magical system, which has profoundly influenced the development of ritual magick for centuries and is reputed by many to be especially effective. The *Heptarchia Mystica* is the only part of the Enochian system that Dee ever managed to assemble into a usable grimoire, but paradoxically it also seems to be the most overlooked portion of his work. Author Scott Michael Stenwick presents this material in a coherent manner suitable for both modern magicians and traditional grimoire practitioners, with an eye towards producing measurable, practical results. The powers of the Heptarchial Kings and Princes are extensive, and yet conjuring and conversing with them is a relatively simple process. Unlock the secrets of this remarkable grimoire, and employ them to transform your life.
